Dispatches From The Cold:

Dispatches from the Cold Leonard Chang, 2009-07 What would you do if strange letters began appearing in your mail box Read them When the unnamed narrator of this novel opens misdirected letters he enters the harsh disturbing world of Farrel Gorden Gorden an assistant manager in a sporting goods store near New Hampshire hates his new Korean American boss and is on the verge of losing control of his hatred As we watch the narrator reconstruct the recent events in Gorden s life including an affair with his boss wife and the wrenching consequences that follow the paths of these two disparate characters letter reader and letter writer converge violently as each intrudes on the life of the other This is a story that blurs the distinction between the real and the imaginary the violent and the mundane and negotiates the exterior world and interior workings of a vengeful mind Chang narrates his passionate downbeat tale with naturalistic distance and an authentic even microscopic grasp of the dead end world Farrel Gorden inhabits Chang is an exceptionally talented writer Kirkus Reviews
