The Global Mystical Tradition Bruce Stephen Naschak,2023-01-09 Mysticism is an element of religion or spirituality which emphasizes direct apprehension of the divine whether the divine is understood from a theistic or non theistic perspective The author argues that such mystical experiences can be gained through the practice of specialized techniques of spiritual transformation techniques which have been passed down through the ages by Traditions of Masters or Holy Traditions These esoteric traditions are made up of masters and students who share secret doctrines and rituals and they can be found in cultures from the Upper Paleolithic Period through the present The Global Mystical Tradition studies these traditions their mystical experiences and practices from a global syncretistic perspective noting similarities and in some
