Divorce And Remarriage:

Divorce and Remarriage Curtis Hutson,2000-08 *The Asundered* Myrna Kysar,Robert Kysar,1978 **Remarriage after Divorce in Today's Church** Zondervan,2009-12-15 Despite a strong belief in the institution and sacredness of marriage studies show that Christian spouses experience divorce at least as much as the secular population But whatever the reasons for a divorce beyond the divorce itself many Christians want to know does the Bible support remarriage The fact is that no consensus exists among evangelicals on their views of remarriage leaving many Christians confused This Counterpoints volume explores the biblical and practical cases for the three main evangelical views on remarriage after divorce Remarriage is not acceptable after divorce defended by Gordon J Wenham Remarriage is acceptable only after adultery or desertion defended by William A Heth Remarriage is acceptable for a variety of reasons defended by Craig S Keener Each of the three contributors offers his point of view succinctly and with biblical support and each interacts with the others to help readers come to their own conclusions The Counterpoints series presents a comparison and critique of scholarly views on topics important to Christians that are both fair minded and respectful of the biblical text Each volume is a one stop reference that allows readers to evaluate the different positions on a specific issue and form their own educated opinion **The Bible on Divorce and Remarriage** Timothy Klaver,2019-11-13 Does Scripture sanction the grounds for righteous divorce and remarriage The entire subject of divorce and re marriage is a complex and emotionally charged issue It is one of the most vexing problems the church faces in these modern days Throughout church history Christians have been divided on the issue of divorce and re marriage On the one side of the argument it has been believed that Jesus declared it not a sin to remarry in the case of marital infidelity and the Apostle Paul declared it not a sin to remarry in the case of abandonment On the other side of the argument it has been believed that it is adultery to remarry while one s former spouse is still living Why are there two different interpretations of the same Scriptures Which interpretation is correct and in keeping with the context of Scripture In this thorough exegesis of all the biblical texts on the issue of divorce and re marriage Timothy Klaver once again leads the reader by the hand allowing the reader to see with their own eyes what the Bible itself has to say on this life altering issue This book will be an immensely valuable tool in instructing those who are troubled and struggle with this subject May we give marriage the same reverence that Scripture gives it Let marriage be held in honor among all Heb 13 4a **Marriage, Divorce, and Remarriage** Daniel Goepfrich,2007-09 Goepfrich offers help and hope to those who are considering marriage getting married for the first time in a marriage that is falling apart divorced or considering divorce remarried or considering remarriage or concerned about a friend or family members marriage Practical Life *Divorce and Remarriage* H. Wayne House,1990-04-20 Editor H Wayne House introduces a lively debate on varying Christian views of divorce and remarriage Contributors include J Carl Laney William Heth Thomas Edgar and Larry Richards **Marriage, Divorce and Remarriage** Richard Aegerter,2026-01-15 What if everything that you have been taught about

marriage divorce and remarriage is not what the Bible actually says As the cultural norms have been shifting our last two generations have either not been taught or have disregarded what God says about marriage and its enduring stability Therefore if one does not have a clear understanding of the fundamental Biblical truths regarding marriage one will likely become confused and misled by human reasoning Marriage is divinely instituted and governed by three fundamental truths God is the author of marriage not man Genesis 2 3 God alone joins a man and woman together Mark 10 9 Marriage is a lifelong covenant that only God can dissolve through death Romans 7 2 3 Malachi 2 14 16 Whether you are entering a relationship of commitment have experienced divorce or are considering a remarriage this book will serve as a guide for you Writing this book Marriage Divorce and Remarriage What the Bible Really Says is the result of many years of dedicated effort to share the truth with people that will help them reach Heaven **Put Away But Not Divorced** Robert Waters,2012 Because of the ramifications divorce and remarriage is one of the most hotly debated biblical issues in the church today Many people find this issue to be a challenging subject Preachers and dedicated Bible students have written numerous books and engaged in countless discussions seeking to answer the question of whether one who has been divorced or has divorced may marry again Yet Christians are far from united on this issue Many find it so difficult and troublesome to discern the truth that they refuse to even open their mind to an honest study of the subject Others are so fully convinced they have the answer and that what they know is so vital to truth and morality they will have no fellowship with those who differ with them Does God intend for divorced women to remain celibate Will divorcees be judged as having committed a sin by remarrying Do you know what the Bible actually says concerning marriage divorce remarriage MDR In his honest look at MDR Robert Waters examines the Greek word *apulo* put away and discusses its true meaning in the context of Jesus s time Through this examination to include a comprehensive study of relevant passages and a thorough rejoinder to opposing arguments Waters guides the reader to a better understanding of MDR and God s intention for divorce in Put Away but Not Divorced

Christian Divorce and Remarriage the Gospel Myth and Truth William Deavin,2004-05 An evangelical approach to divorce and remarriage that allows divorce and remarriage according to certain biblical teachings *Divorce and Remarriage in the Catholic Church* Gerald D. Coleman,1988 Clearly summarizes and sensitively addresses the major pastoral moral and canonical issues facing separated and divorced Catholics This work not only observes carefully the people who suffer from divorce but also those who rejoice in remarriage Interwoven through these labyrinthian anxieties and hopes lies profound questions about faith the Eucharist the interal forum excommunication and Biblical affirmation The book deals with these pivotal areas of real concern within an historical context and with the goal of safeguarding the sacrament of Marriage while equally acknowledging that we live in a worl affected by sin **Divorce and Remarriage in the Church** David Instone-Brewer,2009-08-20 Divorce and remarriage are major pastoral issues facing every church Yet when we turn to Scripture for guidance we often hear conflicting messages about its teachings David Instone Brewer shows how the New

