## **Benjamin Franklin His Life:**

**The First American** H. W. Brands, 2002-03-12 PULITZER PRIZE FINALIST Benjamin Franklin perhaps the pivotal figure in colonial and revolutionary America comes vividly to life in this thorough biography of America's first Renaissance man The Washington Post by the two time Pulitzer Prize finalist bestselling historian and author of *Our First Civil War* The authoritative Franklin biography for our time Joseph J Ellis author of the Pulitzer Prize winning *Founding Brothers* Wit diplomat scientist philosopher businessman inventor and bon vivant Benjamin Franklin's life is one every American should know well and it has not been told better than by Mr Brands The Dallas Morning News From penniless runaway to highly successful printer from ardently loyal subject of Britain to architect of an alliance with France that ensured America's independence Franklin went from obscurity to become one of the world's most admired figures whose circle included the likes of Voltaire Hume Burke and Kant Drawing on previously unpublished letters and a host of other sources acclaimed historian H W Brands has written a thoroughly engaging biography of the eighteenth century genius A much needed reminder of Franklin's greatness and humanity *The First American* is a work of meticulous scholarship that provides a magnificent tour of a legendary historical figure a vital era in American life and the countless arenas in which the protean Franklin left his legacy Look for H W Brands's other biographies **ANDREW JACKSON THE MAN WHO SAVED THE UNION** **Ulysses S Grant TRAITOR TO HIS CLASS** Franklin Roosevelt and **REAGAN** *Autobiography of Benjamin Franklin* Benjamin Franklin, 2014-08-29 The *Autobiography of Benjamin Franklin* is the traditional name for the unfinished record of his own life written by Benjamin Franklin from 1771 to 1790 however Franklin himself appears to have called the work his *Memoirs* Although it had a tortuous publication history after Franklin's death this work has become one of the most famous and influential examples of an autobiography ever written Franklin's account of his life is divided into four parts reflecting the different periods at which he wrote them There are actual breaks in the narrative between the first three parts but Part Three's narrative continues into Part Four without an authorial break only an editorial one Part One of the *Autobiography* is addressed to Franklin's son William at that time 1771 Royal Governor of New Jersey While in England at the estate of the Bishop of St Asaph in Twyford Franklin now 65 years old begins by saying that it may be agreeable to his son to know some of the incidents of his father's life so with a week's uninterrupted leisure he is beginning to write them down for William He starts with some anecdotes of his grandfather uncles father and mother He deals with his childhood his fondness for reading and his service as an apprentice to his brother James Franklin a Boston printer and the publisher of the *New England Courant* After improving his writing skills through study of the *Spectator* by Joseph Addison and Sir Richard Steele he writes an anonymous paper and slips it under the door of the printing house by night Not knowing its author James and his friends praise the paper and it is published in the *Courant* which encourages Ben to produce more essays the *Silence Dogood* essays which are also published When Ben reveals his authorship James is angered thinking the recognition of his papers will make

Ben too vain James and Ben have frequent disputes and Ben seeks for a way to escape from working under James Eventually James gets in trouble with the colonial assembly which jails him for a short time and then forbids him to continue publishing his paper James and his friends come up with the stratagem that the Courant should hereafter be published under the name of Benjamin Franklin although James will still actually be in control James signs a discharge of Ben s apprenticeship papers but writes up new private indenture papers for Ben to sign which will secure Ben s service for the remainder of the agreed time But when a fresh disagreement arises between the brothers Ben chooses to leave James correctly judging that James will not dare to produce the secret indenture papers It was not fair in me to take this Advantage Franklin comments and this I therefore reckon one of the first Errata of my life James does however make it impossible for Ben to get work anywhere else in Boston Sneaking onto a ship without his father s or brother s knowledge Ben heads for New York but the printer William Bradford is unable to employ him however he tells Ben that his son Andrew a Philadelphia printer may be able to use him since one of his son s principal employees had just died By the time Ben reaches Philadelphia Andrew Bradford has already replaced his employee but refers Ben to Samuel Keimer another printer in the city who is able to give him work The Governor Sir William Keith takes notice of Franklin and offers to set him up in business for himself On Keith s recommendation Franklin goes to London for printing supplies but when he arrives he finds that Keith has not written the promised letter of recommendation for him and that no one who knew him had the smallest Dependence on him

