NIGHTTIME SPECTACULARS

Disney Spectaculars

Seungwon Lee, Joe Goldblatt

Disney Spectaculars:

Rise of the Spectacular John Hannigan, 2021-08-29 In this prequel to *Fantasy City Pleasure and Profit in the Postmodern Metropolis* 1998 his acclaimed book about the post industrial city as a site of theming branding and simulated spaces sociologist John Hannigan travels back in time to the 1950s Unfairly stereotyped as the tranquilized decade America at mid century hosted an escalating proliferation and conjunction of spectacular events spaces and technologies Spectacularization was collectively defined by five features It reflected and legitimated a dramatic increase in scale from the local regional to the national It was mediated by the increasingly popular medium of television It exploited middle class tension between comfortable conformity and desire for safe adventure It celebrated technological progress boosterism and military power It was orchestrated and marketed by a constellation sometimes a coalition of entrepreneurs and dream merchants most prominently Walt Disney In this wide ranging odyssey across mid century America Hannigan visits leisure parks Cypress Gardens parades Tournament of Roses mega events Squaw Valley Olympics Century 21 Exposition architectural styles desert modernism innovations underwater photography circular film projection and everyday wonders chemistry sets Collectively these fashioned the spectacular gaze a prism through which Americans in the 1950s were acculturated to and conscripted into a vision of a progressive technology based future *Rise of the Spectacular* will appeal to architects landscape designers geographers sociologists historians and leisure tourism researchers as well as non academic readers who are by a fascinating era in history *Disney Parks and the Construction of American Identity* Jennifer A. Kokai, Tom Robson, 2024-08-26 Writing in a time of heightened political anxiety and when accusations of nationalism authoritarianism and proto fascism have increasingly divided Americans into factions the authors use their influential performance studies based tourist as actor framework to unpack the ways that Disney parks and their guests co create performance of implicit Americanness in the 21st century This book argues that the roles that guests choose to perform accepting declining negotiating or overwriting scripts offered to them by the Disney theme park experience ultimately reveals much about the nature of the contemporary United States Focusing primarily on Walt Disney World in Florida and using case studies on music geography and ecology sports families and politics these chapters illuminate the always complicated and often contradictory presentations and performances of America within Disney parks in the deeply contested twenty first century **Consuming Innocence** Karen Brooks, 2008 This is an academic look at the contribution of popular culture to the loss of innocence in today's children Publisher **Disney Insider Yearbook** Disney Press TK, 2006-03-23 An entertaining informative and authoritative review of a remarkable year with The Walt Disney Company a preview of the exciting months to come and an indispensable keepsake for Disney fans of all ages Back cover *Prince of the Magic Kingdom* Joe Flower, 1991 The inside story of one of America's most creative CEOs and how he brought Disney back from the brink From the glitz of Hollywood to the power brokers of Wall Street *Prince of the Magic Kingdom* chronicles the dramatic

turnaround of the Disney corporation 15 photographs **Everything Family Gd Disney/Universal Studios & Greater Orlando** Jason Rich,2004-09-17 Families can now Navigate the parks and the Orlando area Learn how to save money with helpful tips and planning information Plan ahead for age appropriate attractions and rides Know where to stay for convenient access to all the area s attractions *Special Events* Seungwon Lee,Joe Goldblatt,2020-08-04 Recent years have seen dramatic changes to the events industry The influence of social media and global communications technology increased focus on environmental sustainably and social responsibility and changes to the economic and cultural landscape have driven rapid expansion and increased competition *Special Events Creating and Sustaining a New World for Celebration* has been the event planner s essential guide for three decades providing comprehensive coverage of the theory concepts and practice of event management The new Eighth Edition continues to be the definitive guide for creating organizing promoting and managing special events of all kinds Authors Seungwon Shawn Lee and Joe Goldblatt internationally recognized leaders and educators in the industry guide readers through all the aspects of professional event planning with their broad understanding of diverse cultures and business sectors This definitive resource enables current and future event leaders to stretch the boundaries of the profession and meaningfully impact individuals organizations and cultures around the globe Global case studies of high profile events such as the PyeongChang Winter Olympic Games and Norway s Constitution Day annual event complement discussions of contemporary issues surrounding safety security and risk management Each chapter includes Ecologic Techview and or Secureview mini case studies a glossary of terms plentiful charts graphs and illustrations and links to additional online resources *Moon Handbooks Southern California* Kim Weir,2005-11-29 Local author Kim Weir can tell you where to sign up for surfing lessons along San Diego s beautiful stretch of coastline climb never ending sand dunes in Death Valley hike sacred canyons near Palm Springs and explore collections at the Pasadena Museum of California Art *Moon Handbooks Southern California* helps you have a truly personal experience on or off the beaten path Suggested travel strategies and lists of must see sights provide you with real insights so you can decide where you should go stay and eat without hassles or regrets This best selling guide is now in its third edition and is better than ever Kim shows you where trek climb mountain bike and boat through the desert mountains and ocean Complete with maps photographs illustrations and special emphasis on leading destinations such as Hollywood San Diego Los Angeles Death Valley Palm Springs and more *Moon Handbooks Southern California* has the tools you need to create your own unique trip *Econoguide to Disney World* Corey Sandler,1993 **Are We There Yet?** Susan Sessions Rugh,2008 An entertaining cultural history of the American family vacation during the height of its popularity from 1945 to 1973 Reveals the ways in which the ritual of the family road trip for most middle class Americans became a way of defining what it meant to be and become American **Once Upon an American Dream** Andrew Lainsbury,2000 Branded a cultural Chernobyl and the tragic kingdom the Euro Disney Resort has been on its own thrill ride since opening in 1992 The much publicized version of the Magic Kingdom gave Europeans alcohol

