Affirmations of a Dissenter C. Joseph Sprague,2002 Like many churchgoers C Joseph Sprague finds himself in a quandary he loves the church but often finds himself at odds with its principles and or practices What makes his situation unique is that in addition to his role as worshiper he is a bishop who is charged with the responsibility of leadership In Affirmations of a Dissenter Sprague gives readers a composite of affirmation and dissent of faith and protest He writes about his trust in and commitment to God s hospitable unconditional love for all humankind as well as about his discomfort with discernible public trends in religious institutions particularly United Methodism The brief chapters of this book cover a variety of topics biblical literalism the power of biblical witness biblical authority as related to homosexuality divorce violence and women the nature and person of Jesus hope in the church leadership and racism When Joe Sprague ponders the Scripture looking at them through the ministry of our Lord he grabs your attention Your mind will race your heart will beat faster as he walks with Jesus into areas of poverty injustice war and human sexuality You may not always agree but you will be brought up short by his openness his integrity and his sacrificial commitments He ll make you a braver more radical Christian Richard B Wilke Bishop in Residence Southwestern College Winfield Kansas A candid and clarion call for United Methodism to embrace its theological biblical and ethical roots without being ensnared by fearful right wing neoliteralists or cynical left wing progressives Bishop Sprague challenges the church to a future vision of hope emphasizing the Gospel s mandate of inclusiveness justice and nonviolence A refreshing and stimulating presentation of basically orthodox Christian beliefs this book is must reading for every Christian yearning for a renewed and relevant church in the 21st century Donald E Messer Warren Professor of Practical Theology and President Emeritus The Iliff School of Theology United Methodist Bishop Joseph Sprague s book Affirmations of a Dissenter is the bravest statement I ve ever read by a UMC bishop on the topics he s writing about It says some things that urgently need saying in the church Barbara Wendland in Connections April 2003
