**A Christian View of Divorce** Donald W. Shaner,1969 **Divorce in the New Testament** George Herbert Box,Charles Gore,1921 **The Teaching of the New Testament on Divorce** Robert Henry Charles,1921 [Christ's Teaching Concerning Divorce in the New Testament](#) Francis E. Gigot,2018-03-08 Excerpt from Christ s Teaching Concerning Divorce in the New Testament An Exegetical Study The writer avails himself of this opportunity to express his lasting gratitude to His Eminence the Cardinal Archbishop of New York who has repeatedly encouraged the preparation of the present volume and graciously allowed that when finished the work should be dedicated to him About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works **Divorce and Remarriage in the Bible** David Instone-Brewer,2002-06-07 To many the New Testament s teaching on divorce and remarriage seems to be both impractical and unfair The plain meaning of the texts allows for divorce only in cases of adultery or desertion and it does not permit remarriage until the death of one s former spouse But are these proscriptions the final word for Christians today Are we correctly reading the scriptures that address these issues By looking closely at the biblical texts on divorce and remarriage in light of the first century Jewish and Greco Roman world this book shows that the original audience of the New Testament heard these teachings differently Through a careful exploration of the background literature of the Old Testament the ancient Near East and especially ancient Judaism David Instone Brewer constructs a biblical view of divorce and remarriage that is wider in scope than present day readings Among the important findings of the book are that both Jesus and Paul condemned divorce without valid grounds and discouraged divorce even for valid grounds that both Jesus and Paul affirmed the Old Testament grounds for divorce that the Old Testament allowed divorce for adultery and for neglect or abuse and that both Jesus and Paul condemned remarriage after an invalid divorce but not after a valid divorce Instone Brewer shows that these principles are not only different from the traditional church interpretation of the New Testament but also directly relevant to modern relationships Enhanced with pastoral advice on how to apply the biblical teaching in today s context this volume will be a valuable resource for anyone seeking serious answers about married life

the second allows the husband to divorce his wife for some lesser offence than adultery The first is in Deut 22 22 the second in Deut 24 1 2 The first law as I have said prescribed death as the punishment of the adulterous woman and her paramour This stern law remained on the Jewish statute book till 30 A D as we find in both the Babylonian Sanh 41a and Jerusalem Talmuds Sanh 18a 24b After that date the death penalty was abolished probably owing to the pressure of the Roman authorities Thus this law was in force during our Lord's ministry and for one or more years after its close This fact is full of significance The Mishna Sanh vii 2 states on the authority of Eliezer ben Zadok that this penalty was inflicted early in the first century of our era 1 After 30 A D the husband was compelled by Jewish law to divorce his adulterous wife Sotah vi 1 2 He was allowed no other option That the extreme penalty of the law was frequently evaded through compromise and heavy compensation there can be no doubt Notwithstanding this was the only law regarding the adulterous wife acknowledged as valid by the religious authorities of Judaism during our Lord's ministry This is the first fact which it is important to recognise in the study of this question and which must always be taken account of in connection with it

*What the Bible Really Teaches about Divorce and Remarriage* Mark Bullen, 2012-05-19 Do you realize that Jesus was the Word of God in the flesh and that the Old Testament Scriptures were inspired by Him John 1 1 14 2 Tim 3 16 Do you realize that the New Covenant was God's Moral Law written on the hearts of believers and that only the Ceremonial Law as a middle wall of partition between Jew and Gentile was fulfilled in Christ as the Lamb of God and therefore done away in Christ Compare Heb 8 10 and Eph 2 13 16 Do you realize that a New Covenant believer who walks in the Spirit is fulfilling the righteousness of Moses Law Romans 8 4 Do you realize that any prophet speaking contrary to God's inspired Word is a false prophet and therefore Jesus must be interpreted as speaking consistent with God's Word Isa 8 20 Matt 22 29 Do you realize the Old Testament Scriptures were the only Scriptures Jesus spoke of and the apostles had at the first John 10 35 Luke 24 45 Acts 17 11 2 Tim 3 15 17 Do you realize Malachi foretold that Jesus would come and preach against adulterers and in the same prophecy commanded the people to keep obeying Moses Law Malachi 3 1 5 and 4 4 Do you realize that everything taught in the New Testament concerning marriage divorce and remarriage is consistent with God's moral law Romans 7 1 1 Cor 7 39 Do you realize there is no evidence in church history or the Bible that the apostles or early Christians ever denied baptism and membership to converted couples due to divorce and remarriage in their past Do you realize the pilgrim church and Anabaptist believers did not deny baptism and church membership to couples with divorce and remarriage in their past Do you wish to know what the

