Divine Sovereignty And Human Responsibility Biblical Perspectives In Tension

James R. Harrison

Divine Sovereignty And Human Responsibility Biblical Perspectives In Tension:

Divine Sovereignty and Human Responsibility D. A. Carson, 2002-01-07 Both theology and philosophy wrestle with the tension that exists between the sovereignty of God and human response In Christianity this tension is particularly acute as God is understood to be both omnipotent and benevolent This tension underlies numerous other questions about the nature of God the meaning of human freedom and choice the concept of divine repentance the reign of God and supremely the significance of the incarnation Dr Carson brings clear scholarly insights and finely honed exegetical skills to this all pervasive issue seeing it not so much as a problem to be solved as a framework to be explored He examines the sovereignty responsibility themes in the Old Testament intertestamental literature and in the theology of John s gospel and concludes with a reflection on the theological implications for ministry and mission today

Calvinism E. Ray Clendenen, Brad J. Waggoner, 2008 What impact is the Calvinist non Calvinist debate having on the Southern Baptist Convention today This book holds a theological conversation between followers of Christ about issues on which they often disagree And while such controversial points of doctrine cannot be ignored neither should they put up impenetrable walls between groups that are committed to the same essential Christian beliefs Calvinism A Southern Baptist Dialogue brings together new presentations from noted Southern Baptists including Daniel Akin Tom Ascol David Dockery Charles Lawless and Ed Stetzer that address misperceptions stereotypes and caricatures of the debate over Reformed theology Each strives to speak the truth in love and humility while seeking clarity in the presentation of the Gospel improving the health of our churches and seeking the kingdom of Christ above all Endorsements What do we have to agree on The doctrines of what it means for us to be lost and of how we are saved could not be more important This book explores how much we can disagree over these things and still work together If you care about both evangelistic cooperation and doctrinal integrity this book is a book for you Mark Dever pastor Capitol Hill Baptist Church and president of 9Marks.org

An Invitation to Analytic Christian Theology Thomas H. McCall, 2015-12-09 Analytic theology is a new and stimulating movement that uses the tools and methods of philosophy to help us understand and articulate Christian doctrine Thomas McCall introduces us to analytic theology explaining its connections to Scripture Christian tradition and culture and calling the discipline to deeper engagement with the traditional resources of the theological task

Holiness in Israel John G. Gammie, 2005-01-26 Gammie s careful study represents an important theological resource for our own work The holiness of God is clearly not simply an antiquarian concern Our uneasiness with such a theological emphasis is surely reflective of the urgency of that very assertion God s holiness marked by majesty for God s self and by passion for the justice of the world takes on power and urgency in the face of our own life issues The holiness of God is urgent in the face of profanation which empties life of larger passion and dignity The holiness of God is urgent in the face of pervasive brutality which trivializes God

s purpose and abuses God's world The holiness of God is urgent in the face of the growing authority of technique which diminishes mystery that keeps life open Israel struggles to speak aright about God From the Editor's Foreword by Walter Brueggemann

Progressive Covenantalism Stephen J. Wellum, Brent E. Parker, 2016-04-15 Biblical covenants provide the backbone to the narrative plot line of Scripture therefore it is essential to think through the interrelationship between the biblical covenants starting in creation and culminating in Christ in order to rightly grasp the whole counsel of God

The Place of Judas Iscariot in Christology Anthony Cane, 2017-07-05 Exploring the significance of Judas Iscariot for Christian theology and the difficult issues surrounding Judas Anthony Cane shows that focusing on the tension between providential and tragic interpretations of Judas in the New Testament and in subsequent writing about Judas is the key to understanding his significance Building on the work of Karl Barth and Donald MacKinnon Cane's argument sheds light not simply on the way Judas is understood but on the way Jesus and the whole economy of salvation are understood This book also highlights implications for the way in which issues relating to anti-Semitism and evil and suffering are most effectively explored

Baptist Theology James Leo Garrett, 2009 This title offers a comprehensive analysis of Baptist theology Embracing in one common trajectory the major Baptist confessions of faith the major Baptist theologians and the principal Baptist theological movements and controversies this book spans four centuries of Baptist doctrinal history Acknowledging first the pre 1609 roots patristic medieval and Reformational of Baptist theology it examines the Arminian versus Calvinist issues that were first expressed by the General Baptists and the Particular Baptists that dominated English and American Baptist theology during the seventeenth and eighteenth centuries from Helwys and Smyth and from Bunyan and Kiffin to Gill Fuller Backus and Boyce and that were quickened by the awakenings and the missionary movement Concurrently there were the Baptist defense of the Baptist distinctives vis a vis the pedobaptist world and the unfolding of a strong Baptist confessional tradition Then during the nineteenth and twentieth centuries the liberal versus evangelical issues became dominant with Hovey Strong Rauschenbusch and Henry in the North and Mullins Conner Hobbs and Criswell in the South even as a distinctive Baptist Landmarkism developed the discipline of biblical theology was practiced and a structured ecumenism was pursued Missiology both impacted Baptist theology and took it to all the continents where it became increasingly indigenous Conscious that Baptists belong to the free churches and to the believers churches a new generation of Baptist theologians at the advent of the twenty first century appears somewhat more Calvinist than Arminian and decidedly more evangelical than liberal