**Benjamin Franklin** Esmond Wright, 1990 A biography of the statesman scientist and businessman describing his life and achievements [The Autobiography of Benjamin Franklin](#) Benjamin Franklin, 2014-02-02 The Autobiography of Benjamin Franklin is the traditional name for the unfinished record of his own life written by Benjamin Franklin from 1771 to 1790 however Franklin himself appears to have called the work his Memoirs Although it had a tortuous publication history after Franklin s death this work has become one of the most famous and influential examples of an autobiography ever written Franklin s account of his life is divided into four parts reflecting the different periods at which he wrote them There are actual breaks in the narrative between the first three parts but Part Three s narrative continues into Part Four without an authorial break only an editorial one Reactions to the work Franklin s Autobiography has received widespread praise both for its historical value as a record of an important early American and for its literary style It is often considered the first American book to be taken seriously by Europeans as literature William Dean Howells in 1905 asserted that Franklin s is one of the greatest autobiographies in literature and towers over other autobiographies as Franklin towered over other men However Mark Twain s essay The Late Benjamin Franklin 1870 provides a less exalted reaction albeit somewhat tongue in cheek for example claiming that his example had brought affliction to millions of boys since whose fathers had read Franklin s pernicious biography D H Lawrence wrote a notable invective against Middle sized sturdy snuff coloured Doctor Franklin in 1923 finding considerable fault with Franklin s attempt at crafting precepts of virtue and at perfecting himself Nevertheless

responses to *The Autobiography* have generally been more positive than Twain's or Lawrence's with most readers recognizing it as a classic of literature and relating to the narrative voice of the author. In this work Franklin's persona comes alive and presents a man whose greatness does not keep him from being down to earth and approachable who faces up to mistakes and blunders. Errata he has committed in life and who presents personal success as something within the reach of anyone willing to work hard enough for it.

**The Real Benjamin Franklin** Andrew M. Allison, Willard Cleon Skousen, M. Richard Maxfield, Benjamin Franklin, 1982

[The Autobiography of Benjamin Franklin](#) Benjamin Franklin, 2005 The first book to belong permanently to literature. It created a man from the Introduction. Few men could compare to Benjamin Franklin. Virtually self-taught, he excelled as an athlete, a man of letters, a printer, a scientist, a wit, an inventor, an editor, and a writer, and he was probably the most successful diplomat in American history. David Hume hailed him as the first great philosopher and great man of letters in the New World. Written initially to guide his son, Franklin's autobiography is a lively, spellbinding account of his unique and eventful life. Stylistically, his best work, it has become a classic in world literature, one to inspire and delight readers everywhere.

[Benjamin Franklin ; His Life](#) Benjamin Franklin, 1897

**Autobiography of Benjamin Franklin** Frank Woodworth Pine, Benjamin Franklin, 2016-03-14 Benjamin Franklin is the traditional name for the unfinished record of his own life written by Benjamin Franklin from 1771 to 1790; however, Franklin himself appears to have called the work his *Memoirs*. Benjamin Franklin had a tortuous publication history; after Franklin's death, this work has become one of the most famous and influential examples of an autobiography ever written. In 1791, the first edition appeared in French rather than English as *Mmoires de la vie priv e de Benjamin Franklin* published in Paris. This translation of Part One only was based on a flawed transcript made of Franklin's manuscript before he had revised it. This French translation was then retranslated into English in two London publications of 1793, and one of the London editions served as a basis for a retranslation into French in 1798 in an edition which also included a fragment of Part Two. The first three parts of the *Autobiography* were first published together in English by Franklin's grandson, William Temple Franklin, in London in 1818 in Volume 1 of *Memoirs of the Life and Writings of Benjamin Franklin*. W. T. Franklin did not include Part Four because he had previously traded away the original holograph of the *Autobiography* for a copy that contained only the first three parts. Furthermore, he felt free to make unauthoritative stylistic revisions to his grandfather's autobiography, and on occasion followed the translated and retranslated versions mentioned above rather than Benjamin Franklin's original text. Benjamin Franklin text was the standard version of the *Autobiography* for half a century until John Bigelow purchased the original manuscript in France and in 1868 published the most reliable text that had yet appeared, including the first English publication of Part Four. In the 20th century, important editions were published by Max Ferrand and the staff of the Huntington Library in San Marino, California (*Benjamin Franklin's Memoirs: Parallel Text Edition*, 1949) and by Leonard W. Labaree (1964) as part of the Yale University Press edition of *The Papers of Benjamin Franklin*, which improved on Bigelow's accuracy. In 1981, J. A. Leo Lemay

and P M Zall produced The Autobiography of Benjamin Franklin A Genetic Text attempting to show all revisions and cancellations in the holograph manuscript This the most accurate edition of all so far published served as a basis for Benjamin Franklin s Autobiography A Norton Critical Edition and for the text of this autobiography printed in the Library of America s edition of Franklin s Writings The Autobiography of Benjamin Franklin also became the first full length recorded book in history The initial recorded release of Autobiography was voiced by actor Michael Rye and released in 1969 Blessed with enormous talents and the energy and ambition to go with them Franklin was a statesman author inventor printer and scientist He helped draft the Declaration of Independence and later was involved in negotiating the peace treaty with Britain that ended the Revolutionary War He also invented bifocals a stove that is still manufactured a water harmonica and the lightning rod Franklin s extraordinary range of interests and accomplishments are brilliantly recorded in his Autobiography considered one of the classics of the genre Benjamin Franklin by the author Benjamin Franklin is a great book highly recommended to read Subject franklin autobiography benjamin biography of best books ben the sellers by a franklins and seller free book constitution isaacson walter franklin s collection scientist selling paperback inventors leader s my america s his political history historical dictionary american freeman computer life issacson bio state on almanac for an

