[America](#) Joseph M. Hawes, Elizabeth F. Shores, 2002-05-22 An incisive multidisciplinary look at the American family over the past 200 years written by respected scholars and researchers Family in America offers two powerful antidotes to popular misconceptions about American family life historical perspective and scientific objectivity When we look back at our early history we discover that the idealized 1950s family characterized by a rising birthrate a stable divorce rate and a declining age of marriage was a historical aberration out of line with long term historical trends Working mothers we learn are not a 20th century invention most families throughout American history have needed more than one breadwinner In the exciting new scholarship described here readers will learn precisely what is new in American family life and what is not and acquire the perspective they need to appreciate both the genuine improvements and the losses that come with change

**Empowering Family-Teacher Partnerships: Building Connections Within Diverse Communities** Mick Coleman, 2012-03 Empowering Family Teacher Partnerships Building Connections Within Diverse Communities prepares

students to work collaboratively with families and community professionals in support of children's early education and development. Students are invited to develop a personal philosophy of family involvement to guide their work with families and to join a community of learners in relying upon their collective insights and problem-solving skills to address family involvement challenges. The author takes a student-centered approach to delivering substantive information and framing activities, providing a comprehensive coverage of the diversity of family lives represented in classrooms and strategies for working with those families. b challenges to family involvement and strategies for addressing them c strategies for communicating effectively with and empowering families and d reflections activities tip boxes and field assignments designed to facilitate students' skills in building positive family-school-community partnerships

**Culturally Diverse Parent-Child and Family Relationships** Nancy Boyd Webb, 2001-07-10 In an increasingly diverse social environment, misunderstandings often arise between practitioners in the helping professions and clients from different racial and ethnic backgrounds. This book investigates the culturally specific beliefs and child-rearing practices of five major racial-ethnic groups: African Americans, Latinos, Native Americans, Asian Americans, and European Americans. Analyses of case vignettes illustrate the book's dual focus on the practitioners' own views in addition to those of their culturally diverse clients. Guidelines offer suggestions for effective engagement and work with culturally diverse families. *Families in Society*, 2003

*The Strengths Perspective in Social Work Practice* Dennis Saleebey, 2006 The *Strengths Perspective in Social Work Practice* presents an unrivaled collection of essays that explain the strengths-based philosophy, demonstrate how it works, and provide clear and practical tools for its application. It presents a balanced approach to social work practice in contrast to a problems-based approach that takes into account the strengths and assets of clients and their environments. *Highlights of the Fourth Edition*

Six New Chapters: Shifting our Habits of Mind; Learning to Practice from a Strengths Perspective; Chapter 2 examines how social work practice was historically a more problem-focused profession and how the current shift towards strengths plays an important part in our work; Solving Problems from a Strengths Perspective explores with relevant examples how a practitioner can take a perspective on problems that leads to strengths-based and solution-focused practices; Strengths-Based Case Management; Enhancing Work with Persons with Substance Abuse Problems; Chapter 8 explores the further extensions of and developments in this important and ground-breaking work; The Resilience of Families; Chapter 11 examines those factors that promote family resilience and how they can be applied in practice; Consciousness and Commitment; Slave Narratives in Today's Movement to End Poverty; Chapter 12 applies the lessons of the resistance movements of slaves in order to develop effective and strengths-based strategies for ending poverty; Honoring Philosophical Traditions; The Strengths Model and the Social Environment; Chapter 14 presents the strongest and clearest relationship between environmental resources and individual strengths in practicing from the strengths perspective. Extensive revisions of existing chapters make this a fresh, more up-to-date book that retains the passion and sensibilities of the previous editions but with innovative

Diversity Perspectives for Social Work Practice** Robin Wiggins

Carter, 2003 This book examines the prevailing theoretical frameworks for viewing diversity in social work practice and helps students develop competencies for work with and on behalf of diverse populations The theoretical frameworks presented in the text cover three major dimensions of the diversity theme in social work practice: ethnocultural diversity, oppression and social justice, and vulnerable at risk populations While other texts tend to explore these dimensions through a single theoretical framework, Anderson provides an overview of these separate approaches Chapters are organized so that instructors can teach and students can learn these frameworks comparatively and critically Each chapter follows a similar outline which includes: 1 a summary of the major contributors to the framework; 2 presentation of the core concepts; 3 five to ten principles for practice in application of the framework; 4 an example of its application to a particular practice situation; 5 an assessment of its strengths and limitations; 6 annotated sources for further study; and 7 discussion questions to promote critical thinking about the framework
