ZERO-CAPITAL DIGITAL HUSTLES FOR BEGINNERS SAM MONDE, Most people don't fail online because they're lazy. They fail because they don't know where and how to start. Zero Capital Digital Hustles for Beginners was created for people who want to earn online but don't have startup money, technical skills, or time to gamble on guesswork. This book shows you realistic ways to earn online using what you already have: Your phone, your time, and your willingness to learn. These are all you need to start earning online. This book keeps things simple. You'll learn real ways beginners are earning online without spending a single dollar. No product creation. No ads. No complex systems. Inside the book, you'll find digital hustles you can start with zero capital. Platforms that welcome beginners. Clear explanations, not jargon. Practical steps you can follow immediately. Strategies that work even with zero followers. Everything is broken down in a friendly, easy-to-read style. Short sections. Clear direction, no confusion. If you're serious about building income online but want a realistic path, this book was written for you. Not someday. Not when you have money. It is now.

How to Become a Data Analyst Annie Nelson, 2023-11-23. Start a brand new career in data analytics with no nonsense advice from a self-taught data analytics consultant. In *How to Become a Data Analyst: My Low-Cost, No-Code Roadmap for Breaking into Tech*, data analyst and analytics consultant Annie Nelson walks you through how she took the reins and made a dramatic career change to unlock new levels of career fulfillment and enjoyment. In the book, she talks about the adaptability, curiosity, and persistence you'll need to break free from the 9-5 grind and how data analytics, with its wide variety of skills, roles, and options, is the perfect field for people looking to refresh their careers. Annie offers practical and approachable data portfolio building advice to help you create one that's manageable for an entry-level professional but will still catch the eye of employers and clients. You'll also find deep dives into the learning journey required to step into a data analytics role. Ways to avoid getting lost in the maze of online courses and certifications you can find online while still obtaining the skills you need to be competitive. Explorations of the highs and lows of Annie's career change journey and job search, including what was hard, what was easy, what worked well, and what didn't. Strategies for using ChatGPT to help you in your job search. A must-read roadmap to a brand new and exciting career in data analytics. *How to Become a Data Analyst* is the hands-on tutorial that shows you exactly how to succeed.