Autobiography of Benjamin Franklin illustrated Benjamin Franklin,2021-09-18 Autobiography of Benjamin Franklin illustrated Benjamin Franklin The Autobiography of Benjamin Franklin is the traditional name for the unfinished record of his own life written by Benjamin Franklin from 1771 to 1790 however Franklin himself appears to have called the work his Memoirs Although it had a tortuous publication history after Franklin s death this work has become one of the most famous and influential examples of an autobiography ever written Franklin s account of his life is divided into four parts reflecting the different periods at which he wrote them There are actual breaks in the narrative between the first three parts but Part Three s narrative continues into Part Four without an authorial break *Benjamin Franklin, American Genius* Brandon Marie Miller,2009-10-01 Benjamin Franklin was a 17 year old runaway when he arrived in Philadelphia in 1723 Yet within days he d found a job at a local print shop met the woman he would eventually marry and even attracted the attention of Pennsylvania s governor A decade later he became a colonial celebrity with the publication of Poor Richard An Almanack and would go on to become one of America s most distinguished Founding Fathers Franklin established the colonies first lending library volunteer fire company and postal service and was a leading expert in the study of electricity He represented the Pennsylvania colony in London but returned to help draft the Declaration of Independence The new nation then named him Minister to France where he helped secure financial and military aide for the breakaway republic Author Brandon Marie Miller captures the essence of this exceptional individual through both his original writings and hands on activities from the era Readers will design and print an almanac cover play a simple glass armonica a Franklin invention experiment with static electricity build a barometer and more The text also includes a time line glossary Web and travel resources and reading list

for further study **Benjamin Franklin** Hourly History,2016-11-14 Founding Father Benjamin Franklin came from humble beginnings to take his place in the annals of history as one of the most celebrated Americans ever to stand on the world stage The Boston apprentice who ran away because of his brother's ill treatment found his destiny in Philadelphia where he became a printer a scientist an author an inventor a politician and a citizen of the world Inside you will read about Born in Boston From Philadelphia to London Benjamin Franklin the Citizen Benjamin Franklin the Inventor Franklin and Colonial Politics Franklin the American Franklin The Conscience of America His inventions and his philosophies had the same ultimate goal to make the world a better place and Franklin achieved that goal Europeans saw him as a symbol of what America represented Franklin saw himself as the result of what America produced Pragmatism ruled his life and yet he believed passionately that it was the role of the government and the church to improve the world for all He has been called the first American but every American who followed owes something to this remarkable man who designed his own destiny

*Autobiography of Benjamin Franklin* Benjamin Franklin,2018-08-29 This account stands as a classic among autobiographies a compelling and easy read about a man who from lowly beginnings in Boston rose to become a hugely respected public servant writer scientist and inventor and who went on to play a key role in the American Revolution and the founding of the United States Franklin's autobiography published after his death is an unfinished collection of memoirs written over four different periods of his life It starts in the form of a letter to his son William and describes aspects of his childhood in Boston in the early 1700s and his move to Philadelphia where he set up a successful printing business The many contributions he made to public causes grew out of a strong sense of civic duty and a stringent work ethic that formed part of his plan for attaining moral perfection which is detailed in the second period The last two sections cover his impressive political and scientific work and give the reader an insight into the developing tensions between the American colonies and the British crown A polymath of immense standing Benjamin Franklin stands out as one of the most highly esteemed figures of the nineteenth century *Autobiography of Benjamin Franklin* is a record of the life of one of the most impressive people in the American history Franklin's autobiography although unfinished represents one of the most famous and influential examples of an autobiography ever written His book is the record of an unusual life told in his own unexcelled conversational style The *Autobiography* is Franklin's longest work and yet it is only a fragment of it The account of Franklin's life is divided in a manner that reflects the different periods in which he wrote them The first part written as a letter to his son William Franklin was not intended for publication the composition is more informal and the narrative more personal than in the second part from 1730 onward which was written with a view to publication Contents Ancestry and Early Life in Boston Beginning Life as a Printer Arrival in Philadelphia First Visit to Boston Early Friends in Philadelphia First Visit to London Beginning Business in Philadelphia Business Success and First Public Service Plan for Attaining Moral Perfection Poor Richard's Almanac and Other Activities Interest in Public Affairs Defense of the Province Public Services and Duties Albany

