*Divine Reality* Rudi Swanepoel, 2001 Do you sometimes feel God is far away Overwhelmed by the reality of your circumstances Want to experience the power of God in your life Divine reality brings two worlds together The Realm of God where He reigns with awesome splendor and power and earth the abode of man This book is all about the place where these two dimensions meet God all that this three letter word implies and more Man great on earth small everywhere else Now you can discover the greatness of God within the reality of your life The Lord s greatest desire is to step into your life and fill it with Divine Reality Embark on one of the greatest adventures in God a quest to know all you can know about Him A personal expedition into the deepest part of the Realms of God You will not only know more about God but get to know Him in ways hidden before *The Ministry, Vol. 11, No. 06* Various Authors, 2007-07-01 This issue of *The Ministry* contains a complete record of the twelve messages given during the 2007 summer training on the crystallization study of the Epistles of John held July 2 through 7 in Anaheim California The crucial truth and burden embodied in these twelve messages may be summarized in four statements 1 The fellowship of the eternal life the flow of the eternal life within all the believers is the reality of living in the Body of Christ 2 We know the Triune God by experiencing and enjoying Him as the One who dwells in our spirit and desires to spread into our heart 3 By the anointing of the all inclusive compound Spirit who is the composition of the Divine Trinity we know and enjoy the Father the Son and the Spirit as our life and life supply 4 The Son of God has given us an understanding so that we might know the true One the genuine and real God and be one with Him organically in His Son Jesus Christ who is eternal life to us These messages are being published immediately following the training in order that they might benefit the saints participating in the many video trainings that are held throughout the earth The Reports and Announcements section includes a presentation of the Lord s burden for His move in Europe and an announcement about the upcoming gospel feast in South Korea *Life-Study of 1, 2, & 3 John, Jude* Witness Lee, 1984-12 **Life-Study of the Epistles of John and Jude** Witness Lee, 1984-12-01 In the Lord s recovery during the past five hundred years the church s knowledge of the Lord and His truth has been continually progressing This monumental and classical work by Brother Witness Lee builds upon and is a further development of all that the Lord has revealed to His church in the past centuries It is filled with the revelation concerning the processed Triune God the living Christ the life giving Spirit the experience of life and the definition and practice of the church In this set Brother Lee has kept three basic principles that should rule and govern every believer in their interpretation development and expounding of the truths contained in the Scriptures The first principle is that of the Triune God dispensing Himself into His chosen and redeemed people the second principle is that we should interpret develop and expound the truths contained in the Bible with Christ for the church and the third governing principle is Christ the Spirit life and the church No other study or exposition of the New Testament conveys the life nourishment or ushers the reader into the divine revelation of God s holy Word according to His New Testament economy as

this one does *The Ministry of the Word, Vol. 21, No. 10* Various Authors, 2017-10-01 This issue of The Ministry of the Word contains the final nine messages given during the spring 2017 term of the full time training in Anaheim California The general subject of this series of messages is The Mending Ministry of John The overall subject of John's writings which include his Gospel his Epistles and Revelation is that the Triune God wants to dispense Himself into His chosen people as their life and life supply to make them divine so that they may express Him in full and for eternity In Revelation John presents the consummate vision in the Bible and the ultimate fulfillment of God's eternal economy the New Jerusalem The mending ministry of John carried out in the divine and mystical realm of the consummated Spirit is for the living out and the working out of the New Jerusalem The New Jerusalem is lived out by the believers becoming the New Jerusalem and the New Jerusalem is worked out by the believers building the New Jerusalem The New Jerusalem is the ultimate answer to the Lord's prayer in John 17 for the glorification of the Triune God through the oneness of the believers built into the Triune God This city is the City of Jehovah the city of life the holy city and the city of glory Even in the Old Testament the prophets describe this city as a person that is one with Jehovah Isaiah says They will call you the City of Jehovah 60 14 and Ezekiel concludes his prophecy by declaring that the name of the city from that day shall be Jehovah Is There 48 35 The City of Jehovah means that Jehovah is in His redeemed regenerated transformed and glorified tripartite people and that they are in Him Jehovah Is There refers to the presence of Jehovah Himself who will be united mingled and incorporated with His people to be one entity the great corporate God man The New Jerusalem is also the city of life The Christ ministered by John is for the dispensing of the Triune God as life into man's tripartite being Out of such a ministered Christ the children of God are brought forth by receiving the eternal life They then partake of the fellowship of the eternal life by abiding in the Lord and walking in the light They are taught by the anointing to enjoy the virtues of the divine birth with the divine seed As a result they become the testimony of Jesus the lampstands as the expression of the Triune God to be the firstfruits and the harvest as the expression of life and the bride of the Lamb as His increase and satisfaction Moreover the New Jerusalem is the holy city God's living word His breathing out as the divine breath into the believers works within them to separate them from the world and to saturate them with the divine nature to make them a holy city the corporate and ultimate Holy of Holies as the reality of Zion To live out and work out the New Jerusalem the believers partake of the divine nature of the Father by exercising their spirit to enjoy God as Spirit the nature of God's person and by remaining in the divine fellowship to enjoy God as love the nature of God's essence and as light the nature of God's expression Furthermore the New Jerusalem is the city of glory The Lord wants to occupy every room in our being and He desires that we would be filled with His riches unto the fullness of God so that there would be glory to God in the church The Father will be glorified when His many sons are thus filled with the Triune God To be filled with the Triune God of glory for His corporate expression the believers must cooperate with the Spirit who is daily operating in them by their allowing the Spirit to infuse and transmit all the riches of the Triune God into them All

believers need to be open to this Spirit to allow the Triune God to fill them to flow through them and to overflow out of them so that there would be the full expression of the Triune God in the church as the reality of the Body of Christ This Body will in turn consummate in the New Jerusalem as the ultimate expression of the consummated Triune God in and through man The New Jerusalem is the church as the reality of the Body of Christ in its ultimate state and consummation To live out the New Jerusalem is to grow up into Christ the Head by the mingling of God with man and to work out the New Jerusalem is to function out from the Head for the building up of the Body of Christ Only the Body of Christ will remain forever as the unique mutual abode of God and man so that God as the Spirit and man as the bride becoming a married couple are mingled and incorporated together to be one entity a great corporate God man Thus the issue of John s mending ministry is the accomplishing of the goal of God s economy which is to obtain the enlarged universal divine human incorporation of the consummated Triune God with the regenerated believers the New Jerusalem in eternity
