Fifth edition Thomas Ellwood,1794

The Selected Works of Margaret Oliphant, Part VI Joanne Wilkes, Josie Billington, Elisabeth Jay, 2021-05-13 Margaret Oliphant 1828-97 is one of the most important writers of the nineteenth century. She was both prolific and wide-ranging in her career which spanned half a century. Primarily known as a novelist, Mrs Oliphant is of interest to scholars today both for her wide popularity in her prime and her influential position as reviewer and journalist which saw her become an important critical voice for her generation. Her high profile in the literary world led to savage satirical portrayals in works by Anthony Trollope, Thomas Hardy and Henry James. This is the most ambitious and substantial scholarly edition of Margaret Oliphant's writings ever undertaken. In six parts and twenty-five volumes, all her important fiction plus substantial selections of her criticism and journalism are collected and edited by a prestigious editorial team. The novels contained in Parts V and VI represent some of Margaret Oliphant's most significant work. Darker and more politically motivated than the more comic *Chronicles of Carlingford*, they show Oliphant at the height of her writing powers. Money, financial crises, and social and sexual inequality all feature strongly in these works which find Oliphant sharply critical of materialistic late Victorian culture. They mirror her own experiences as a female professional writer having to support her family single-handedly. They also form some of her most popular and enduring works which gained a wide readership through serialization. The significance of Oliphant as a writer can only be fully appreciated by close study of these novels which bring to completion this major twenty-five volume scholarly edition. The Selected Works of Margaret Oliphant, Part VI Volume 23 Joanne Wilkes, 2016-07-15 Margaret Oliphant 1828-97 had a prolific literary career that spanned almost fifty years. She wrote some 98 novels, fifty or more short stories, twenty-five works of non-fiction including biographies and historic guides to European cities, and more than three hundred periodical articles. This is the most ambitious critical edition of her work. This volume includes her 1872 novel *At his Gates* with editorial notes by Joanne Wilkes including a new introduction, headnote, and explanatory notes which provide key information about the book and its publication history. **Sacred history: or, the Historical part of the Holy Scriptures of the New Testament; gathered out from the other parts thereof, and digested ... into due method, etc** Thomas ELLWOOD (of the Society of Friends.), 1709 *There Is No Hell According to the Bible* John D. Frey, 2021-05-19 Many Christians are deeply disturbed by the idea that there is a real hell in which people suffer forever and ever according to the Bible. This is especially true with respect to Christians who believe that they have loved ones who might end up in this horrendous place. What a relief it would be for them to see that such a hell is not claimed by the Bible. To that end, author John

D Frey leads readers on a well researched journey that investigates what the Bible really says about hell The author provides overwhelming evidence that there is no hell in which anyone suffers in any way and this evidence is based on what is claimed by the Bible The book contains 12 chapters Chapter 1 presents the events that occurred in a place near the walls of Jerusalem called the valley of Hinnom later translated to hell Chapters 2 3 primarily deal with events surrounding Jesus and Isaiah Chapters 4 5 discuss the events in the parables of Jesus and visions of John in the book of Revelation Chapter 6 explores Bible passages that explain what finally happens to the unrighteous Chapters 7 8 explore why both Gentile Christians of the second century and some modern Christian denominations believe in a hell in which unrighteous people will suffer forever Chapters 9 10 explore the concepts of Sheol and Hades in the Bible and what Jewish Rabbis say about hell Chapter 11 confirms the existence of heaven Finally in chapter 12 concluding thoughts are presented *Continent* ,1914

Interior ,1921 **The Two Worlds** ,1924 The Interior ,1921 Issues for Jan 12 1888 Jan 1889 include monthly Magazine supplement *Hidden Wells of Comfort* Louis Albert Banks,1900 **The Parabolic Teaching of Christ** Alexander Balmain Bruce,1890 **Jesus the Messiah** Alfred Edersheim,1890 *Jesus the Messiah, Being an Abridged Edition of 'The Life and Times of Jesus the Messiah'* Alfred Edersheim,1890 **Sermons preached in Twickenham Congregational chapel** George Walker,1883 **Wesleyan-Methodist Magazine** ,1885 **The Congregationalist and Christian World** ,1908 The Our Race News-leaflet ,1901
