Being Together

John Corrigan

Being Together:

Being Together Gene Barnes & Susan Rautine, 2013-09 Every marriage is a partnership of two individuals each of whom has strengths and weaknesses For a marriage to survive it is important that each marriage partner understands the different experiences and perspectives that their partner brings to the marriage relationship Marriages may begin with a romantic idea of love but that alone is usually not enough to ensure a long lasting union Our book presents a dialogue between husband and wife ourselves concerning the issues that commonly arise in marriages including our own While this dialogue consists of e mails written to each other like letters in an earlier era it was not edited later to reduce conflicting opinions or uncomfortable feelings We believe that whenever possible honest communication is the best way to deal with the difficulties that arise in a marriage

The Problem of the Idea of Culture in John Paul II John Corrigan, 2019-11-13 In *The Problem of the Idea of Culture in John Paul II* Exposing the Disruptive Agency of the Philosophy of Karol Wojtyla John Corrigan provides a new lens with which to view and understand the philosophy of Karol Wojtyla John Paul II He exposes Wojtyla as a major player in contemporary philosophical debates The work reformulates the problem of experience in light of the questions surrounding our idea of culture Corrigan argues that for Wojtyla the drama of the problem of experience manifests in the apparently divergent accounts of the meaning of human experience as presented by the philosophies of being and of consciousness Solving this conundrum results in an idea of the person capable of explaining human experience in relation to human culture unfolding the experiences of self knowledge conscience and the ontic causal relationship of the person to human culture The first part of the book concerns formal considerations regarding the constitutive aspects of Wojtyla s approach while the second part deals with pragmatic considerations drawn from his comments on culture

The Art of Being Together Francis H. Wade, 2005 Priest author and spiritual director Frank Wade outlines seventeen principles of successful marriages The key suggests Wade is communication and knowing when and how to talk and listen with and to one s partner A must read both for married persons looking to strengthen their relationship and for those considering marriage this book is clearly intended to be both read and discussed