Testament provides faithful realistic and wise guidance of crucial importance and practical help for the church today

Divorce and Remarriage B. Ward Powers,2017-01-31 The Bible's Law and Grace approach is summed up in the one short saying 1 Corinthians 7:27-28 CEB If you are married don't get a divorce If you are divorced don't try to find a spouse But if you do marry you have not sinned This book provides a careful and detailed presentation of these aspects of the Bible's teaching and its application in the lives of Christians in the twenty first century Divorce is completely contrary to the will and purpose of God which is One man one woman for life For I hate divorce says the Lord Mal 2:16 But Jesus focuses our attention on the real problem sin disrupting damaging and ultimately destroying the marriage relationship Do not let this happen Jesus warns us He says They are no longer two but one flesh Therefore humans shouldn't pull apart what God has put together Matt 19:6 Mark 10:8-9 CEB And to allow or to cause the marriage relationship to be sundered is a serious sin But the grace of Christ can forgive sin and restore the sinner And in certain circumstances as set out by Paul the Apostle says to those who have been divorced they must marry

Divorce & Remarriage Rubel Shelly,2013-07-29 In this book a serious scholar with extensive experience in ministry looks at the question of divorce and remarriage He offers a redemptive theology that affirms the importance of marriage the urgency of helping people survive their marital crises and the redemptive mercies and grace of God for those who have divorced and remarried

What the Bible Really Says about Marriage, Divorce, and Remarriage Ed Dobson,1986-01-01

Christian Divorce Remarriage Theology John DeVries,2019-02-28 Many churches and believers deeply struggle with this topic This writing sets out the correct Biblical rules and guidelines to guide believers how they should deal with marriage problems to hopefully avoid a divorce This book focusses on the Bible doctrinal truths involved in both Bible acceptable divorce and remarriage theology This book provides a mental surgery of understanding how we are to follow Bible textual rules of engagement to resolve conflict There are Christ given directions to resolve relational conflict which are rarely applied These need to be taught by churches and ministry Due to a lack in this pursuit many Christians experience needless divorces This problem is magnified due to the majority of churches having a none biblical and limited ministry structure It takes much time to genuinely shepherd people through difficulties and issue resolution This will require teaching the applicable scriptures and the setting out of the conduct rules that apply to a godly love in a marriage commitment So much heartache can be alleviated The two groups of people who are my target purchasers are the Christian believers who struggle with resolving marriage problems then also the church leadership who oversee sincere believers

Recycling the Family Frank F. Furstenberg,Graham B. Spanier,1987-07 In *Recycling the Family* the authors examine the social psychological and economic aspects of the divorce remarriage transition They demonstrate how and why the process of remarriage is fundamentally different from that of a first marriage and identify the factors that redefine family life including keeping a distance from one's former spouse inheriting stepchildren the convolution of traditional blood and legal relationships and built in expectations of marital instability

Divorce and

Remarriage in the Bible David Instone-Brewer,2002-06-07 To many the New Testament's teaching on divorce and remarriage seems to be both impractical and unfair The plain meaning of the texts allows for divorce only in cases of adultery or desertion and it does not permit remarriage until the death of one's former spouse But are these proscriptions the final word for Christians today Are we correctly reading the scriptures that address these issues By looking closely at the biblical texts on divorce and remarriage in light of the first century Jewish and Greco Roman world this book shows that the original audience of the New Testament heard these teachings differently Through a careful exploration of the background literature of the Old Testament the ancient Near East and especially ancient Judaism David Instone Brewer constructs a biblical view of divorce and remarriage that is wider in scope than present day readings Among the important findings of the book are that both Jesus and Paul condemned divorce without valid grounds and discouraged divorce even for valid grounds that both Jesus and Paul affirmed the Old Testament grounds for divorce that the Old Testament allowed divorce for adultery and for neglect or abuse and that both Jesus and Paul condemned remarriage after an invalid divorce but not after a valid divorce Instone Brewer shows that these principles are not only different from the traditional church interpretation of the New Testament but also directly relevant to modern relationships Enhanced with pastoral advice on how to apply the biblical teaching in today's context this volume will be a valuable resource for anyone seeking serious answers about married life

What the Bible Says about Divorce and Remarriage Wayne A. Grudem,2021 The topic of divorce is a complicated one even among Christians The Bible provides some clear answers but other areas remain blurry Is divorce morally acceptable in a case of physical abuse If a divorce is granted for biblically legitimate reasons is remarriage allowed Can a divorced person become a church officer In this short booklet theologian Wayne Grudem offers a thought provoking analysis of what the Bible says and doesn't say about divorce and remarriage By combining theological insight with practical application Grudem brings clarity to a difficult topic and helpful guidance to those looking for direction

What the Bible Says about Marriage, Divorce and Remarriage Olan Hicks,1978 Marriage, Divorce, and Remarriage in the Bible Jay E. Adams,1986 Many pastors counselors and theologians consider this book the most helpful on the issue of marriage and divorce
