Divining Desire Sequoia Thom, 2024-03-25 I want us all to live with our genitals heart and soul in happy harmony Sequoia wrote I offer you my life as an open book

Divining Desire Sequoia Thom, 2024-03-23 What does sex have to do with God What does God have to do with sex Is sex feeling flat one dimensional leaving you wanting more Is your connection with spirit lacking What if you could connect them together Sequoia Thom M A began grappling with these questions at an early age His strict religious upbringing created a painful internal split between his lustful longing for male love and his equally strong desire to connect with spirit That pain and shame drove him on a life long quest to fathom the depths of both sex and spirit to explore where they may be connected He discovered that libido is like rocket fuel to open the heart and access the spirit After a decade of in depth study of Yoga and Tantra at 35 he began offering Tantra massage and workshops teaching men how to spread the powerful pelvic charge into full body bliss In his deeply personal memoir Sequoia shares all he learned over 50 years on his transformational journey and offers it for your own transformation so that you can free yourself from any residue of sexual guilt or shame deepen your own connection between your sex heart and soul experience deeper love for yourself and others explore sex with human partners as a form of worship of the formless universal Beloved and glimpse the one pure consciousness that we all are at the deepest level I want us all to live with our genitals heart and soul in happy harmony he wrote I offer you my life as an open book Are you ready to connect your own sex and spirit Follow Sequoia s transformational life journey your life will be better because of what you ll discover about you You re in the safest of sensitive hands Sequoia Thom has a healer s touch a poet s vision the multi ringed courage of a mighty first growth tree and an impeccable record for teaching people how to soar from the Foreword by David Mielke

Divining Desire James W. Hood, 2019-12-14 This study examines Tennyson s portrayals of the erotic and creative impulses reading the poet s ubiquitous lover artists as tropes that figure the desire for transcending the state of being human a condition of personal fragmentation and limited knowledge Ostensibly seeking to fulfill erotic wishes construct utopias or create grand artistic works Tennyson s characters engage in a fundamentally spiritual quest yearning to divine desire to eternalize the fulfilment of their deepest wishes Freud revealed how Victorians sublimated sexual desire into religious impulse This book demonstrates however the remarkable way in which Tennyson s poems transact the opposing projection transfiguring spiritual desire into erotic art Brilliantly negotiating a middle ground between scientific skepticism and reactionary religiosity his vastly popular poems suggest that fulfilment of the wish too strong for words to name lies in a sacramentality only as means do art and eros allow transport beyond fragmentation At a deep level the poems conclude that language itself brokers transcendence through its very brokenness

Affective Worlds John Hughes, 2011 Offers an original approach to a number of nineteenth century authors in terms of what are seen as the constitutive affective dynamics of their work The author also draws on themes of ethical subjectivity in the work of Stanley Cavell and Gilles Deleuze to provide essential reading for those involved in
