Disorienting Rhythms:

Dis-Orienting Rhythms Sanjay Sharma, John Hutnyk, Ashwani Sharma, 1996-11 Aims to produce a new understanding of the world significance of South Asian culture in multi racist societies It focuses on the role that contemporary South Asian dance music has played in the formation of a new urban cultural politics

Sikhs in Britain Gurharpal Singh, Darshan Singh Tatla, 2006-07 The history of Sikhs in Britain provides important clues into the evolution of Britain as a multicultural society and the challenges it faces today The authors examine the complex Anglo Sikh relationship that led to the initial Sikh settlement and the processes of community building around Sikh institutions such as gurdwaras They explore the nature of British Sikh society as reflected in the performance of Sikhs in the labor markets the changing characteristics of the Sikh family and issues of cultural transmission to the young They provide an original and insightful account of a community transformed from the site of radical immigrant class politics to a leader of the Sikh diaspora in its search for a separate Sikh state

The Ashgate Research Companion to Popular Musicology Derek B. Scott, 2016-03-23 The research presented in this volume is very recent and the general approach is that of rethinking popular musicology its purpose its aims and its methods Contributors to the volume were asked to write something original and at the same time to provide an instructive example of a particular way of working and thinking The essays have been written with a view to helping graduate students with research methodology and the application of relevant theoretical models The team of contributors is an exceptionally strong one it contains many of the pre eminent academic figures involved in popular musicological research and there is a spread of European American Asian and Australasian scholars The volume covers seven main themes Film Video and Multimedia Technology and Studio Production Gender and Sexuality Identity and Ethnicity Performance and Gesture Reception and Scenes and The Music Industry and Globalization The Ashgate Research Companion is designed to offer scholars and graduate students a comprehensive and authoritative state of the art review of current research in a particular area The companion s editor brings together a team of respected and experienced experts to write chapters on the key issues in their speciality providing a comprehensive reference to the field

Global Youth? Pam Nilan, Carles Feixa, 2006-11-22 This innovative collection of studies by international youth researchers critically addresses questions of global youth incorporating material from regions as diverse as Sydney Tehran Dakar and Manila and advancing our knowledge about young people around the globe Exploring specific local youth cultures whilst mediating global mass media and consumption trends this book traces subaltern youth landscapes and tells subaltern youth stories previously invisible in predominantly western youth cultural studies and theorizing The chapters here serve as a refutation of the colonialist discourse of cultural globalization Showcasing previously unpublished youth research from outside the English speaking world alongside the work of well known researchers such as Huq and Holden these accounts of youth cultural practices highlight much that is predictably different but also a great deal of common ground This book goes inside creative cultural formation of youth

identities to critically examine the global in the local Bringing together an internationally diverse group of researchers who describe and analyze youth cultures throughout Europe the Americas Asia Africa and Oceania this volume presents the first comprehensive review of global youth cultures practices and identities and as such is a valuable read for students and researchers of youth studies cultural studies and sociology [India in Africa, Africa in India](#) John C. Hawley,2008-06-25

India in Africa Africa in India traces the longstanding interaction between these two regions showing that the Indian Ocean world provides many examples of cultural flows that belie our understanding of globalization as a recent phenomenon This region has had and continues to have an internal integrity that touches the lives of its citizens in their commerce their cultural exchanges and their concepts of each other and of themselves in the world These connections have deep historical roots and their dynamics are not attributable solely to the effects of European colonialism modernity or contemporary globalization although these forces have left their mark The contributors to this interdisciplinary volume come from the fields of history literature dance sociology gender studies and religion making this collection unique in its recreation of an entire world too seldom considered as such **The Post-Subcultures Reader** David Muggleton,Rupert Weinzierl,2003-12 In a global society with a rapid proliferation of images fashions and lifestyles it is becoming increasingly difficult to pinpoint what subculture actually means This work states that it may be a convenient way to describe more unconventional aspects of youth culture [Fanfare](#) ,1995 *Traveling Sounds* Wilfried Raussert,John Miller Jones,2008 Within their approach to trace the routes of music and music s impact on identity formation the editors take the popularity of American music more or less for granted Most genres addressed in this study have emerged within the multiethnic US or the Americas on a larger scale most have traversed through the Americas and in different adaptations through different parts of the world Tracing the migration of sounds the editors see American music at home and abroad as an intricate part of a historical process of globalization and as embedded in complex and multidirectional processes of exchange and transformation They understand the migration of American forms of music not as a one dimensional homogenizing process of Americanization but rather as a multidirectional journey with diverse and multi layered forms of music emerging in different and shifting locales The contributors cover a broad range of musical genres ranging from sacred music and avant garde music to jazz reggae and rock Moreover crossovers between film theater video art and music are explored In its interdisciplinary and international orientation this book will contribute to the new direction American Studies has taken recently and expand a cultural studies approach to the field of music at the same time *Lund Studies in English* ,1933 *Strange Meetings* Keith Van Comer,1996 [Disorient](#) ,1997 *The QUARTERLY JOURNAL of SPEECH* ,1994 [Disorient](#) : [Disorient](#) Ferial J. Ghazoul,2004 **The Music Business** Dick Weissman,2003-05-27 Completely updated for the 21st century The Music Business provides essential career advice and offers information on how to get started and advance in all areas of the music industry from songwriting and performing to contracts producing criticism commercials concerts engineering and more

Re-fusing Identities Falu Pravin Bakrania, 2003

The Asian Gang Claire E. Alexander, 2000-09-01 In recent years the British mass media have discovered a new and urgent social problem the Asian gang Images of urban deprivation and the Underclass have combined with fears of growing youth militancy and masculinities in crisis to position Asian and especially Muslim young men as the new folk devil This reimagination of Asian young men has focused on violence drug abuse and crime set against a backdrop of cultural conflict generational confusion and religious fundamentalism The Asian gang it seems is the inevitable product of these social forces But what is the reality Based on three years fieldwork with a group of Bangladeshi young men in inner city London this book attempts to explore the complex mythologies and realities of contemporary Asian youth experience Taking the gang as its starting point the study examines the interaction of representation and reality ethnicity and masculinity in a textured in depth and personal perspective that challenges traditional views on Asian communities and identities
