

Short Poems about Belonging

By Maya Anthony

Home in the Heart

In my heart, I find my home,
A place where I'm never alone.
Warmth and love, in beats reside,
In this heart, I abide.

Not in houses, nor on streets,
But where my heart lovingly beats.
A sense of belonging, ever so smart,
In the chambers of my heart.

Home is where the heart does dwell,
In its rhythm, all is well.
In this belonging, pure and start,
I find my home, in my heart.

Belonging Poems:

The House of Belonging David Whyte, 1997 This is David Whyte's fourth book of poetry **Belonging** Dick Davis, 2002-06-01 There are worlds within our own in which even the smallest victories are hard won the tender moment is almost unbearable and the understated rings like a bell *Belonging* a new collection by British poet Dick Davis is an extended visit to these worlds Deepened by his dry wit and the formal rigor of his verse the poems of *Belonging* negotiate their way among personal and political divides generations in a family man and woman and the tentative present and our inherited pasts But behind much of the writing there is also a desire for a kind of idealized belonging to a clerisy of civilized and humane decency which can be found intermittently in all cultures and is the monopoly of none Davis's own cosmopolitan background provides the context for many of the poems yet he is concerned always to find the humanly universal within the local and anecdotal a hope realized in these careful and incandescent poems [Selected Poems of Emily Dickinson](#) Glenda Smith, Lisa Edwards, 2009 The Excel HSC English Area of Study Guide *Selected Poems of Emily Dickinson* is directly linked to the syllabus with dot points of the HSC English syllabus appearing in the margin of the book You can write in the guide so your study is focused and your notes are structured *Belongings* Sandra M. Gilbert, 2005 A collection of sonnets by the American Book Award winning poet ponders the nature of belongings as possessions as the reflections of a life and as the places where life takes place in a volume that also features the writer's memories of a childhood home her mourning for her mother and more [Etude for Belonging](#) Bethany Lee, 2021-05-07 Begin here says Bethany Lee in her inspirational new collection *Etude for Belonging* Now is the time for us to take courage And as you answer this invitation you will find courage indeed here among musings on galaxies and trillium shipwrecks and spinning wheels here where there is room for broken hearts for healing and for hope This book takes us on an uncharted course out where the sea is always turning into sky and steadily guides us back to the love at the center back to the place we all belong which is here which is together [In Search of Belonging](#) Angelina Ebony, 2017-08-25 A first book of poems spanning 15 years **Knowing One's Place in Contemporary Irish and Polish Poetry** Magdalena Kay, 2012-02-23 Studies how poets from two postcolonial countries Ireland and Poland refuse the consolations of roots and belonging and search for non traditional modes of exploring identity *Belonging* Emma Mathews, 2020-09-22 *Belonging* is an evocative collection of poems that invites the reader to explore his or her identity while experiencing the raw emotions we all share The depth of feeling in each haunting line and verse strike the emotional chords of our vulnerability encouraging us to confront powerful feelings like anger grief loss passion and love What does this word really mean The author does not attempt to answer this question for the reader instead Emma Mathews implores us to explore the deep well of emotions we harbor to touch something within our hearts and perhaps gain a better understanding of our true nature Anyone who has ever experienced heartbreak loss or struggle will resonate with these poems and the sense of camaraderie between author and reader that develops will open the door for deepening inner
