Bereavement Of Physical Disability

Mark Steyvers

Bereavement Of Physical Disability:

Bereavement of Physical Disability John A. Downey, Georgia Riedel, Austin H. Kutscher, 1982 **Dying and Disabled Children** Harold M. Dick, 1988 In this sensitive and compassionate look at terminally ill and disabled children professionals from the medical community examine the stresses faced by their parents and siblings They address the crucial element of communication within a family and between health care providers and family members in dealing with a child s serious illness Ethical decision making learning to recognize the child s suffering and talking to children about death are honestly and clearly discussed Experts offer direct interventions to help family members through the grieving process once a child has died Grief, Loss and Bereavement Peter Wimpenny, John Costello, 2013-03-01 Dealing with the social experience of grief loss and bereavement are challenging areas for everyone including health and social care practitioners who are often well placed to offer help and support to the bereaved This book draws together a comprehensive range of worldwide evidence for understanding and supporting the bereaved in a variety of health and social care contexts It can be used by practitioners from a wide range of backgrounds in both health and social care to gain an appreciation of bereavement and its associated support and care Additionally it can be used for personal and professional development by practitioners who want to enhance their own and others practice with the bereaved in specific contexts or organisations The book may also be of value to those undertaking post graduate study who want to gain a wider understanding of the evidence related to bereavement and bereavement care practice in health and social care and may be seeking to add to the body of evidence in this field

Dying, Death, and Grief Michael A. Simpson, 1987 Listing of over 1700 books published mostly since 1979 Most entries are annotated Main section is arranged alphabetically by titles separate sections cover murder terrorism and political uses of death and nuclear holocaust and megadeath Entries are rated with one to five asterisks Author subject categories indexes

The Boston Medical and Surgical Journal , 1911 **The Forgotten Aged** T.L. Brink, 2020-03-12 This helpful book explores mental health issues relating to elders who do not fit into the usual mold for research white married or widowed urban or suburban persons with adult children The Forgotten Aged focuses on those groups of elders often overlooked in gerontological literature elder African Americans rural aged gay and lesbian aged parents of developmentally disabled offspring older developmentally disabled persons themselves and orphan elders those who do not have close family members who can serve as caretakers The book offers how to advice on issues such as outreach intervention residential placement and transition assessment psychotherapy and team building to help readers learn effective ways of helping elderly persons from these various groups With an optimistic tone it explores how more attention and resources combined with flexible modifications of programs and practices can yield favorable results for everyone involved In *The Forgotten Aged* authors examine a variety of pertinent topics including assessment of dementia and depression in African Americans multidisciplinary team outreach to elderly living in rural areas therapeutic issues with gay and lesbian aged residential transitions for

developmentally disabled elderly helping aging parents of developmentally disabled offspring intervention with orphan elderly with Alzheimer s disease Social workers psychologists psychiatrists geriatricians nurses and counselors involved in providing support and care for elderly persons will find *The Forgotten Aged* a useful guide in their daily work and decisionmaking This book can also serve as an enlightening supplementary text in courses that study aging and the elderly

Everyone Grieves Marc A. Markell Ph.D. CT,2013-11-12 The book consists of seven stories about children adolescents and young adults with disabilities who experience a death loss There are stories about individuals with cognitive disabilities emotional and behavioral disabilities autism and physical disabilities Each story includes ideas and rituals that care providers may be able to use to help others who are grieving

Depression and Older People Godfrey, Mary, Tracy Denby,2004 The literature on depression in old age has tended to be dominated by the medical model with its focus on symptoms and treatment This report breaks new ground by adopting a psycho social approach one that explores depression in the context of the everyday lives of older people Commissioned by Help the Aged the report reviews the nature and scope of the evidence base around depression and older people evaluates current policy and practice responses and identifies gaps in the evidence base and areas for further work Depression and older people is invaluable reading for anyone involved in the management and delivery of services to older people as well as academics students and researchers in the field It will also be of interest to older people themselves