free mocktails surly employees even colors too muted for the Disney image Facing financial disaster was it any wonder that Disney execs found themselves wishing upon a star for answers After so many knee jerk criticisms of Euro Disney this book combines firsthand experience and research to shed new light on claims that the park is nothing more than a form of American cultural imperialism Andrew Lainsbury a former Euro Disney employee who knows what the park meant to its visitors goes beyond media bites and academic scorn to examine Europe s love hate relationship with Euro Disneyland and some of the undiscussed issues surrounding it Once Upon an American Dream is a story of global capitalism on a grand scale Lainsbury has plumbed company archives and interviewed key players to give readers the real view from Le Chateau de la Belle au Bois Dormant Sleeping Beauty s Castle He cracks open the Euro Disney controversy to reveal the park not as a tragic experiment in exporting American culture but the result of European efforts to import a popular form of American entertainment Lainsbury tells how the Walt Disney Company came to build a European park and locate it in France how political negotiations affected its design and development how it was promoted to continental audiences and what caused its widely publicized financial woes before being rescued by a real prince from Saudi Arabia He reveals what it took to win back the hearts of skeptical Europeans such as serving wine selling flashy merchandise and placating disgruntled workers Finally he looks into the magic mirror to speculate on the role of Euro Disney and the Walt Disney Company in the twenty first century Ultimately Lainsbury shows that cultural imperialism is not an exclusively American phenomenon but a global corporate strategy and that global corporatism by needing to be responsive to consumers is so complex that it may not be as monolithic as feared Once Upon an American Dream is a fairy tale for our times reminding us that for all the critical huffing and puffing the creation and marketing of pleasure is what Euro Disneyland is all about

Birnbaum's Walt Disney World Without Kids Pamela S. Weiers,1995-11 Finally an exciting new guide that helps adult visitors to Walt Disney World make the most out of their trip Focusing on the resorts attractions restaurants and special places that adults enjoy this essential handbook offers a wealth of insider tips and up to the minute information including extensive coverage of the fabulous nightlife Color throughout *Lighting Dimensions* ,1988 *Hybridity, Mimesis, and Ethnicity* Frederick Luis Aldama,1999 **Corporate Meetings & Incentives** ,1997-07 *Spectacle* ,2008 *Restaurant/hotel Design International* ,1990 *Frommer's Florida 99* Bill Goodwin,Victoria P. Elliot,Mary Meehan,1998 Miami and Orlando continue to break records and the strong performances of the cruise industry and Walt Disney World promise to usher in another banner year Disney s new Animal Kingdom opened earlier this year and is sure to draw even more visitors From magic on land to magic on sea Carnival Cruise Lines has added the 1 100 passenger Tropicale sailing from Tampa on four and five day cruises to Key West and the Caribbean Previous Edition ISBN 002861657X **The Santa Fe Magazine** ,1969

Designing Disney's Theme Parks Centre canadien d'architecture,1997 From the day it opened in July 1955 in an event given live TV coverage Disneyland has been a key symbol of contemporary American culture It has been both celebrated and

attacked as the ultimate embodiment of consumer society a harbinger of shopping mall culture a symbol of American hegemony in entertainment the epitome of fantasy simulation pastiche and the blurring of distinctions between reality and mass media imagery Yet for all the power of Disneyland as metaphor almost no one has discussed the making of this unique place with its far flung colonies in Florida Japan and France Written to accompany an exhibition at the Canadian Centre for Architecture in Montreal *Designing Disney's Theme Parks: The Architecture of Reassurance* is the first book to look beyond the multiple myths of Disneyland Uniting a roster of authors chosen from wide ranging disciplines this study is the first to examine the influence of Disneyland on both our built environment and our architectural imagination Tracing the relationship of the Disney parks to their historical forbears it charts Disneyland's evolution from one man's personal dream to a multinational enterprise a process in which the Disney magic has moved ever closer to the real world Editor Karal Ann Marling Professor of Art History and American Studies at the University of Minnesota draws upon her pioneering work in the Disney archives to reconstruct and analyze the intentions and strategies behind the parks She is joined by Marty Sklar Vice Chairman and Principal Creative Executive of Walt Disney Imagineering historian Neil Harris art historian Erika Doss geographer Yi Fu Tuan critic Greil Marcus and architect Frank Gehry to provide a unique perspective on one of the great post war American icons
