Divorce And Remarriage What Does The Bible Really Say:

Divorce and Remarriage Ralph Woodrow,1982 What the Bible Really Says about Marriage, Divorce, and Remarriage Bishop Lee Bowling,2016-12-31 A covenant is defined as a formal solemn and binding agreement It is entered into by mutual agreement of two parties Biblical Principles and a look in the word of God and what the Lord really says about Divorce and Remarriage by Bishop Lee Bowling is sure to open up a better and more clearer understanding of this subject Divorce and remarriage is a monstrous evil and there is a pressing need for some clear teaching on the subject We must be loyal to the Scriptures and not be carried away by the opinions of men It is a sin to remarry if you were the one who filed for divorce Sadly most people don t care what God thinks anymore God will judge those who divorce God hates divorce which is a sin rooted in selfishness and self righteousness Divorce is a horrible sin and remarriage even worse You made a promise on your wedding day to remain with your spouse until death If you break that vow then you are a liar and a scoundrel It matters not what apostate ministers may say God will be your only Judge Romans 14 12 There are innumerable rotten pastors today who permit abortion homosexuality and divorce God hates these sins as He does all sin and will Judge accordingly Divorce and remarriage is certainly not a new subject It is as old as the Scriptures themselves Divorce was a problem in Noah s day Moses had to contend with it the question was brought to Jesus nearly two thousand years ago They said Is it lawful for a man to put away his wife John the Baptist lost his head because of divorce and remarriage He had told King Herod that the woman he married was not really his wife but that she was still the wife of Philip her first husband And this enraged the woman and she took revenge Every year thousands of American homes are broken by separation and divorce In 1887 there was hardly a divorce in the entire United States In 1913 there were only sixty divorced couples in the entire country of Canada But divorce has rapidly increased until today in our country approximately one marriage out of every three ends in divorce While it is best not to separate if a couple does separate they are not free to remarry God does not approve divorce There are a number of Scriptural commands and principles which a divorce always violates This book was written to look into what the BIBLE says on the matter **Can Divorced Christians Remarry?** Robert Sr. Eldredge (Sr),2013-02 This book Can Divorce Christians Remarry has a fresh new perspective based upon current and historical research and what the Bible and our loving God really do say about divorce and remarriage God doesn t want us bound by the false traditions of men so this book gives specific cases when remarriage should be allowed However the restoration of troubled marriages is still God s first priority so specific cases are given when remarriage should not be allowed This book also answers difficult questions about the ordination of church leaders as well as those relating to the emotional needs of divorced men and women Biblical answers are given on how we can with the help of the Lord overcome the negative emotions of grief anger depression bitterness unforgiveness and rejection so we can live the happy fruitful and abundant lives that God desires for all of his children John 10 10 **When the Vow Breaks** Joseph Warren Kniskern,2008-01-01 Now an official resource of the

nationwide DivorceCare ministry this new edition of When the Vow Breaks offers practical advice to Christians regarding the top five felt needs and issues that result from facing divorce kids finances anger depression and loneliness In this sensitive and thorough guide author attorney Joseph Warren Kniskern recounts the emotions of his own failed marriage and shares a comprehensive study on what the Bible says about marriage and divorce More important he shows how God continues to work in people s lives to provide hope and encouragement in the aftermath of divorce Kniskern also provides important insights about how to seek reconciliation secure proper marriage counseling find a good attorney and negotiate settlements and custody issues

Marriage, Divorce, Remarriage, Woman & the Bible Arthur Frederick Ide,1995 *Marriage, Divorce, and Remarriage* Paul M. Gabriel,2018-02-14 Divorce is a very real problem in today s churches but the Bible s teaching on this vital subject is very often misunderstood Many faithful Christians are marginalized because of a past divorce often resulting in unnecessary and undeserved guilt Taking the position that the Bible is both inerrant and essential for guiding our beliefs and practices the author finds that divorce is not only permitted in certain circumstances but it is regulated by scriptural principles as well A number of common question are answered such as What constitutes marriage Are all marriages recognized by scripture Does the Bible allow divorce Is divorce forgivable Does the Bible allow divorced men to be pastors or deacons Does the Bible permit remarriage after divorce

