

John Smith wasn't with the settlers when the fighting broke out. He was with Pocahontas. As they talked, Meeko suddenly ran off with John's compass.

"What is that?" asked Pocahontas.

"That's a compass," said Smith. "It helps you find your way when you are lost. I'll get another one in London."

Then John told Pocahontas about the streets and grand buildings of London. "We can help you," he said. "We can help you see the world."

Suddenly Pocahontas realized that the white man's world was about her world. She told John that the spirit of the creature had a life, a spirit.