Plan of Union Quarrels with the Proprietary Governors Braddock's Expedition Franklin's Defense of the Frontier Scientific Experiments Agent of Pennsylvania in London Electrical Kite The Way to Wealth The Whistle A Letter to Samuel Mather

Autobiography of Benjamin Franklin Benjamin Franklin, 2015-10-05 The Autobiography of Benjamin Franklin is the traditional name for the unfinished record of his own life written by Benjamin Franklin from 1771 to 1790 however Franklin himself appears to have called the work his Memoirs Although it had a tortuous publication history after Franklin's death this work has become one of the most famous and influential examples of an autobiography ever written Franklin's account of his life is divided into four parts reflecting the different periods at which he wrote them There are actual breaks in the narrative between the first three parts but Part Three's narrative continues into Part Four without an authorial break only an editorial one

**Benjamin Franklin, the Autobiography** Benjamin Franklin, 2015-05-15 Either write something worth reading or do something worth writing Benjamin Franklin Best known for being one of the founding fathers of the United States of America Benjamin Franklin was also hailed as the first great philosopher and great man of letters of the New World A man of wide ranging interests he gained renown as an author printer scientist civic activist and diplomat all the more creditable given that he had little by way of formal education This book is an inspirational and unique account of one of the most versatile and talented men in colonial America

**The Autobiography of Benjamin Franklin** Benjamin Franklin, 2014-04-30 There will be sleeping enough in the grave Benjamin Franklin The Autobiography of Benjamin Franklin The Autobiography of Benjamin Franklin is the traditional name for the unfinished record of his own life written by Benjamin Franklin from 1771 to 1790 however Franklin himself appears to have called the work his Memoirs Although it had a tortuous publication history after Franklin's death this work has become one of the most famous and influential examples of an autobiography ever written Franklin's account of his life is divided into four parts reflecting the different periods at which he wrote them There are actual breaks in the narrative between the first three parts but Part Three's narrative continues into Part Four without an authorial break only an editorial one Reactions to the work Franklin's Autobiography has received widespread praise both for its historical value as a record of an important early American and for its literary style It is often considered the first American book to be taken seriously by Europeans as literature William Dean Howells in 1905 asserted that Franklin's is one of the greatest autobiographies in literature and towers over other autobiographies as Franklin towered over other men However Mark Twain's essay The Late Benjamin Franklin 1870 provides a less exalted reaction albeit somewhat tongue in cheek for example claiming that his example had brought affliction to millions of boys since whose fathers had read Franklin's pernicious biography D H Lawrence wrote a notable invective against Middle sized sturdy snuff coloured Doctor Franklin in 1923 finding considerable fault with Franklin's attempt at crafting precepts of virtue and at perfecting himself Nevertheless responses to The Autobiography have generally been more positive than Twain's or Lawrence's with most readers recognizing it as a classic of literature and relating to the narrative voice of the author In this

work Franklin's persona comes alive and presents a man whose greatness does not keep him from being down to earth and approachable who faces up to mistakes and blunders Errata he has committed in life and who presents personal success as something within the reach of anyone willing to work hard enough for it Benjamin Franklin Benjamin Franklin,1891

**Becoming Benjamin Franklin** Ormond Seavey,1988 This is the first book to examine Franklin's Autobiography systematically in relation to the life history from which it was drawn It also considers the Autobiography in terms of eighteenth century conventions of autobiography and Enlightenment conceptions of the self Seavey emphasizes the cultural and historical importance of Franklin as a writer Unlike most historians treatments of Franklin this study sees Franklin's activity as author of his own life history as central to his importance thus locating Franklin's life in the history of self consciousness in the eighteenth century Unlike conventional approaches to biography Seavey's study sets apart the Autobiography and its provenance for special focus However like a biography this is also a study of Franklin's personality as it developed from his birth in Boston to his death His own self understanding has posed a particular challenge to the students of his life The great impediment to biographies of Franklin is that he took charge of the territory first He was intensely aware of his own identity all his life and this book takes a more comprehensive view of his writings as manifestation of a developing self

### **Benjamin Franklin His Life Introduction**

In the digital age, access to information has become easier than ever before. The ability to download Benjamin Franklin His Life has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Benjamin Franklin His Life has opened up a world of possibilities. Downloading Benjamin Franklin His Life provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Benjamin Franklin His Life has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Benjamin Franklin His Life. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Benjamin Franklin His Life. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Benjamin Franklin His Life, users should also consider the potential security risks associated with online

platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Benjamin Franklin His Life has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

### FAQs About Benjamin Franklin His Life Books

1. Where can I buy Benjamin Franklin His Life books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
