The approach helped us reach our business-critical professionals we needed to, but also track sharing and conversions that were beyond our direct interactions with the target audience.

"As a Certified Ad Partner, we've seen up close how Network ads attain outstanding results for client advertising strategies. So, when we decided to run our own campaign focused on generating high quality B2B leads, adding the power of Network's Sponsored Updates to our own real-time tracking technology was a step forward for us."
