Dispossessed Daughters Of Eve:

Dispossessed Daughters of Eve Susan Dowell, 1988-06-01 **Dispossessed Daughters of Eve** Susan Dowell, Linda Hurcombe, 1987-01 **ThirdWay**, 1981-04 Monthly current affairs magazine from a Christian perspective with a focus on politics society economics and culture **Challenging Women's Orthodoxies in the Context of Faith** Susan Frank Parsons, 2019-07-31 This title was first published in 2000 Most of the papers in this volume were given at a day conference held at Heythrop College aimed at discussing challenging women's orthodoxies in the context of faith The book acts as an indication that gender matters in the understanding and living of faith *De VSV. Études de syntaxe latine offertes en hommage à Marius Lavency* Charlotte Methuen, 1999 Peeters 2004 **Sex, Gender, and Religion** Diana Neal, Josephine Elizabeth Grey Butler, 2006 Original Scholarly Monograph *Reformation Marriage* Michael Parsons, 2011-09-15 For centuries its critics have argued that the Reformation was all about sex Beyond the caricature there is something significant in the observation The theological revolution which began in Wittenberg and engulfed so much of early modern Europe was not confined to the cloister of the university it had an immediate and palpable impact on everyday life Historians such as Steven Ozment have done much to bring this dimension of the Reformation's impact into full view Michael Parsons' important study *Reformation Marriage* continues this exploration Aware of appeals made to the teaching of the Reformers by both sides of contemporary debates about gender and relational issues Dr Parsons allow us to hear Luther and Calvin for ourselves locating their comments about family life against the background of medieval teaching on the subject and placing them in the context of each man's wider theological concerns Here is careful and accessible scholarship that challenges popular misunderstandings about the contribution of the Reformation in this area Mark D Thompson Moore Theological College Sydney Australia In the only book specifically on the subject to date Michael Parsons investigates the theology of marriage in the writings of Martin Luther and John Calvin carefully examining a daunting breadth of the Reformers' theological exegetical and homiletic works He concentrates on the role of the wife in the conjugal relationship but avoids the common polarity between the modern feminist critique of the woman's role in a Christian understanding of marriage and society and those who simply ignore the gender difference between man and woman While appreciating the questions raised by the modern liberationist and feminist scholars of the Reformers Parsons believes they have generally failed to deal with the corpus of the Reformers in a sufficiently nuanced way On the other hand unlike some scholars who want to rescue these Reformers from contemporary criticism Parsons carefully argues from wide primary evidence that neither Luther nor Calvin envisaged modifying the traditional hierarchical structure of marriage or the subordinationist conjugal relationship between man and woman He refuses to turn the Reformers into pro twenty first century thinkers much as we might like them to conform more readily to our own contemporary attitudes His interpretation therefore injects a much needed dimension of historical realism into the ongoing scholarly debate on the Reformers' social theology Rowan Strong Murdoch University Perth Western

Australia **The Image, the Depths and the Surface** Susan Gillingham,2002-09-01 The purpose of this book is to illustrate that reading is a subjective process which results in multivalent interpretations This is the case whether one looks at a text in its historical contexts the diachronic approach or its literary contexts the synchronic approach Three representative texts are chosen from the Law Genesis 2 3 the Writings Isaiah 23 and the Prophets Amos 5 and each is read first by way of historical analysis and then by literary analysis Each text provides a number of variant interpretations and raises the question is any one interpretation superior What criteria do we use to measure this Or is there value in the complementary nature of many approaches and many results **The New Eve in Christ** Mary Hayter,1987 Crucible,1982 Sociological Analysis ,1987 **A New Dictionary of Christian Ethics** John Macquarrie,1986 **The British Library General Catalogue of Printed Books, 1986 to 1987** British Library,1988 Religion Index One ,1981 The Catholic Periodical and Literature Index ,1983 Book Review Index ,1987 Every 3rd issue is a quarterly cumulation **A Dangerous Delight** Monica Furlong,1991 *Sacred Space* Steve Brie,Jenny Dagers,David Torevell,2009 The identification and positioning of sacred space within contemporary contexts has to date received scant attention In reflecting upon a broad spectrum of conceptions of what constitutes sacred space this collection of interdisciplinary essays presents a new perspective on an area that is developing into an important theological and philosophical concept **Bookseller and the Stationery Trades' Journal** ,1981 **A Woman's Work** Anne Borrowdale,1989
