Being Lazy:

The Importance of Being Lazy Al Gini, 2004-03-01 Drawing upon in depth case studies of vacation habits and the observations of philosophers writers and sociologists such as Aristotle Mark Twain and Thorstein Veblen Al Gini argues why vacations are so venerated and why doing nothing is a fundamental human necessity From shopping sprees and extreme sports to the ultimate vacation retirement The Importance of Being lazy demonstrates that without true leisure we are diminished as individuals and as a society

Why It's Hard To Be Good Al Gini, 2013-10-31 In a series of brief chapters Al Gini lays out ideas for stepping out of the shadow of the self an argument for stopping thinking of yourself as the centre of the universe It s hard to be good he explains until we realize that being good only has meaning in relation to other people Ideas of justice fairness and ethical behavior are just that abstract ideas until they are put into action with regard to people outside ourselves We may worry too much about good versus evil big concepts that give us plenty of room to sit on the right side of the equation he argues Instead we need to be thinking about how being good involves an active relationship toward others Being good all by yourself may not be good enough This warm and generous book is for anyone who wants to know how to use ethical thinking as way to live work and be with others

Michaëlle Alexandre Fables Stories Michaëlle Alexandre,2021-03-26 Those fable stories are funny komik and comical and you will need a chair yon ch z pou chita to sit down when the story will make you laugh l li pwal f ou ri for you not to fall down pou ou pa tomb The story takes place in the beautiful country of Haiti It has talking animals and cunning fox cunning rat cunning hyena and a cunning mischievous little boy who is mischievous like the boy who cried wolf story and the people in his town will teach him a lesson for him to stop cunning be mischievous and trick them It has black royalties like black Haitian queens empresses and princesses and beautiful dark skin women with drop dead beauties that make all God s creations falling in love with their grand beauty and wonderful personalities those dark skin women are the prettiest creations of all The dark skin women in the story are strong fierce the greatest fighters of all that no males can beat and the dark skin women in the fable are feminine coquettish and elegant The black empresses and the queens always protect their beautiful kingdom empire Haiti from their enemies It also has the black version of the three little pigs and the bad wolf which is a black manman sheep beating and protecting her ten little black lambs kids and her from a bad cunning hyena who wants to eat them it also has talking elegant mice and one of them a female black mouse that will help a black female cat know a riddle answer in exchange for her mice and her freedom It also talks about a lazy plow horse who won t work for his mistress who is the most beautiful woman in the world and the plow horse is being lazy all day and will get his act together after he heard his mistress is going to sell him to a man that will make him work harder and will make him do harsh labors and won t tolerate his laziness The story also will help convey morals for black skinned women and little girls that will help them throughout their lives how to observe better their surroundings and make choices that will be beneficial for them

Learning to Laugh Gary McGuire, The attitude of a person measures the altitude of his or her success and happiness Success and as a resultant happiness is not determined by how much you earn or what is your status in society It is determined by whether or not you achieve your chosen goals in life and how you view them Each person s goals are different Therefore it is essential for every individual to crystallize his or her vision in order to develop his her own paradigm and path to success And this book presents a practical guide to achieve success and happiness in life Much of what is written is based on the author s own experiences and the philosophy which he has developed by active interaction with others as well as the study of the writings and experiences of great personalities across the world