What the Bible Really Teaches about Divorce and Remarriage Mark Bullen,2012-05-19 Do you realize that Jesus was the Word of God in the flesh and that the Old Testament Scriptures were inspired by Him John 1 1 14 2 Tim 3 16 Do you realize that the New Covenant was God s Moral Law written on the hearts of believers and that only the Ceremonial Law as a middle wall of partition between Jew and Gentile was fulfilled in Christ as the Lamb of God and therefore done away in Christ Compare Heb 8 10 and Eph 2 13 16 Do you realize that a New Covenant believer who walks in the Spirit is fulfilling the righteousness of Moses Law Romans 8 4 Do you realize that any prophet speaking contrary to God s inspired Word is a false prophet and therefore Jesus must be interpreted as speaking consistent with God s Word Isa 8 20 Matt 22 29 Do you realize the Old Testament Scriptures were the only Scriptures Jesus spoke of and the apostles had at the first John 10 35 Luke 24 45 Acts 17 11 2 Tim 3 15 17 Do you realize Malachi foretold that Jesus would come and preach against adulterers and in the same prophecy commanded the people to keep obeying Moses Law Malachi 3 1 5 and 4 4 Do you realize that everything taught in the New Testament concerning marriage divorce and remarriage is consistent with God s moral law Romans 7 1 1 Cor 7 39 Do you realize there is no evidence in church history or the Bible that the apostles or early Christians ever denied baptism and membership to converted couples due to divorce and remarriage in their past Do you realize the pilgrim church and Anabaptist believers did not deny baptism and church membership to couples with divorce and remarriage in their past Do you wish to know what the Bible REALLY teaches about divorce and remarriage then carefully read this book with an open and honest heart seeking only for truth

interpretations frequently overlook the Jewish cultural context of New Testament teachings and the background of the Old Testament particularly noticeable in many Christian pastors teachings on the controversial issue of divorce and remarriage in the Bible Imagine a world where Moses divorce permissions and Jesus teachings in the New Testament aren't conflicting Envision realizing that a lack of understanding of ancient laws customs and beliefs such as the issue of the Agunah the very topic Jesus and the Pharisees frequently debated has twisted the fundamentalist often self-contradictory view of divorce and remarriage And what if I told you that part of this confusion also stems from problematic modern Bible translations You've likely encountered the notion that Jesus only condoned divorce in cases of adultery but not in other instances such as abusive or toxic relationships Or perhaps you've heard that God hates divorce a poor mistranslation of Malachi 2:16 These and other verses often taken out of their proper context have been weaponized to demonize divorce as an inexcusable sin In reality divorce was intended to protect the well-being of the individuals in the marriage This concise straightforward book navigates the intricate biblical perspectives on the sensitive subjects of divorce and remarriage offering a counterargument to the popular Christian Fundamentalism's view on divorce We're not merely brushing over the topic we're delving into the detailed intricacies of pertinent Bible verses grounding them in both biblical and societal contexts Prepare for a revealing journey into the original Hebrew and Greek meanings of these texts which will offer you a deeper non-Westernized unfiltered understanding Get ready to challenge and redefine your perceptions of what the Bible says about divorce Upon completing this book you'll be equipped with the intellectual tools needed to both understand and refute common misconceptions about the Bible's stance on divorce and remarriage This includes the ability to critically evaluate and challenge the classic perspective of Christian fundamentalism as illustrated by quotes like the following I don't think the Bible allows divorce and remarriage ever while the spouse is living That's my radical crazy conservative narrow hard-nosed very needed view in our divorce happy culture Pastor John Piper Without exception divorce is a product of sin and God hates it He never commands it endorses it or blesses it Pastor John MacArthur The book is divided into three main parts Part I Divorce Remarriage in the Old Testament Part II Divorce Remarriage in the New Testament Part III Divorce Remarriage According to Rationality About the author Dr Eitan Bar a Jewish Christian scholar with advanced Bible apologetics and theology degrees is a unique combination As a native Hebrew speaker and a Jewish Bible scholar he combines his Jewish background with his Christian education and faith to offer a fresh perspective on various biblical topics This book is part of Dr Bar's series of micro books