Bible REALLY teaches about divorce and remarriage then carefully read this book with an open and honest heart seeking only for truth And Marries Another Craig S. Keener,1991-06-01 Once divorced forever barred from church leadership sometimes even from full fellowship Isn't that what the plain sense of Scripture teaches No says Keener In this compassionate and carefully documented study he first explores how the early Christians would have understood the statements of Jesus and Paul on divorce and remarriage Keener then builds a soundly scriptural view of divorce and remarriage a view that reminds the church that all of its members are forgiven people *Marriage and Divorce* James M. Efird,2001-06-25 With the increase in the divorce rate today many people are more concerned than ever with what the Bible says about marriage and divorce Keeping technical discussions to a minimum James M Efird helps readers explore the biblical teachings on these two important social customs The book begins by examining ideas connected with marriage against the ancient world and its practices and presuppositions The investigation continues with a section focusing on the practice of and teachings about divorce again set against the backdrop of the society and culture of biblical times The last section of the book draws together some of the larger principles relating to marriage and divorce based on the biblical investigation The Doctrine of the New Testament Law Concerning Divorce and Separation, Investigated and Reasoned Out Peter Blackburn,1857 **What The Bible Says About Divorce** Barbour Publishing,2013-07-01 What does the Bible say about divorce This brand new book provides a concise easy to read resource on the biblical teachings on divorce Featuring 12 sections each addressing a common question relating to the overall topic Personal stories categorized scriptures and practical advice make the What the Bible Says About series perfect for personal and ministry use Other titles in the series address important contemporary topics like money grieving and marriage **Mercer Dictionary of the Bible** Watson E. Mills,Roger Aubrey Bullard,1990 Jesus Christ in History and Scripture highlights two related bases for the current revolution in Jesus studies 1 a critically chastened world view that is satisfied with provisional results and 2 a creative or poetic use of the sources of study of Jesus **A Commentary on the New Testament** Catholic Biblical Association of America,1942 Law in the New Testament J. Duncan M. Derrett,2005-06-03 This is a valuable book It is a work of wide learning It deals with a topic which as the author states in his preface has been much neglected in spite of the fact that biblical scholars and theologians have always paid lip service to the importance of law in Jewish life It is a book which should be on the library shelf of every serious student of the New Testament Fr Pius O F M C Franciscan Friary Crawley J Duncan M Derrett was until his retirement Professor of Oriental Laws at the University of London He has author works on legal history as well as Jesus's Audience Studies in the New Testament 6 vols The Sermon on the Mount The Anastasis and The Bible and the Buddhists *Masculinities in the New Testament and Beyond* Peter-Ben Smit,Laura Pasterkamp,2025-10-15 The study of gender in early Christianity has been one of the catalysts for new historical insight into the early Jesus movement and beyond By focusing on the construction of various kinds of masculinities in early Christian texts both biblical and extra

biblical and by showcasing a number of examples of the reception of such texts in the construction and discussion of masculinities the essays collected in this volume draw attention to a kind of gender that is often in equal measure overlooked as it is influential in the shaping of communities and societies i e masculinities in all their diversity and with their different effects on those embodying them and those encountering them The volume seeks to contribute to the study of early Christian literature and its reception to the study of gender in the Christian theological tradition and to gender studies in general

The New Testament Logia on Divorce V. Norskov Olsen,2019-01-10 The New Testament on marriage and divorce has exercised a deep influence upon Western civilisation This is especially the case with the logia on divorce which are recorded in the Gospels of Matthew v 32 XIX 3 12 Mark X 2 12 and Luke XVI 18 The Apostle Paul deals with the subject in 1 Corinthians VII 1 15 Within the Christian churches the statements in these texts are considered authoritative concerning the questions of whether or not marriage is indissoluble and whether divorce and remarriage are allowed for one or several reasons The purpose of this study is to examine the interpretation of the New Testament divorce texts during the Reformation period The significance of the exegetical results achieved by the reformers can be appreciated only in the light of the medieval sacramental concept of marriage and the work of the Christian humanists accordingly the investigation begins with an examination of these two subjects as well as the reaction of Roman Catholic exegetes to the interpretation of Erasmus The interpretations of Luther and his associates and those of the prominent Reformed theologians follow The works of representative English theologians have been studied beginning with Willian Tyndale and Thomas Cranmer and ending with John Milton whose works on divorce from an exegetical point of view terminate a period during which the meaning of the divorce texts was explored From the Foreword
