Twin Flame Runner Awakening Silvia Moon, 2019-08 In this simple and easy to read a book I am discussing with you my experiences of awakening to the love that I feel for my Twin Flame as a runner from the connection Please allow me to use the Labels of Runner and Chaser because

these are the generic terms that are mostly used to describe the energy dynamics that transpire during the process of energetic push and pull to and fro by the Twin Flames between themselves Therefore in this book the term runner label simply represents the Twin Flame who is denying the connection and they use all different kinds of methods to hide from their Twin Flame partner while the chaser label is representing the Twin Flame who is holding on to the connection and also left wondering why their Twin Flame partner is running from the connection This simple book will answer some of the following mostly asked questions by Twin Flames Do Twin Flame runners realize that the love they feel for their divine partner is genuine What happens when a Twin Flame runner awakens to the connection Does the Twin Flame runner still love their divine counterpart during the time of separation and silence What happens when the runner Twin Flame tries to find other Karmic relationships or chooses to get married to someone else other than their Twin Flame partner Does the Twin Flame runner still think of the chaser during the long quiet physical separation period What experiences take place when the Twin Flame runner tries to reconcile with the Twin Flame partner What is the Twin Flame chaser s response to the return of the runner counterpart Does the Twin Flame runner ever return to their divine counterpart This book will be answering all the above questions and many more that you have about the experiences of a runner Twin Flame Stay Blessed
