Divorce And The Faithful Church:

Divorce and the Faithful Church G. Edwin Bontrager, 1978-01-01 Sexual Ethics Stanley James Grenz, 1997-01-01 In this biblically grounded study Stanley Grenz synthesizes theology ethics and current medical research to offer an evangelical perspective on the profound role that sexuality does and should play in our lives today He calls for Christians to live a biblical sexual ethic in the contemporary world at the same calling on the church to recognize that its mandate includes being a reconciling community one that proclaims God's grace to all

Divorce and Remarriage in the Church David Instone-Brewer, 2009-08-20 Divorce and remarriage are major pastoral issues facing every church Yet when we turn to Scripture for guidance we often hear conflicting messages about its teachings David Instone Brewer shows how the New Testament provides faithful realistic and wise guidance of crucial importance and practical help for the church today

God's Been Divorced Too Wade Long, 2014-11-07 Divorce can make someone feel that their life can never be right again Where is God Could he possibly understand Would he even want to lead me through this And why has this happened to me God's Been Divorced Too provides a Christian answer to those questions The fact that God himself has been divorced is utilized to break the usually powerful stigma associated with divorce God's personal divorce is also used to delve into the dynamics of infidelity for the specific purpose of removing the disorientation that always seems to follow a betrayal A framework of Seven Spiritual Secrets is used to display timeless truths to both understand the past and to build a new future The seven secrets of freedom peace reciprocity fallenness integrity trust and fulfillment will take the reader on a specifically scriptural journey into restoration after divorce Along the way each secret challenges some traditional viewpoints while revealing unique and hidden outlooks For example Does God really hate divorce Is unconditional love even scriptural Is a perfect life even achievable Are there boundaries to sacrificial love Is it true that we can't trust anything in this world And was marriage intended to be our highest fulfillment on earth If not what is Many people from ancient times until today have embraced the truth of these timeless secrets as they walked through the pathways of their lives So come and join them It's the scriptural journey of peace restoration and fulfillment *House of Commons Debates, Official Report* Canada.

Parliament. House of Commons, 1925 **Official Reports of the Debates of the House of Commons of the Dominion of Canada** Canada. Parliament. House of Commons, 1929 **Disqualified?** Dave Miller, 2015-11-10 The church once spoke

with unanimity on the subject of divorce remarriage and ministry All divorce was sin remarriage was always wrong and the divorced were excluded not only from all forms of ministry but too often from the fellowship of the church as well But the breakdown of the home has forced churches to confront the issue again and ask whether our traditional understanding actually reflects the biblical teaching Pastor Dave Miller has been studying this issue since a seminary assignment forced him

to delve into the topic That research paper became a Bible study for his churches and eventually a series of active blogposts at SBC Voices where he is the editor This book is the result of that study He believes that the traditional view does not accurately reflect the biblical truth on the subject He views the Bible s teaching as a progressive but unified revelation of God s will about marriage and divorce The book begins by examining the two truths that set the cornerstone for the Scriptural revelation on the subject God intended marriage to be a lifelong covenant between a man and a woman But sin broke the ideal God intended The hardness of man s heart led to the breaking of that covenant In Deuteronomy 24 1 4 Moses laid the foundation on that cornerstone establishing that divorce required moral grounds instead of being simply at the whim of capricious men Jesus built the structure reemphasizing the intent of God for marriage to be permanent and sacred but also granting an exception on the basis of adultery Paul put the finishing touches on the structure in 1 Corinthians 7 adding a second exception for abandonment and other specific teachings He also explores the question about how the church should handle abuse and whether abuse justifies divorce After developing this full revelation of biblical truth on divorce and remarriage the book turns to church issues addressing the controversial topic of whether divorced men are eligible to serve as pastors elders or deacons in the church Beginning with a study of the phrase husband of one wife in 1 Timothy 3 and Titus 1 Pastor Miller explores tough questions the church needs to address He then gives specific advice both to those who are divorced and frustrated at their place in the church and to the church as to how it should minister to the divorced and deal with these issues There is no way we can avoid this discussion and this book s intent is to engage the issue and inspire the church not only to talk about the issue but more importantly to delve into God s word and seek to understand what the Bible actually says about divorce remarriage and ministry

