Distrust Of Authority An Anthology Of Dissent:

Distrust of Authority Anita Wilkes Dore, Stanley Gotlin, 1981-01-01 Encyclopedia of the American Military John E. Jessup, 1994 Annotation Spanning almost four centuries this set chronicles the evolution of the American military from Colonial times to the 1990s Social Conditions in the United States Mary A. Vance, 1985 **Public Administration Series--Bibliography** , 1985 First Amendment Anthology Donald E. Lively, Dorothy E. Roberts, Russell L. Weaver, 1994 The extent and quality of First Amendment literature provides a significant challenge to the selection process that ultimately defines an anthology Content decisions for this anthology have been driven by concern with a work s accessibility to students capacity to generate critical reflection and potential for stimulating classroom discussion The aim of the editing process has been to reconcile imperatives of economy with the breadth and depth of each author s vision and purpose At the end of each section a bibliography provides a departure point for further exploration of relevant issues **Subject Catalog, 1982** Library of Congress, 1982 Subject Catalog Library of Congress, 1982 National Union Catalog, 1982 , 1983

Romantic Period Writings, 1798-1832 Ian Haywood, Zachary Leader, 1998 Provides a valuable insight into the condition of Britain in the early part of the nineteenth century It includes original documents from a range of disciplines National Union Catalog , Includes entries for maps and atlases A Nation of Peoples Elliott Robert Barkan, 1999-05-30 The debate over America s multiculturalism has been intense for nearly three decades dividing opponents into those insisting on such recognition and those fearing that such a formal acknowledgment will undermine the civic bonds created by a heterogeneous nation Facts have often been the victim in this dispute and few works have successfully attempted to present the broad spectrum of America s ethnic groups in a format that is readable current and authoritative The chapters in this reference book demonstrate that America has been far more than a nation of immigrants it has been a nation of peoples of virtually all races religions and nationalities inclusive of indigenous natives and peoples long present as well as myriad immigrant and refugee groups Not all groups have equally found America to be a land of opportunity and the successes of some groups have come at the expense of others To understand the American experience the reader must not just study the story of immigrants living on the East Coast but also the history of those living in the South Southwest West and even Alaska and Hawaii As a reference book this volume provides thorough coverage of more than two dozen racial ethnic and religious groups in the United States Each chapter is written by an expert contributor and overviews the experiences of one group or a cluster of related groups The chapters are arranged alphabetically and cover groups such as African Americans American Indians Filipinos Hawaiians Mexicans Mormons and Puerto Ricans To the extent possible each chapter discusses the initial arrival of the group in America the adaptation of the first generation of immigrants the economic political and cultural integration of the group and the status of the group in contemporary American society Each chapter closes with a bibliographical essay and the volume concludes with a review of the most important general works on America s multicultural heritage A Criminal
