Distant Promise:

The Promises of God Gary Gallant, 2023-09-14 This is a daily devotional from the Promises of God Zep 3 17 He will take great delight in you he will quiet you with his love he will rejoice over you with singing Here is a verse filled with the tender and loving nature of God offering us a beautiful glimpse into His heart He will take great delight in you These words convey a profound truth about God s attitude toward His people The Creator of the universe finds great joy and pleasure in His creation particularly in His beloved children It s a reminder that we are not just a part of God s plan we are recipients of His deep affection He will quiet you with His love This phrase paints a picture of God s love as a soothing and calming presence In moments of turmoil uncertainty or distress God s love can provide a sense of peace and security that quiets our anxieties It s a reminder that His love is a source of comfort and refuge He will rejoice over you with singing This is an incredibly intimate image God not only loves us but He also rejoices over us with singing It s as if He takes delight in expressing His joy through a beautiful melody This verse highlights the joy and celebration in heaven when even one soul is saved and reconciled to God Zep 3 17 is a powerful reminder of God s deep love and affection for His children It speaks to His desire to bring peace into our lives and to celebrate our presence in His divine plan As you meditate on this verse let it fill you with a profound sense of God s love and His delight in you Embrace His love find solace in His presence and join in the heavenly chorus of rejoicing over the wonderful relationship you have with your Heavenly Father The profound truths of Scripture often require spiritual discernment to fully grasp and appreciate They may not resonate with those who have not yet come to faith or experienced a personal relationship with God 1Co 2 14 acknowledges this concept The person without the Spirit does not accept the things that come from the Spirit of God but considers them foolishness and cannot understand them because they are discerned only through the Spirit This verse highlights that spiritual understanding is a gift of the Holy Spirit and without that spiritual discernment the truths of God may seem incomprehensible or even foolish to those who are not yet believers Recognizing and acknowledging our sinful condition is a crucial step in becoming a child of God This acknowledgment is foundational to the process of salvation and reconciliation with God Here are some key elements of this process Recognizing Sin The first step is to acknowledge that we have all fallen short of God s perfect standard Ro 3 23 We must come to terms with our sinfulness and realize that it separates us from a holy and righteous God Repentance Once we recognize our sinful condition we should be moved to repentance Repentance involves a genuine sorrow for our sins and a turning away from them It s a change of heart and mind that leads us to seek forgiveness and a new way of living Faith in Jesus Christ Accepting our sinful condition is only part of the equation We also need to place our faith in Jesus Christ as our Savior and Lord It is through faith in Jesus that we receive forgiveness of sins and become children of God Joh 1 12 Confession Confessing our sins to God is an important aspect of the process When we confess our sins we are agreeing with God about our need for forgiveness and cleansing God is faithful and just to forgive us when we confess our sins 1Jo 1 9

Receiving God's Grace Salvation is a gift of God's grace We cannot earn it through our efforts or good works It is by God's grace that we are saved through faith Eph 2 8 9 New Life in Christ Once we accept our sinful condition repent place our faith in Christ and receive God's forgiveness we are born again as children of God This new birth transforms us and the Holy Spirit comes to dwell within us empowering us to live a life that is pleasing to God Accepting our sinful condition is the starting point of a journey toward becoming a child of God It's an acknowledgment of our need for a Savior and a recognition of God's abundant love and grace that provides the way for us to be reconciled to Him **Promises of God** Edwin C.

Kingsbury,2009-09 Long ago when Israel had become aware of her unique history she began to collect and recount the saving acts of her God She concluded that God had chosen her and brought her from the lowest level of society through slavery into the Promised Land In the glorious days of Solomon she had the leisure to contemplate and to write down what her God had done for her She testified that her God was the God of promises who was faithful to his covenants The Promises of God beautifully and systematically records the responses from the leaders of this community of faith that were given to God's people Though their answers were far from unanimous they gave a guide to the generations of faithful people who have sought to live in covenant with their God in difficult times Due to the perilous times in which we live The Promises of God offers comfort as we consider the faithfulness of our great and holy God *The Whisperers* Dale Jones,2011-11-15 What if you could prove the Garden of Eden really existed What if you could see it experience it know it first hand What would that be worth What would it be worth to bury that knowledge forever The Whisperers is the first of a three volume thriller SciFi collection describing just that Set in the near future publishing empires hi tech industries vast on line gamer cults and supernatural nations meet in the ultra high speed chase to possess the thing known as the Moses Stone *Religion in Late Modernity* Robert Cummings Neville,2012-02-01 Religion in Late Modernity runs against the grain of common suppositions of contemporary theology and philosophy of religion Against the common supposition that basic religious terms have no real reference but are mere functions of human need the book presents a pragmatic theory of religious symbolism in terms of which the cognitive engagement of the Ultimate is of a piece with the cognitive engagement of nature and persons Throughout this discussion Neville develops a late modern conception of God that is defensible in a global theological public Against the common supposition that religion is on the retreat in late modernity except in fundamentalist forms the author argues that religion in our time is a stimulus to religiously oriented scholarship a civilizing force among world societies a foundation for obligation in politics a source for healthy social experimentation and the most important mover of soul Against the common supposition that religious thinking or theology is confessional and inevitably biased in favor of the thinker's community Neville argues for the public character of theology the need for history and phenomenology of religion in philosophy of religion and the possibility of objectivity through the contextualization of philosophy contrary to the fashionable claims of neo pragmatism This vigorous analysis and program for religious thinking is straightforwardly pro late modern and

anti postmodern a rousing gallop along the high road around modernism **A Distant Promise** Debbi Bedford, Deborah Bedford, 1987-01-01 *Communication and Libertarianism* Pavel Slutskiy, 2021-08-02 This is an outstanding contribution to both libertarian political philosophy and communication theory It is far and away the most comprehensive work on communication issues in libertarian theory ever published The author has integrated successfully the libertarian insights of Mises Rothbard Block Kinsella and others with the philosophy of language as developed by Austin Searle and Grice He has done so in a unique and unprecedented way The book would appeal to students and scholars interested in libertarian theory and more generally to philosophers and political scientists interested in high level scholarship David Gordon libertarian philosopher and intellectual historian Ludwig von Mises Institute **Works** Charles Dickens, 1922 Red Book , 1903
