Boyd,Paul Rhodes Eddy,2009-09 This accessible yet comprehensive primer explores the breadth of viewpoints on major issues in evangelical theology by examining positions taken by evangelicals on seventeen seminal issues The second edition retains the helpful features of the first edition and adds an appendix that addresses thirteen peripheral issues in contemporary evangelicalism Praise for the first edition The authors do what no book on the market does In one volume they faithfully present divergent views on the crucial issues that divide evangelicals and they do so in an unbiased succinct and lively manner This book is perfect as a supplemental text in an introductory theology course or as a manual for church study groups It will help everyone arrive at his or her own conclusions within the parameters of the evangelical tradition Dennis Okholm Azusa Pacific University *Across the Spectrum* succeeds with distinction in at least two respects First it represents a very useful tool for those who wish to begin grappling with different approaches to difficult theological problems The book will be most helpful to beginning students in evangelical theology the target audience Second the work presents various perspectives in fair and unbiased tones If used with care it will repeatedly reward the reader with its fair and even treatment of different theological views Nathan D Holsteen Bibliotheca Sacra I ve been waiting for this book for some time Due to its brief nontechnical format it can be used in a variety of ways in undergraduate theology courses Although a concise volume it succinctly outlines multiple arguments both pro and con for incredibly over two dozen issues in disputed largely non fundamental areas of doctrine The professor can present positions in favor of particular views or leave the issues open It s settled I m requiring it Gary R Habermas Liberty University A collective sigh of relief will arise from the evangelical student body when it discovers this book It helpfully and critically surveys the many legitimate evangelical theological options and convincingly demonstrates that there is no single authentically evangelical viewpoint on a wide range of controversial issues It constitutes a small library between two covers Roger E Olson George W Truett Theological Seminary Baylor University **The Westminster Handbook to Evangelical Theology** Roger E. Did Jesus Teach Salvation by Works? Alan P. Stanley, 2006-09-20 This book investigates the role of works in salvation in the Synoptic Gospels Jesus was all too aware of people who claimed to believe in Him and yet proved to be not truly born again e g John 2 23 25 8 31 46 A profession of faith made at some point during one s life is no guarantee that heaven awaits that person Such professions or conversion experiences must be followed by changed lives if faith is to be shown to be genuine saving faith Hence Jesus teaches that regardless of one s profession if one does not demonstrate a changed life produced by God one will not enter into heaven Such a judgment will be made when Jesus returns and judges every person according to his or her works While this may seem contradictory to some more well known passages ruling out the role of works in salvation e g Rom 3 21 4 25 Gal 2 16 21 Eph 2 8 9 there is every good reason to understand that Jesus teachings complement such passages The works that admit one into heaven are not works produced by the flesh before conversion but works produced by God after conversion They will fundamentally be characterized by a life of discipleship love for others and endurance in faith and obedience and will therefore serve to confirm that one indeed did have a relationship with God during one s life Hence Jesus did teach salvation by works However God is the one who produces the works and they occur after conversion Thus salvation is not one s initial conversion but one s final entrance into heaven

*Life in the Son* Robert Shank, 2024-06-18 A deep study on the doctrine of eternal security Does one moment of faith secure a person s eternal destiny with God even if that person later stops following and trusting in Jesus Or does a person have to keep on trusting and following Jesus to remain in a saving relationship with God Now expanded with new chapters and research this landmark book continues to offer one of the most penetrating studies on the controversial doctrine of eternal security perseverance and apostasy in the New Testament Calling into question the popular once saved always saved belief internationally respected pastor and scholar Dr Robert Shank reveals that the question we should be asking is not Is the believer secure but rather What does it mean to be a believer Straightforward thorough and grounded in biblical understanding this book warns Christians about dangers that could potentially lead a believer to become an unbeliever falling away from faith and share in

the unbeliever's eternal condemnation      **Words on Cassette, 2002** R R Bowker Publishing, 2002      **All One Body-- why Don't We Agree?** Erwin W. Lutzer, 1989      CALVINISM VS. ARMINIANISM Edward D. Andrews, 2018-10-31 To possess the light of life one must put faith in Jesus Christ and become his follower On social media every day millions of Christians are saying such things as I am a Calvinist I am an Arminian I am a Lutheran I am a Wesleyan and so on They then debate and argue theology as though it is a blood sport This author is not an Arminian Calvinist Wesleyan Lutheran Baptist follower disciple or learner of any other denomination Andrews is non denominational THE BIBLE'S ANSWER EPHESIANS 1:4 Are Some Chosen Predestined to Eternal Salvation and Others to Eternal Condemnation What the Bible Authors Really Meant by Atonement What the Bible Authors Really Meant by Ransom What the Bible Authors Really Meant by Reconciliation What the Bible Authors Really Meant by Sanctification What the Bible Authors Really Meant By Salvation Is the Five Points of Calvinism Biblical Determinism Fatalism Predestination and Foreknowledge Arminian View of the Free Will Calvin's Predestination Is the Foreknowledge of God Compatible with Free Will TRUE CHRISTIANS Are Not followers of Men Are some chosen predestined to eternal salvation and others to eternal condemnation Andrews will have entire chapters dealing with this important issue and inform the reader from the Calvinist and Arminian perspectives In the end he will answer the following questions Is Total Depravity Biblical Is Unconditional Election Biblical Is Limited Atonement Biblical Is Irresistible Grace Biblical Is Perseverance of the Saints Biblical      Books Out Loud , 2007      *Charisma and Christian Life* , 2003

**The Gospel the Martyrs Died For** Dr. Mishael Carson, 2025-12-02 They faced lions flames and swords believing their final answer mattered for eternity Polycarp Ignatius Perpetua The martyrs of the early church went to their deaths rather than deny Christ Why Because they believed apostasy was real that faithfulness was required and that salvation could be forfeited by those who turned away Yet today millions of Christians are taught the opposite that a single moment of belief guarantees heaven regardless of how one lives or dies Once Saved Always Saved has become so embedded in modern evangelicalism that many assume it was taught by Jesus preached by Paul and believed by Christians throughout history It wasn't In this groundbreaking historical investigation Dr Mishael Carson traces the shocking origins of eternal security doctrine revealing that it was absent from Christianity for over four hundred years emerged through Augustine's controversial innovations was systematized by John Calvin and was finally simplified into its popular form by American revivalists and Baptist theologians Inside these pages you will discover What the apostolic fathers men who knew the apostles personally actually taught about salvation and perseverance How a Latin mistranslation of Romans 5:12 shaped Augustine's theology and altered Western Christianity The critical difference between Calvin's Perseverance of the Saints and modern Once Saved Always Saved How frontier revivalism and dispensationalism transformed complex theology into dangerous oversimplification Why the biblical warnings against apostasy cannot be dismissed as hypothetical What the New Testament Greek actually reveals about the nature of saving faith How the early church's practice of discipline and

restoration proves they rejected unconditional security If the doctrine you believe would have shocked those who learned at the apostles feet perhaps it s time to ask where it really came from This is not an attack on grace it is a recovery of it Not a call to anxiety but to biblical assurance grounded in living faith Dr Carson writes not to strip away confidence but to anchor it where Scripture and history place it in present persevering trust in Jesus Christ Whether you hold firmly to eternal security or have always sensed something was missing The Gospel the Martyrs Died For will challenge you to reexamine what you believe and why
