Formation as if the Church Mattered James C. Wilhoit, 2022-03-29 Most books on spiritual formation focus on the individual But spiritual formation is at the heart of the church's whole purpose for existence It must be a central task for the church to carry out Christ's mission in the world This book offers an introduction to spiritual formation set squarely in the local church The first edition has been well received and widely used as a textbook The second edition has been updated throughout incorporates findings from positive psychology and reflects an Augustinian formation perspective Foreword by Dallas Willard *Experiencing Scripture as a Disciple of Jesus* Dave Ripper, 2025-06-03 Discover new vibrant ways to experience God's presence through Bible study Experiencing Scripture as a Disciple of Jesus offers a unique pathway to deeper spiritual engagement using Dallas Willard's revolutionary approach to reading the Bible More than a study tool Experiencing Scripture as a Disciple of Jesus invites you to transform your encounters with Scripture from mere information gathering to profound spiritual experiences Using primary source material and insights from Willard Dave Ripper takes you on an immersive exploration of Scripture that mirrors the intellect of a philosopher and the heart of a mystic You'll find experiential exercises designed to prompt reflection and foster enriching group conversations helping you not just to read but to truly know the God of the Bible Perfect for pastors ministry leaders and spiritual seekers shaped by voices like Eugene Peterson and Richard Foster Experiencing Scripture as a Disciple of Jesus offers a call to experience God's presence in new

Wear,2024-01-23 For those discouraged and exhausted by the bitterness and rage in our politics Michael Wear offers a new paradigm of political involvement rooted in the teachings of Jesus and drawing insights from Dallas Willard s approach to spiritual formation When political division shows up not only on the campaign trail but also at our dinner tables we wonder Can we be part of a better way *The Spirit of Our Politics* says yes offering a distinctly Christian approach to politics that results in healing rather than division kindness rather than hatred and hope rather than despair In this profound and hope filled book Michael Wear a leading thinker and practitioner at the intersection of faith and politics applies insights taken from the work of Dallas Willard to argue that by focusing on having the right politics we lose sight of the kind of people we are becoming to destructive results This paradigm shifting book reveals Why we need to reframe how we view our political involvement as Christians How as Christians we can reorient our politics for the good of others The crucial connection between discipleship to Jesus and political involvement A different way of talking about politics that is edifying not stomach turning How to navigate political strife in churches and small groups Why who we are in our

political life is not quarantined from who we are in real life Why gentleness is entirely possible in our political discourse The Spirit of Our Politics is for readers of any political perspective who long for a new way to think about and engage in politics That new approach begins with a simple question What kind of person would I like to be **The Leader's Journey** Jim Herrington, Trisha Taylor, R. Robert Creech, 2020-01-21 This book helps pastors and church leaders understand the role their personal transformation as Jesus's disciples plays in effective congregational leadership It shifts the focus of leadership from techniques and charisma to spiritual transformation and developing emotional maturity so leaders can effectively lead congregations to embrace change End of chapter discussion questions are included The first edition sold more than 20 000 copies and has been regularly used as a textbook over the past fifteen years The second edition has been revised throughout and includes a greater emphasis on Bowen Family Systems Theory Invitation to the Jesus Life Jan Johnson, 2014-02-27 To encounter Jesus daily and have a relationship with Him changes everything our focus becomes eternal Experience Jesus in such a way that His love drenched others focused nature shapes your character The spiritual practices in each chapter will challenge you to go deeper with Him *Kingdom Apprenticeship* Keas Keasler, 2026-03-24 A Groundbreaking Analysis of Dallas Willard's Theology of Spiritual Formation Dallas Willard's formational theology begins with the claim that the aim of God in human history is the formation of a community of loving persons apprenticed to Jesus and ends with the promise that such apprenticeship prepares us to share in God's governance of the cosmos This apprenticeship to Jesus is the path to human flourishing the renewal of the church and the healing of the world In *Kingdom Apprenticeship* Keas Keasler offers the first comprehensive study of Willard's theology of spiritual formation He argues that while the three D's of discipleship, discipleship and disciplines made Willard famous his formational theology is much deeper than that Willard's unique grammar of transformation is grounded in ordinary life for it is in our present reality that we are trained to participate in God's eternal purposes Mining Willard's philosophical works, theological writings, recorded lectures and unpublished papers Keasler shows Willard's theology serves as a practical curriculum for spiritual growth offering a remedy for the character crisis we see in the church and in society Apprenticeship to Jesus is both for growth in Christlikeness and preparation for reigning with God in the fullness of his kingdom Spiritual formation is not secondary or supplementary to God's mission it is its very strategy Against the drift of modern theology into abstraction Willard calls the church back to a clinical theology one aimed at the transformation of character through an interactive life with God Formation and mission, contemplation and action, inner renewal and outward vocation all are inseparably linked in Willard's vision *Kingdom Apprenticeship* offers a fresh and urgent call to recover apprenticeship to Jesus as the heart of the Christian life and the hope of the world
