**PEOUSHI** Michael McWilliams,2015-04-07 PEOUSHI by Michael F McWilliams **Meteorology** Alexander Ebenezer McLean Geddes,1921 **Listening to War** J. Martin Daughtry,2015-09-01 To witness war is in large part to hear it And to survive it is among other things to have listened to it and to have listened through it Listening to War Sound Music Trauma and Survival in Wartime Iraq is a groundbreaking study of the centrality of listening to the experience of modern warfare Based on years of ethnographic interviews with U S military service members and Iraqi civilians as well as on direct observations of wartime Iraq author J Martin Daughtry reveals how these populations learned to extract valuable information from the ambient soundscape while struggling with the deleterious effects that it produced in their ears throughout their bodies and in their psyches Daughtry examines the dual edged nature of sound its potency as a source of information and a source of trauma within a sophisticated conceptual frame that highlights the affective power of sound and the vulnerability and agency of individual auditors By theorizing violence through the prism of sound and sound through the prism of violence Daughtry provides a productive new vantage point for examining these strangely conjoined phenomena Two chapters dedicated to wartime music in Iraqi and U S military contexts show how music was both an important instrument of the military campaign and the victim of a multitude of violent acts throughout the war A landmark work within the study of conflict sound studies and ethnomusicology Listening to War will expand your understanding of the experience of armed violence and the experience of sound more generally At the same time it provides a discrete window into the lives of individual Iraqis and Americans struggling to orient themselves within the fog of war Desert of Deceit - Hardcover Edition Gavin Parmar,2008-06-25 It is the spring of 2011 and a nuclear armed Iran has just taken another frightening step forward on the global stage An undercover CIA agent discovers the Iranians have been secretly shipping spent nuclear fuel rods away to a secret reprocessing plant UN Inspectors are immediately expelled from the country as the Iranians prepare for war The embattled American President is severely tested in the explosive situation while the CIA struggles to defuse the situation But its effectiveness is quickly tempered following the revelation of a mole This mole in the highest levels of the company is leaking information to America s enemies Events spiral out of control when the Iranians acquire advanced F 18E fighters which will soon be transporting thermonuclear bombs Targets are randomly attacked as they flex their newfound muscle Overwhelmed Black Ops and an embattled CIA are the only hope as the world plunges forward towards nuclear war in the Desert of Deceit Zulu Victory Ron Lock,Peter Quantrill,2015-11-19 A densely detailed account of the 1879 Zulu defeat of the British portrays a complex and interesting segment of British African history Library Journal The battle of Isandlwana a great Zulu victory was one of the worst defeats ever to befall a British Army At noon on 22 January 1879 a British camp garrisoned by over 1700 troops was attacked and overwhelmed by 20 000 Zulu warriors The defeat of the British armed with the most modern weaponry of the day caused disbelief and outrage throughout Queen Victoria s England

The obvious culprit for the blunder was Lieutenant General Lord Chelmsford the defeated commander. Appearing to respond to the outcry he ordered a court of inquiry. But there followed a carefully conducted cover up in which Chelmsford found a scapegoat in the dead most notably in Colonel Anthony Durnford. Using source material ranging from the Royal Windsor Archives to the oral history passed down to the present Zulu inhabitants of Isandlwana this gripping history exposes the full extent of the blunders of this famous battle and the scandal that followed. It also gives full credit to the masterful tactics of the 20 000 strong Zulu force and to Ntshingwayo kaMahole for the way in which he comprehensively out generalled Chelmsford. This is an illuminating account of one of the most embarrassing episodes in British military history and of a spectacular Zulu victory. The authors superbly weave the excitement of the battle the British mistakes the brilliant Zulu tactics and the shameful cover up into an exhilarating and tragic tale. A must for anyone interested in the Zulu War. Highly recommended. *British Army Review* Nature Sir Norman Lockyer, 1918 Land and Water, 1916 Through Egypt in War-time Martin Shaw Briggs, 1918. In the good old days before the war Egypt was the happy hunting ground of millionaires. Now we of the E E F have entered their preserve in our hundreds of thousands obtaining admission by the simple expedient of donning a khaki uniform. We too have danced to Shepherds band and have sentimentalised over the Sphinx by moonlight. The wealthy tourists stayed in Cairo in Luxor and in Assouan doing their sight seeing from the deck of a comfortable steamer on the Nile. Many of us have lived in Cairo or in Alexandria most of us have seen something of those cities during our local leave and a fortunate few have visited Luxor and even Assouan. But the steamers ceased running long ago and now the millionaires haunt the hotels no more. The Egypt we know is very different from the tourist s Egypt. During 1916 most of us were encamped on the bare sands of Sinai on the unknown Libyan coast in remote oases far out in the western desert or in little mosquito ridden towns on the Nile. In 1917 we marched into Palestine and spent the summer in the dusty barley fields outside Gaza or on the banks of the desolate Wadi Ghuzze. Travel books describing Egypt and Palestine exist in hundreds but they dismiss in a few lines the places we know best. The object of this volume is to picture Egypt as the soldier has seen it from Sollum on the borders of Tripoli to Gaza in Palestine and from the Mediterranean to the First Cataract at Assouan. It has no military significance for it only records the trivial doings of a non combatant who has had the unusual experience of having lived in nearly all the camps occupied at various times by the E E F. This book has been prepared under unfavourable conditions during constant travelling involving many interruptions. p 5 *International Military Digest*, 1917

Inside he finds three corpses and is

astonished when he recognises one of them as a fellow officer Gerard Bretherton the more so since Bretherton is wearing the uniform of a German general The story of how Bretherton met his fate is built up over a two year period over the rest of the narrative The story is told from the points of view of several of Bretherton s friends and acquaintances *Symons's Monthly Meteorological Magazine* ,1920 **The Sentimentalists** Dale Collins,1927 With British Guns in Italy Hugh Dalton Baron Dalton,1919 **Marching on Tanga** Francis Brett Young,1917
