Distant Dreams:

Distant Dreams (Ribbons of Steel Book #1) Judith Pella, Tracie Peterson, 2009-08-01 The year is 1835 and Carolina Adams finds herself enchanted by an unlikely suitor the railroad Frustrated by society's expectations upon her gender she longs to study more masculine subjects and is thrilled when her father grants her a tutor James Baldwin arrives to serve as Carolina's teacher but of more importance he is to court Carolina's beautiful older sister Virginia Will expectations and Virginia's southern charm elicit the hoped for proposal Or will James and Carolina dare to acknowledge the mutual interests and feelings growing between them

Poems From An Adolescent Mind David Hallows, 2009-10-26 A collection of poems written by a student throughout his hectic adventure as a boy A great collection of diverse poems which span happiness to hatred With over 80 pages of excitement drama and joy this collection unravels into a roller coaster in which you can enjoy as much as David did when he lived the experiences The poems are written as his life pans out through moving across seas losing friends leaving school and so on Get ready to embark on a journey in which you can experience The Lonely Scum Thinks Alone Jacob Tobias, 2013-10-23 23 lyrics poems written by Jacob Tobias during 1999 whilst being subjected to homophobic bullying at school

Millennial Hospitality Iv Charles James Hall, 2007-10-30 In the first three volumes of his memoirs concerning experiences while serving at Nellis Air Force Base Charles Hall gave astonishing testimony of having met with Tall White extraterrestrials located at a secret underground facility at Nellis Three independent witnesses have come forward to confirm important parts of Hall's testimony Hall is a credible witness of extraterrestrials having reached agreements with military officials This fourth volume offers more startling details that help confirm his experiences and help usher in new era of official disclosure of extraterrestrial life Micheal E Salla Ph D President and Founder The Exopolitics Institute Charles Hall's report Millennial Hospitality I III of his encounters and deep interactions with tall humanoid beings living on the Earth remains without serious challenge to this day And this is remarkable as its implications are so radical they reveal an entrenched presence in the American Southwest that predates the arrival of Euro Americans in the area and that continues with covert protection and support from the government while maintaining communications with a distant home location Hall's powerful and entirely self consistent narrative filled with surprising and revealing detail is so impressive that I have chosen it as the only example of modern human ET contact to receive major coverage in my web pages Gerry Zeitlin Open Seti Initiative It is possible that eventually the story Charles Hall tells will be seen as a pivotal moment in UFOlogy His story has become the key to linking a disparate series of reports encounters and claims that have circulated in UFO circles without a home for many years This fourth and final account gives us the most detailed look ever into one aspect of a covert military alien liaison that has been underway for decades Essential reading
