Levinson, 1999-11-18 Swing is back in style and with it a renewed interest in the Big Band Era And few players dominated that era more than Harry James whose soaring trumpet solos and romantic hit tunes influenced popular music for a generation Now Peter J Levinson who knew Harry James personally has written a revealing biography of this jazz icon based on nearly 200 interviews with musicians and friends Harry James led a truly colorful life and in *Trumpet Blues* Levinson captures it all Beginning with James s childhood in a traveling circus we follow the young trumpeter s meteoric rise in the 1930s and witness his electrifying performances with the Benny Goodman Orchestra We see how James formed his own band in 1939 an incubator for many pop music stars of the 1940s and 50s including Frank Sinatra Connie Haines Dick Haymes Helen Forrest and Kitty Kallen Combined with James s superb musicianship peerless trumpet technique and talented sidemen this stellar group dominated the war years and the immediate post war period And James himself especially after his marriage to film goddess Betty Grable became one of America s most famous personalities and lived like true Hollywood royalty Levinson describes their twenty two year marriage with insight and sympathy But he shows how James s marriage and his triumphant late 1950s comeback in Nevada s casinos were slowly undermined by his penchant for compulsive gambling womanizing and alcoholism He gives us the inside story of James s sybaritic life style and probes the profound psychological reasons for James s destructive behavior The first biography ever written on Harry James *Trumpet Blues* is a scintillating portrait of Swing s brightest star his life his loves and the music that defined an era [The George Gershwin Reader](#) Robert Wyatt, John Andrew Johnson, 2007 A collection of articles biographical reminiscences reviews musical analyses and letters relating to the life and music of George Gershwin **Billboard**, 1953-01-03 In its 114th year *Billboard* remains the world s premier weekly music publication and a diverse digital events brand content and data licensing platform *Billboard* publishes the most trusted charts and offers unrivaled reporting about the latest music video gaming media digital and mobile entertainment issues and trends [Goldmine Standard Catalog of American Records, 1950-1975](#) Tim Neely, 2002 Record expert Neely profiles nearly 175 000 45s LPs extended play singles and 12 inch singles by artists whose first record was issued in 1975 or earlier 200 photos 8 page color section **Records & Briefs New York State Appellate Division**, **Encyclopedia of Great Popular Song Recordings** Steve Sullivan, 2013-10-04 From John Philip Sousa to Green Day from Scott Joplin to Kanye West from Stephen Foster to Coldplay The *Encyclopedia of Great Popular Song Recordings* Volumes 1 and 2 covers the vast scope of its subject with virtually unprecedented breadth and depth Approximately 1 000 key song recordings from 1889 to the present are explored in full unveiling the stories behind the songs the recordings the performers and the songwriters Beginning the journey in the era of Victorian parlor balladry brass bands and ragtime with the advent of the record industry readers witness the birth of the blues and the dawn of jazz in the 1910s
