is a work of fiction Any resemblance to actual events persons or places is purely coincidental and probably wildly exaggerated Okay maybe it s not entirely made up We did go to Las Vegas We did have a few too many drinks And yes something did happen involving a mafia boss s wife But trust me the truth is far less interesting than what you re about to read So buckle up get ready for a ride and remember this is just our version of the story The real truth Well that s classified and we re not even sure we remember it ourselves Have you ever been to Las Vegas I mean really been to Las Vegas Not the touristy Let s see the Bellagio fountains and take a selfie with a fake Elvis kind of Vegas But the Vegas that hides behind the glitter and the flashing lights where the roulette wheel spins faster than your thoughts and the free drinks flow like water in the desert If you have you know what I m talking about If you haven t then this book is your ticket to the wild ride that is Sin City Get ready for a story of four friends a divorce party gone hilariously wrong a Mafia boss with a temper worse than a hangover and a series of increasingly ridiculous tasks that will leave you gasping for breath and clutching your sides in laughter So grab a drink get comfy and prepare to dive into a world where anything can happen and nothing is quite as it seems Because in Vegas even the craziest things can become reality and that s where the real fun begins
