*Divas in the Convent* Craig A. Monson, 2012-03-01 When eight year old Lucrezia Orsina Vizzana 1590 1662 entered one of the preeminent convents in Bologna in 1598 she had no idea what cloistered life had in store for her Thanks to clandestine instruction from a local maestro di cappella and despite the church hierarchy's vehement opposition to all convent music Vizzana became the star of the convent composing works so thoroughly modern and expressive that a recent critic described them as historical treasures But at the very moment when Vizzana's works appeared in 1623 she would be the only Bolognese nun ever to publish her music extraordinary troubles beset her and her fellow nuns as episcopal authorities arrived to investigate anonymous allegations of sisterly improprieties with male members of their order Craig A Monson retells the story of Vizzana and the nuns of Santa Cristina to elucidate the role that music played in the lives of these cloistered women Gifted singers instrumentalists and composers these nuns used music not only to forge links with the community beyond convent walls but also to challenge and circumvent ecclesiastical authority Monson explains how the sisters of Santa Cristina refusing to accept what the church hierarchy called God's will and what the nuns perceived as a besmirching of their honor fought back with words and music and when these proved futile with bricks roof tiles and stones These women defied one Bolognese archbishop after another cardinals in Rome and even the pope himself until threats of excommunication and abandonment by their families brought them to their knees twenty five years later By then Santa Cristina's imaginative but frail composer literally had been driven mad by the conflict Monson's fascinating narrative relies heavily on the words of its various protagonists on both sides of the cloister wall who emerge vividly as imaginative independent minded and not always sympathetic figures In restoring the musically gifted Lucrezia Orsina Vizzana to history Monson introduces readers to the full range of captivating characters who played their parts in seventeenth century convent life

The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a masterful and gripping novel that will keep you wondering until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
