Divorce And Second Marriage Facing The Challenge:

Divorce and Second Marriage Kevin T. Kelly, 1982-01-01 **Marriage and Sacrament** Michael G. Lawler, 2017-06-15

At a time in human history when women and men are more concerned about interpersonal relationships and when there is an extensive questioning of the specific relationship between a woman and a man in marriage Marriage and Sacrament offers an understanding of how to live out the Christ meaning and Church meaning of that relationship so that by living martially and sacramentally couples can reveal to the world and to the Church the deeper meaning of all human love The book examines the relationship among love marriage and sacrament it examines the meanings of the sacrament of marriage its biblical basis its history and what happens when it comes to an end it examines sexual love indissoluble love fruitful love and ecumenical love in relationship to both marriage and sacrament Marriage and Sacrament is an indispensable resource for pastoral ministers and ministry students as well as all who contemplate or are now partners in marriage **Moral Theology for the 21st Century** Julie Clague, Bernard Hoose, Gerard Mannion, 2011-08-11 What Binds Marriage Timothy Buckley, 2002-01-07 From apostolic times the Church has wrestled with the dilemma of how to defend its belief in the sanctity and permanence of marriage while at the same time ministering the love and compassion of Christ to those traumatised by the experience of marital breakdown Timothy Buckley is a Redemptorist priest who produced a report for the Catholic bishops of England and Wales on the pastoral situation among priests and people argues that the theology of the bond of marriage is responsible for an impasse which often limits the Church's official solutions to the granting of annulments By tracing the history of the teaching on the bond he concludes that the present discipline is based on disputable theology and he proposes a way forward An enlightened sound and original look at marriage today The Separation of the Spouses with the Bond Remaining Juraj Kamas, 1997 The novelty of the present work lies in its presentation of the many facets of the theme about relationship between the spouses and the well being of their children The concept of marital separation has existed in the Church for centuries The code of Canon law reconized that certain situations call for the suspension of common life The principle of indissolubility is not violated in the case of separated or divorced but not remarried persons Their status does not put any obstacle regarding reception of the sacraments They are to be a subject of special pastoral care Juraj Kamas 1958 earned a licentiate and doctorate in canon law at the Gregorian University in Rome Crucible, 1982 *A Call to Fidelity* James J. Walter, Timothy E. O'Connell, Thomas A. Shannon, 2002-10-17 A Call to Fidelity seeks to thoughtfully examine and critically evaluate the contributions that Charles E Curran has made to the field of Catholic moral theology over the past forty years It also seeks to assess the development of specific topics in contemporary moral theology to which Curran has made his unique mark particularly in fundamental ethics sexual and medical ethics social and political ethics and topics related to dialogue with other traditions and approaches to Catholic ethics Reviewing the many years of his influential writings thought and scholarship fourteen distinguished scholars examine his contributions and the current state of the

topics under discussion which are as far ranging as academic freedom birth control gay and lesbian relationships and feminism Each contributor also provides a critical evaluation of Curran s work and outlines how these areas will hold or undergo transformation as the church looks toward its relationship with society and culture in the coming decades
