Becoming Spiritually Minded Donald Henderson, 2018-05-13 Many people don't see themselves as created beings. Seldom do they ask the really important questions: Who am I, and why am I here? When they think of God, they imagine Him to be like they want Him to be. They create God in their image. But the Bible says we are all created in God's image. We are spirit beings; we have a mind and emotions, and we live in a body. We were created to be in relationship with

God but because of the disobedience of Adam and Eve we inherited a fallen nature We were no longer spiritually connected to God Therefore Jesus gave his life so we could again gain access to the Father If we believe in his sacrifice we obtain a new spirit renewing our relationship with God This process is called grace and is given freely not dependent on our efforts Salvation is just the beginning of our journey towards holiness Over time we give up our carnal worldly mind associated with the wisdom of man and encounter our spiritual mind which is the mind of Christ We are transformed into His likeness and experience a more meaningful life and supernatural peace *Grace and Duty of Being Spiritually Minded* John Owen,1977-05-01 An unforgettable spiritual experience in devotional reading For our restless age it serves to anchor the soul in the bedrock of God s Word Page 4 of cover **My Life in Christ** Saint John (of Kronstadt),1897 **The Grace and Duty of Being Spiritually Minded - Scholar's Choice Edition** John Owen,2015-02-19 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work was reproduced from the original artifact and remains as true to the original work as possible Therefore you will see the original copyright references library stamps as most of these works have been housed in our most important libraries around the world and other notations in the work This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work As a reproduction of a historical artifact this work may contain missing or blurred pages poor pictures errant marks etc Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant **The Grace and Duty of Being Spiritually Minded, Declared, and Practically Improved** John Owen (D.D., Vice-Chancellor of the University of Oxford.),Thomas Chalmers,1828 [Bible Review](#) ,1915
