## **Benjamins World:**

**English in East and South Asia** Ee Ling Low, Anne Pakir, 2021-08-29 This book provides a first systematic and comprehensive account of English in East and South Asia EESA based on current research by scholars in the field It has several unique features Firstly it provides a rigorous theoretical overview that is necessary for the understanding of EESA in relation to the burgeoning works on World Englishes as a discipline Secondly in the section on linguistic features a systematic template was made available to the contributors so that linguistic coverage of the variety varieties is similar Thirdly the vibrancy of the sociolinguistic and pragmatic realities that govern actual English in use in a wide variety of domains such as social media the Internet and popular culture music are discussed Finally this volume includes an extensive bibliography of works on EESA thus providing a useful and valuable resource for language researchers linguists classroom educators policymakers and anyone interested in the topic of EESA or World Englishes This volume hopes to advance understanding of the spread and development of the different sub varieties reflecting both the political developments and cultural norms in the region

**Speaking as Women Leaders** Judith Baxter, Haleema Al A'ali, 2016-09-20 This book offers new insights on how senior business women in Middle Eastern and Western companies use language for effective leadership in their respective management meetings The book explores six case studies of women leaders three in UK companies and three in a Bahraini company The authors analyse meeting and transcript data to show that in both cultural contexts the women negotiate a range of gendered discourses such as hierarchy and status and masculinisation in order to manage their teams with authority and skill The book challenges received wisdom about the opportunities and constraints each cultural context offers women in public life While the UK women are constrained by chronic change and uncertainty in performing their roles effectively the Bahraini women are far better supported by their bosses yet are constrained by patriarchal assumptions of what constitutes effective leadership The book demonstrates the use of Feminist Poststructuralist Discourse Analysis FPDA which is applied by scholars worldwide yet has relatively few published models of practice

**Sociolinguistics and Language Teaching** Sandra Lee McKay, Nancy H. Hornberger, 1996 This text provides an introduction to the field of sociolinguistics for second and foreign language teachers This book provides an introduction to the field of sociolinguistics for second and foreign language teachers Chapters cover the basic areas of sociolinguistics including regional and social variations in dialects language and gender World English and intercultural communication Each chapter has been specially written for this collection by an individual who has done extensive research on the topic explored This is the first introductory text to address explicitly the pedagogical implications of current theory and research in sociolinguistics The book will also be of interest to any teachers with students from linguistically diverse backgrounds

**A Democracy of Chameleons** Harri Englund, 2002 After thirty years of autocratic rule under Life President Kamuzu Banda Malawians experienced a transition to multi party democracy in 1994 A new constitution and several democratic institutions

promised a new dawn in a country ravaged by poverty and injustice This book presents original research on the economic social political and cultural consequences of the new era A new generation of scholars most of them from Malawi cover virtually every issue causing debate in the New Malawi poverty and hunger the plight of civil servants the role of the judiciary political intolerance and hate speech popular music as a form of protest clergy activism voluntary associations and ethnic revival responses to the HIV AIDS pandemic and controversies over women s rights Both chameleon like leaders and the donors of Malawi s foreign aid come under critical scrutiny for supporting superficial democratization The book ends with a rare public statement on the New Malawi by Jack Mapanje Malawi s internationally acclaimed writer

**Translaboration in Analogue and Digital Practice** Cornelia Zwischenberger, Alexa Alfer, 2022-12-09 Translaboration brings translation and collaboration into dialogue with one another It theorises new forms of collaboration not only between humans but also between humans and machines posits the text as an actor in the translation process and stresses the potential confluence rather than opposition of analogue and digital spaces The contributors to this volume explore translaboration from a wide range of perspectives and challenge prevalent binaries such as analogue digital professional non professional paid voluntary individual collective production consumption among others Their articles shine a light on the social political disciplinary and ethical implications of the power differentials at play in collaborative translation Through the lens of translaboration they probe what translation and collaboration are should be and are capable of being

*The Rise of Chinese as a Global Language* Jeffrey Gil, 2021-06-07 This book investigates the macroacquisition of Chinese its large scale acquisition and adoption for various purposes by individuals governments and organisations and the implications of this process for the future of English as a global language The author contextualises the macroacquisition of Chinese within the global ecology of languages then analyses the factors responsible for the macroacquisition of Chinese showing in contrast to most academic and popular commentary that a character based writing system will not stop Chinese from becoming a global language He then articulates three possible future scenarios English remaining a dominant global language English and Chinese both being global languages and Chinese becoming a global language instead of English The book concludes by outlining directions for further research on the acquisition and use of Chinese around the world It will be of interest to students and scholars with an interest in English as a global language Chinese as a second foreign language language education policy and applied linguistics more generally
