Divine Awakening:

SPIRITUAL AWAKENING Dr S.S.B Timothy,2026-02-12 ABOUT THIS BOOK This book is inspired by revelations from the Holy Spirit concerning a global spiritual awakening and revival that is already beginning in this new generation Its central focus is to address the concerning overzealousness of modern prosperity preachers We begin by returning to the foundation of our faith the identity of Jesus Christ We explore why He came to earth the essence of His teachings and the mission He entrusted to His followers This leads us to an examination of the Apostles messages also known as Kerygma to the early churches providing a blueprint for authentic Christian living Viewing Jesus as the ultimate role model we then confront the critical question at the heart of this book Did Jesus Preach Prosperity The biblical evidence points not to a gospel of material gain but to a call to sacrificial living and discipleship We trace the origins of the Prosperity Gospel to its roots in contemporary American theology noting that even a key figure like Kenneth Hagin 1917 2003 later sought to correct how his teachings were distorted for greed and financial gain This historical context sheds light on the desperate methods modern preachers now use to pressure the public for money which we identify as The Collection Springs in Modern Preaching The book provides a detailed analysis of erroneous teachings and manipulative language common within the Prosperity Gospel It includes a study of 62 damaging and ungodly behaviours exhibited by preachers followed by 103 biblical condemnations of practices now commonplace in many churches To equip believers we offer vital information on what to watch for including a clear guide on Do Not Give Your Money to This Group of Pastors and Preachers This is supplemented by 40 Things a Christian Should Avoid in the Name of Seeking Miracles 40 Pieces of Advice for the Public A Biblical and Constructive Path Forward 20 Steps for Discerning and Avoiding False Teachers Protecting Yourself from Spiritual Deception True financial freedom is found not in a preacher s promise but in following Christ We outline 20 Steps to Financial Freedom for Believers Biblical Principles for Financial Stewardship and Wealth Finally we provide essential guidance on the Steps to Take After Being Born Again The Journey of Sanctification It is our fervent belief that the Holy Spirit will inspire you as you read this book setting us free from the manipulative chains of the prosperity gospel and guiding us into the liberating truth of Jesus Christ

action making it our mission If there is enough passion ultimately there will be Liberation from all ignorance and Unification with the Divine We will be free from all misery on earth and the cycle of death and rebirth We will achieve our ultimate goal as we live as the Divine Soul Where are you on the spiritual journey Are you fully Awakened Are you Enlightened When will you be Liberated [The Awakening Call](#) James Finley,1984 [Igdrasil](#) ,1890 The journal of the Ruskin Reading Guild A magazine of literature art and social philosophy **The Theosophical Path** Katherine Augusta Westcott Tingley,1922 *I Am a Soul Champion* Rachael White,2016-09-13 It is not unusual for families to face health issues Most will turn to conventional medicine to a least treat if not cure them But what happens when those methods dont work In fact instead of getting better they get worse This is what happened to author Rachael White and her family In her book I AM a Soul Champion How to live a spiritually guided life through Manifestation Intuition Positivity and Archangel Aromatherapy she provides an account of her extraordinary life changing journey to heal her familys so called incurable illnesses She shares the knowledge and wisdom she gained after she opened up to living a spiritually guided life I AM a Soul Champion is a practical guide for using intuition healing and manifesting along with archangel aromatherapy The author has distilled the information into a combination of healing guides teachings and easy to use daily practices and rituals A soul champion is someone who understands that he or she is more than just mind and body Rachael believes that everyone has the ability to access healing and guidance from angels and spiritual guides in order to heal co create and manifest in every aspect of life Are you ready to let go of ego driven fear negativity mental and physical illness out of the drivers seat and let the soul be the champion driver of your life *Divine Awakening* Amenor Avatar,2020-08-29 The awakening of the kingdom of light is the birth of a higher consciousness which is characterized by love and truth This is the awakening of a new era in creation another dispensation in time and space where divinity becomes the center of man s existence On this platform what is regarded as human art and culture will reflect truth in all its demonstration This is the dispensation where virtue is seen in human s conduct portrayed in beauty and the Sons of God must vanguard this era This book is a must read for the 21st century people Please grab your copy today **Critical and miscellaneous essays** Thomas Carlyle,1899 **Ad clerum.
