Divinity Of Sex:

The Divinity of Sex Charles Pickstone,1997 Pickstone clearly demonstrates how we often describe sex in metaphors of natural and even supernatural phenomena The earth moves oceans swell and storms rage Moreover Pickstone argues we find in both sexual and religious passion the same transcendence of self that constitutes a spiritual experience Barriers break down as we are transported to another reality of ecstasy and heightened experience *The Divinity of Sex* Charles Pickstone,2025-09-23 Overview In this fascinating new inquiry into contemporary culture Charles Pickstone a priest argues that the pervasiveness of sex in our society mirrors religion s former glory Indeed according to Pickstone sex has usurped religion s position on the spiritual pedestal In this time of increasing secularization our traditional views of sex have fallen by the wayside The religious right bemoans our so called hedonism as a retreat from religion and values Yet Pickstone challenges the belief that we have lost our spirituality and have become a world of lost souls damned for eternity His book provides a sober and lucid response to our concerns about where our society is headed Pickstone clearly demonstrates how we often describe sex in metaphors of natural and even supernatural phenomena The earth moves oceans swell and storms rage Moreover Pickstone argues we find in both sexual and religious passion the same transcendence of self that constitutes a spiritual experience Barriers break down as we are transported to another reality of ecstasy and heightened experience

Sex to Divinity Jorge Adoum,2021-01-18 Second Edition with footnotes and commentary Sex to Divinity explains the real basis of Sacred Sexuality in religion and Initiatic tradition throughout the ages Dr Jorge Adoum s work has helped Aspirants to Initiation in South America and throughout the Portuguese and Spanish speaking worlds for over half a century His explanations and retellings are now available to the English Speaking world This is the only book by Dr Adoum that Mr Marcelo Ramos Motta Frater Parzival XI the successor to Mr Karl Johannes Germer in the A A recommended to his pupils

Making Love to God Tina Louise Spalding,2013 Because you do not accept what you are an immortal being having a creative experience with body you cannot find that which you seek so desperately Your misteachings about sexuality and God keep you from integrating sexual energies with God energies in any meaningful way and so the path to heaven on earth through blissful sexual union eludes you to a great extent The sexual energies of the ego are leading you to a dark and dangerous precipice and we wish to call you back back to love and the loving kind fulfilling and glorifying expressions of spiritual love your true salvation We are here to teach the way to divine bliss and we know you are scared scared to lie naked caressing your lover with rapt attention and honor We know you are scared to kiss and kiss and connect to feel such deep connection and pleasure that the ego starts to get very nervous sensing the threat to the wellguarded and limited access to your heart that it deems to be safe

Divine Sex Philo Thelos,2003 This modern re examination of the Bible s references to sex strips away illegitimate religious tradition to reveal that God views sexual pleasure as a blessing to humanity **Divine Principles of Sexual Attraction** Martin Zender,2018-06 In this groundbreaking work Martin Zender asks the one question

that no other book on human sexuality asks Why is there sex in the first place No other book makes procreation a side effect rather than the raison d'etre of sexual attraction Never content with knowing how things are everyone knows that women look great in pumps while men look ridiculous Zender explains why they are From the genesis of eroticism in Eden to your bedroom Divine Principles of Sexual Attraction demystifies the behaviors of both sexes at the same time making both men and women content with who God made them You'll never look at the opposing gender the same way again *Love, a Treatise on the Science of Sex-attraction* Bernard Simon Talmey, 1915 **The North American Review** James Russell Lowell, Charles Eliot Norton, Henry Adams, Allen Thorndike Rice, Lloyd Stephens Bryce, George Brinton McClellan Harvey, Joseph Hilton Smyth, Robert Dana, Robley Wilson, Vicente F. him exceeding strength and this is why he could establish his religion Islam in his life while fighting all the trouble and turbulence of his life He is the only man on the earth who could establish his religion in his life otherwise in case of others their followers could establish the religion in due course of time Islam took birth from real and natural adoration of sex for gaining strength His bravery to survive and to make his people survive and the power of preaching all came from his sexual gratification And divinity it does not have to do anything with sex and it is real and the purest phenomenon of the universe It does not have its bodily figural or visible presence anywhere Divinity can be understood from the purest conscience and real faith and not from any kind of lie or obscenity God is to be understood with good heart A predominantly persuasive lie exists in Christianity The glorification of Jesus as the son of God and his earthly presence is a total lie In the name of divinity people were cheated and polarized to form a new religion and that is Christianity Jesus was never born and his crucifixion is a mere imagination for the purpose of debasing Judaism and forming an amended religion Christianity out of it The politics in the name of divinity supported by Roman emperors succeeded largely The imperious Romans became the chancellors of the religion in Vatican City and Jesus who was never born and cannot be born were established as redeemer in human mind Abrahamic religions say that worshiping idols or graven images is a sin This has been a big reason for massacring pagans and destroying their cultures by Christians worldwide in the early days of Christianity and the pope justified this massacre So dark the con of man and so naive the world