Marriage, Divorce and Remarriage Samuel G. Dawson, 2010-11-01

This book deals with the issues Is sexual intercourse a right or a condition of marriage In the Bible betrothal was marriage not engagement to be married What is civil government s interest in marriage Common law marriage in the Bible Is fondling sexual intercourse Why most adulterers in the Old Testament were not stoned to death Was God really loose on divorce in the Old Testament Is the Sermon on the Mount Old or New Testament teaching Is celibacy refraining from sex or refraining from marriage Two problems that have to be worked to resolve any unscriptural divorce and remarriage situation What are the three ways a person can commit adultery God doesn t hate all divorce at least equally Must one divorce an impenitent fornicating spouse Every exception clause in the Bible contains a necessary implication Is there a guilty party in Mt 5 32 or Mt 19 9 May one guilty party put away another How does an unjustly put away person put away a fornicating spouse Why whether a put away fornicator may remarry is hardly the issue Four questions which if answered may lead to a solution of every question on marriage divorce and remarriage Is divorce and remarriage private or church business Church limitations in dealing with divorce Can a local church study these issues for itself and determine its own conduct on these matters If not let s not hear any more about local church autonomy

Remarriage after Divorce in Today's Church

Zondervan,2009-12-15 Despite a strong belief in the institution and sacredness of marriage studies show that Christian spouses experience divorce at least as much as the secular population But whatever the reasons for a divorce beyond the divorce itself many Christians want to know does the Bible support remarriage The fact is that no consensus exists among evangelicals on their views of remarriage leaving many Christians confused This Counterpoints volume explores the biblical and practical cases for the three main evangelical views on remarriage after divorce Remarriage is not acceptable after divorce defended by Gordon J Wenham Remarriage is acceptable only after adultery or desertion defended by William A Heth Remarriage is acceptable for a variety of reasons defended by Craig S Keener Each of the three contributors offers his point of view succinctly and with biblical support and each interacts with the others to help readers come to their own conclusions The Counterpoints series presents a comparison and critique of scholarly views on topics important to Christians that are both fair minded and respectful of the biblical text Each volume is a one stop reference that allows readers to evaluate the different positions on a specific issue and form their own educated opinion **Biblical Counsel** ,1993 Divorce and Remarriage in the Church Stanley A. Ellisen,1977-10 Dr Ellisen shows us that the Bible has the answer to all marital problems It is a divine dynamic prescription from the God of all grace and it brings to bear God s balanced principles of love and discipline Divorce and Remarriage in the Church heads straight for the Bible for positive direction on when divorce is proper when remarriage is permissible and just how divorced and remarried Christians can continue to serve in the church with God s blessing **Christian Living** ,1980 **Catalog of Copyright Entries, Fourth Series** Library of Congress. almanack ,1906 **Modern Catholic Family Teaching** Jacob M. Kohlhaas,Mary M. Doyle Roche,2024 This volume features academic commentary on the key magisterial texts that constitute the sources of contemporary Catholic teaching on the family Although Catholic Family Teaching CFT emerged and has developed in parallel with Catholic Social Teaching CST its documentary heritage has neither been explored in a parallel fashion nor to a similar academic depth This volume redresses this imbalance by collecting outstanding commentaries and interpretations of the primary texts and key theological and historical developments in a first of its kind critical engagement with the documentary tradition of CFT Each chapter engages a moment in this tradition of teaching in order to invite critical academic engagement with CFT a topic that increasingly bears weight across diverse areas of theological and ethical consideration By offering a clear understanding of the tradition s growth in the previous 130 years the volume equips scholars and students of theology to engage the pressing questions of our time **International Journal of Religious Education** ,1939
