Divine rest for human restlessness Samuele Bacchiocchi,1980 *Divine Rest for Human Restlessness* Samuele Bacchiocchi,1997-08 **In Times Like These** D. Chongo Mundende,2012-09-07 We live in interesting times In our times we know many facts but lack faith We know so much about medicine but enjoy little health We ask many questions but receive few answers Living in a broken world in times where wrong is considered right and right is considered wrong we question the reality of the existence of God Yet wherever we look we see battered scarred bruised maimed and broken people crying for Him God is always present He is never caught off guard or taken by surprise The problems and heartaches we face are a result of sin The solution to sin is Jesus Christ the Creator Savior Sustainer and Answer to all our questionings By accepting Him beholding His love and mercy and studying His Word our lives are transformed into His likeness We become new creations Jesus left the splendor of heaven to come and die for us on a cruel cross at Calvary for the sins He did not commit He would have come and died for us if we were the only sinner in the whole universe In Times Like These is about Jesus and His love for lost humanity In times like these we need Him every nanosecond of the day and night He is coming back soon to take His children home A home where there is no pain cancer disease tears of sorrow or disappointment Will you go with Him to Paradise Now is the time to get ready *The Decalogue in the Sermon on the Mount* Dan Lioy,2004 In this work Dan Lioy first investigates the biblical concept of the law He then conducts a thoroughgoing analysis of the Decalogue and the Sermon on the Mount He gives particular attention to the connection between these two great bodies of biblical literature The result is a comprehensive study that argues for the enduring relevance of the moral law This volume is appropriate for personal study and is also suitable as a college and seminary text **The Maleness of Jesus** Neil H. Williams,2011-01-01 At the center of Christianity is Jesus of Nazareth whose maleness is used by many to justify the subordination of women and to emphasize that men rather than women better represent Jesus This raises a number of questions that are the subject of this book What is the significance of Jesus maleness Does it reveal the character of God Is it foundational for the gospel Is Jesus maleness associated with an ongoing created order of male priority Our answers will affect Christianity s task of love justice and reconciliation in a world that is characterized by the global marginalization oppression and abuse of women Raising the Wounded JOHN D. DOUGHLIN,2014-10-06 Everyone has carried emotional or spiritual wounds This can be as a result of family problems love life religious uncertainty or many other things When we have open wounds it can be hard for us to know where to turn for help but the answers are all around us The family in this story undergoes severe emotional and spiritual turmoil but soon goes on a journey together that will lead Sandra and her children to gain support from their community and have the confidence to trust in God to heal them The Biblical Day of Rest ,1995 **The Sunlit Way and Other Poems** Guy Kendall,1908 **Rest as a Theological Metaphor in the Epistle to the Hebrews and the Gospel of Truth** Judith Hoch Wray,1998 Focuses on the motif of rest in Jewish and Christian

circles during the first two centuries of the Current Era particularly its homiletic appropriation Also traces its evolution and theological journey from Jewish sources through the earliest Christian literature into subsequent Christian interpretation Contributes not only to Biblical studies but also to the history of preaching by emphasizing the strengths of oral proclamations and tagging rhetorical dynamics with distinctive fonts No subject index Annotation copyrighted by Book News Inc Portland OR

Rethinking Constantine Edward L. Smither, 2014-08-28 Constantine's life, his career, faith, and relationship to the church raises questions for Christians and for historians that cannot be ignored Scholars continue to be intrigued with Constantine, the man, the influence he wielded over the church, and the paradigm that he introduced for church-state relations Seventeen hundred years after Constantine's victory at Milvian Bridge *Rethinking Constantine* reinvigorates the conversation and examines the historical sources that inform our picture of Constantine, the theological developments that occurred in the wake of his rise to power, and the aspects of Constantine's legacy that have shaped church history *Rethinking Constantine* reassesses our picture of Constantine through careful historical enquiry within the scope of the early Christian period