The Power of Saving Wisdom Cornelis Bennema, 2008-01-01 Cornelis Bennema explains the role of the Spirit in salvation according to John's Gospel against the background of intertestamental Jewish wisdom literature He comes to the conclusion that the salvific function of the Spirit is that of a cognitive agent who through the mediation of life giving wisdom creates and sustains a saving relationship between the believer and the Father and Son

[The Possibility of Salvation Among the Unevangelised](#) Daniel Strange, 2002 *Between Horror and Hope* is a study of Paul's metaphorical language of

death in Romans 6:1-11. The scholarly debate focuses on two main issues: the origin of the *commentatio mortis* tradition and its development. Dr. Sabou argues that the origin of this terminology is original to Paul; that it was the apostle's own insight into the meaning of Christ's death—a death to sin—and his understanding of the identity of Christ in his death as the anointed Davidic king, which guided him to create this metaphor of dying to sin as a way of describing the relationship of the believer with sin. On the development of this language of death, the author argues that this language conveys two aspects: horror and hope. The first is discussed in the context of crucifixion, in which Paul explains the believer's death to sin by presenting Christ's death as the death of the anointed Davidic king who won the victory over sin and death by rising from the dead. Paul affirms that believers are coalesced with what was proclaimed about Christ's death and resurrection, thereby allowing him to assert that the releasing of the body from the power of sin is a result of crucifixion. This crucifixion is the condemnation inflicted on our past lives in the age inaugurated by Adam's sin, and this is such a horrible event that believers have to stay away from sin, since sin leads to such punishment. In contrast, hope is presented in the context of burial. The believer's burial with Christ points to the fact that they are part of Christ's family, and this is accomplished by the overwhelming action of God, by which he pushes us toward the event of Christ's death, an act pictured in baptism. It is this burial with Christ that allows believers to share with Christ in newness of life.

Harrison argues that the Graeco-Roman benefaction context of favour is the backdrop of Paul's understanding of divine and humane grace. By the first century AD, it was the leitmotiv of the Hellenistic reciprocity system. It shaped the conventions of giving and receiving throughout the eastern Mediterranean basin. Before Paul's converts were exposed to the gospel, they would have held various beliefs regarding divine beneficence. The apostle needed to tailor his language of grace as much to the theological concerns of Graeco-Roman culture as to first-century Judaism. In making benefaction terminology the touchstone of his theology of grace, Paul chose to articulate his understanding of over and against the theological and social beliefs of the Mediterranean city-states and the imperial rulers. While Paul endorses the reciprocity system, he redefines its rationale in the light of the gospel of grace and transforms its social expression in his house churches.

Studies on John and Gender Andreas J. Köstenberger, 2001. Part 1. *Studies on John* features an introduction to John's Gospel, a chapter chronicling early doubts of the Fourth Gospel's apostolic authorship, and a comparison of the anointing pericopae in John and the Synoptics, as well as treatments of Jesus as rabbi, his signs, the greater works of the believer, and the two Johannine verbs for sending. Missiological insights from John's Gospel conclude part 1.

Revelation and Concealment of Christ Saeed Hamid-Khani, 2000. The elusive disposition of John's language has been

noted by biblical scholars throughout the history of New Testament studies The Fourth Gospel is seen as so simple to grasp and yet often pointing beyond itself and beckoning the reader to read deeper Various socio linguistic studies have explained this feature as the reflection of the sectarian tendencies in the Johannine Christianity In his study Saeed Hamid Khani questions these approaches as inadequate In turn he examines John s language within an exegetical and theological framework He argues that the Sitz im Leben of Johannine language was an environment in which the Hebrew Scriptures were the dominant conceptual force for both the Jews and the Christians In this context he argues that the essential function of John s enigmatic language is wedded to the Evangelist s purpose in writing the Gospel namely a steadfast focus upon setting forth that Jesus is the Christ according to the witness of Israel s Scriptures It is here in these echoes and thematic allusions to the Scriptures that we find the answer to the function and significance of John s unique language i e Jesus is the Messiah the Saviour of the world and He is the visible image of the invisible God the embodiment of the self revelation of God according to the Scriptures However these truths are concealed from undiscerning and only revealed by the spirit of God to those who are born of God
