Benedict Arnold:

Benedict Arnold Liz Sonneborn,2009 Presents the life of Benedict Arnold who sold secret military information to the British army during the American Revolution [Benedict Arnold : The American Hero Who Became a Traitor | American Revolution | Grade 4 Biography | Children's Biographies](#) Dissected Lives,2020-12-31 Who was Benedict Arnold and why was he dubbed as both an American hero and a traitor Don t you think it s confusing if someone is named as both hero and traitor Understand the reason why Benedict Arnold is labelled as he is Study his role in the American Revolution Retell his stories and try to understand his decisions Read this book today **Who Was Benedict Arnold?** James Buckley, Jr.,Who HQ,2020-10-06 Find out how this one time American hero became the country s most notorious traitor As a young child Benedict Arnold never shied away from a fight So when the French and Indian War began in 1754 Benedict was eager to join the militia and fight for the British colonies in America And when he was eighteen years old he got his chance Arnold had no idea that less than twenty years later he would be fighting against the British in the Revolutionary War Now the captain of his own militia Benedict won the admiration of his troops and George Washington when he captured a major British fort He continued fighting for the colonies and was even considered a patriotic war hero after being wounded in battle But in 1780 Benedict made a decision that no one could anticipate He betrayed his fellow Americans and joined the British army Author James Buckley Jr takes us through Benedict s life and explains the events that led him to switch sides and become the most famous turncoat in American history *Benedict Arnold* Ann Gaines,2000 Describes the life and times of Benedict Arnold giving a glimpse into the man whose name became synonymous with the word traitor [The Tragedy of Benedict Arnold](#) Joyce Lee Malcolm,2018-05-01 History remembers this proud talented and conflicted man solely through the lens of his last desperate act of treason Yet the fall of Benedict Arnold remains one of the Revolutionary period s great puzzles Why did a brilliant military commander who repeatedly risked his life fighting the British who was grievously injured in the line of duty and fell into debt personally funding his own troops ultimately became a traitor to the patriot cause Throughout Malcolm weaves in portraits of Arnold s great allies George Washington General Schuyler his beautiful and beloved wife Peggy Shippen and others as well as his unrelenting enemy John Adams British General Clinton and master spy John Andre Thrilling and thought provoking *The Tragedy of Benedict Arnold* sheds new light on a man as well on the nuanced and complicated time in which he lived **The Life of Benedict Arnold** Isaac N. Arnold,1880 **Benedict Arnold** Dr. Walter L. Powell,2003-08-15 Biography of the Revolutionary War patriot that turned traitor and fought for the British against the colonists *Traitorous Hero* Willard Mosher Wallace,1954 A brilliant commander an impetuous lover Benedict Arnold blazed an enigmatic career which rose to glory ended in ruin and which has never been completely understood until now Dust jacket [Turncoat](#) Stephen Brumwell,2018-05-29 A historian examines how a once ardent hero of the American Revolutionary cause became its most dishonored traitor General Benedict Arnold s failed attempt to betray the fortress of

West Point to the British in 1780 stands as one of the most infamous episodes in American history. In the light of a shining record of bravery and unquestioned commitment to the Revolution, Arnold's defection came as an appalling shock. Contemporaries believed he had been corrupted by greed; historians have theorized that he had come to resent the lack of recognition for his merits and sacrifices. In this provocative book, Stephen Brumwell challenges such interpretations and draws on unexplored archives to reveal other crucial factors that illuminate Arnold's abandonment of the revolutionary cause he once championed. This work traces Arnold's journey from enthusiastic support of American independence to his spectacularly traitorous acts and narrow escape. Brumwell's research leads to an unexpected conclusion: Arnold's mystifying betrayal was driven by a staunch conviction that America's best interests would be served by halting the bloodshed and reuniting the fractured British Empire. Gripping, in a time when charges of treason and disloyalty intrude into our daily politics, *Turncoat* is essential reading.

R. R. B. Bernstein, City College of New York: The most balanced and insightful assessment of Benedict Arnold to date. Utilizing fresh manuscript sources, Brumwell reasserts the crucial importance of human agency in history.

Edward G. Lengel, author of *General George Washington*: An incisive study of the war and the very meaning of the American Revolution itself. The defining portrait of Arnold for the twenty-first century.

Francis D. Cogliano, author of *Revolutionary America*.
