Divine Word Milton And The Redemption Of Language:

Divine Word Robert L. Entzminger,1985 **Milton's Burden of Interpretation** Dayton Haskin,2016-11-11 This book is a volume in the Penn Press Anniversary Collection To mark its 125th anniversary in 2015 the University of Pennsylvania Press rereleased more than 1 100 titles from Penn Press s distinguished backlist from 1899 1999 that had fallen out of print Spanning an entire century the Anniversary Collection offers peer reviewed scholarship in a wide range of subject areas

Barbarous Dissonance and Images of Voice in Milton's Epics Elizabeth Sauer,1996 Sauer English Brock U examines the relative status and authority of the multiple narrative voices in Milton s Paradise Lost and Paradise Regained and argues that his epics accommodate a variety of interpretive voices episodes and dramatic and discursive exchanges that resist the monological containment of the poems dominant narratives She investigates the texts discursive practices and the politics of their orchestration of voice showing how the poems spoke to their own time and how they might speak to ours

Humanities ,1980 Milton and the Preaching Arts Jameela Lares,2001 Of interest to both literary scholars and scholars of church history and homiletics Milton and the Preaching Arts also surveys sermons and sermon manuals Bible commentaries and works of religious controversy on the issues of English church government and scriptural style BOOK

JACKET *Milton's Prudent Ambiguities* Martin Kuester,2009-03-16 This new reading of Paradise Lost concentrates on the analysis of linguistic concepts underlying Milton s epic and then builds on those concepts with a fresh interpretation that considers the role that Raphael plays in it Relying on a narrative model that was already well known in the seventeenth century and was baptized godgame by the twentieth century British novelist John Fowles it reinterprets the role of the archangel as that of a tool in the great plan of Milton s Father s ironic teaching This book complements a basically linguistic approach to Milton s poetry and prose with concepts such as that of retraction adopted from heretical Milton critics as

Rhetoric, and the Word Masahiko Agari,1997 The nine studies collected in this book are all original analyses of Milton s epic style Historical and textual in approach they closely examine the language of Paradise Lost and Paradise Regained in three major respects formula rhetoric and the Word The author s main concern is to explain the meaning of the epics in light of Renaissance rhetoric and theology *Rethinking Milton Studies* John T. Shawcross,2005 This study looks at two opposite

problems that face literary criticism Scholarship of the past has frequently been iterated in the present without analyzing or corroborating interpretations or supposed facts Scholarship of the present may therefore rest on an unacceptable or erroneous basis On the other hand scholarship of the past has often been unknown in the present or just ignored even though

present day criticism may be enhanced or developed or achieve greater cogency by knowledge of past critical evidence Such matters are pursued here as they impinge in certain areas of the life and work of John Milton

JEGP, Journal of English and Germanic Philology Gustaf E. Karsten,1995 *Milton's Adam and Eve* George Musacchio,1991 Are the Adam and Eve of Milton's Paradise Lost 1667 1674 fallen before the Fall Many readers think so finding vanity in Eve and intemperate affections in Adam long before they eat the forbidden fruit But this scholarly study demonstrates that they possess the fallible perfection of the Reformation doctrine of Original Righteousness Read from the perspective of Milton's theological background Paradise Lost presents human characters who are perfect but fallible necessarily limited but not fallen until they disobey God

Subjectivity, Opposition, and Subversion Helen Michelle Doss,2004 **Spiritual Architecture and Paradise Regained** Kenneth R. Simpson,2007 Ken Simpson's study focusing on John Milton's Paradise Regained examines the literary ecclesiology of this most subtle and elusive of Milton's works As Simpson asserts in Paradise Regained Milton not only continues his critique of the English Reformation by confronting the failures of the Restoration settlement but he also continues to develop the consistent theology of the church that preoccupied him in his prose during the civil war and Interregnum Simpson examines Milton's view of the church as a textual community a group of participants in the church who are each guided by the Holy Spirit in their reading of the Word Simpson's provocative and unique examination of Milton and Paradise Regained will become an indispensable study offering new views of this somewhat neglected poem

Coleridge's Philosophy Mary Anne Perkins,1994 Mary Anne Perkins re-examines Coleridge's claim to have developed a logosophic system which attempted to reduce all knowledges into harmony paying particular attention to his later writings some of which are still unpublished

The Huntington Library Quarterly Henry E. Huntington Library and Art Gallery,1990

Subverting the System Catharine Randall,1990 The basic assumption of this book is addressing the way in which Calvinist theology affected the literary endeavors of Calvinist writers not only Agrippa d'Aubign but all French Protestant authors of the later sixteenth century The author argues that Calvinist theology created special problems of conscience because its emphasis on the authority of scripture made believers regard their proper task as exposition and presentation of the truth already revealed while any effort to create an imaginary world of creative fiction seemed a rejection of the truth and a self-glorification of the author that amounted to rebellion against the authority of God D'Aubign represents a clear and conscious rebellion against such constraints through his career d'Aubign openly dared to engage in independent literary creation and to assert his right as a sincerely reformed Christian to do so In this study theology and literature come together to illuminate a major problem in the literary history of the French Reformed tradition
