

A dirt path leads through a vineyard towards a sunset. The sky is filled with soft, orange and pink clouds. The vineyard rows are visible on both sides of the path, with green leaves and dark trellises. The overall mood is peaceful and contemplative.

The spiritual quest is a journey without distance. You travel from where you are right now to where you have always been. From ignorance to recognition, for all you do is see for the first time what you have always been looking at. Who ever heard of a path that brings you to yourself or a method that makes you what you have always been? Spirituality, after all, is only a matter of becoming what you really are.
