## **Divorce Vatican Style:**

**Divorce-Vatican Style** Oliver Stewart,1971      **Divorce and Remarriage in the Bible** David

Instone-Brewer,2002-06-07 To many the New Testament's teaching on divorce and remarriage seems to be both impractical and unfair. The plain meaning of the texts allows for divorce only in cases of adultery or desertion and it does not permit remarriage until the death of one's former spouse. But are these proscriptions the final word for Christians today? Are we correctly reading the scriptures that address these issues? By looking closely at the biblical texts on divorce and remarriage in light of the first century Jewish and Greco-Roman world, this book shows that the original audience of the New Testament heard these teachings differently. Through a careful exploration of the background literature of the Old Testament, the ancient Near East, and especially ancient Judaism, David Instone-Brewer constructs a biblical view of divorce and remarriage that is wider in scope than present-day readings. Among the important findings of the book are that both Jesus and Paul condemned divorce without valid grounds and discouraged divorce even for valid grounds that both Jesus and Paul affirmed the Old Testament grounds for divorce that the Old Testament allowed divorce for adultery and for neglect or abuse and that both Jesus and Paul condemned remarriage after an invalid divorce but not after a valid divorce. Instone-Brewer shows that these principles are not only different from the traditional church interpretation of the New Testament but also directly relevant to modern relationships. Enhanced with pastoral advice on how to apply the biblical teaching in today's context, this volume will be a valuable resource for anyone seeking serious answers about married life.

**The Perfect Fascist** Victoria De Grazia,2020-08-11 A New Statesman Book of the Year Winner of the Helen and Howard R. Marraro Prize Winner of the Aldo and Jeanne Scaglione Prize for Italian Studies Extraordinary. I could not put it down. Margaret MacMillan Reveals how ideology corrupts the truth, how untrammelled ambition destroys the soul, and how the vanity of white male supremacy distorts emotion, making even love a matter of state. Sonia Purnell, author of *A Woman of No Importance*. When Attilio Teruzzi, a decorated military officer and early convert to the Fascist cause, married a rising American opera star, his good fortune seemed settled. The wedding was blessed by Mussolini himself. Yet only three years later, Teruzzi, now commander of the Black Shirts, renounced his wife. Lilliana was Jewish, and fascist Italy would soon introduce its first race laws. *The Perfect Fascist* pivots from the intimate story of a tempestuous courtship and inconvenient marriage to the operatic spectacle of Mussolini's rise and fall. It invites us to see in the vain, unscrupulous, fanatically loyal Attilio Teruzzi an exemplar of fascism's New Man. Victoria De Grazia's landmark history shows how the personal was always political in the fascist quest for manhood and power. In his self-serving pieties and intimate betrayals, his violence and opportunism, Teruzzi is a forefather of the illiberal politicians of today. The brilliance of De Grazia's book lies in the way that she has made a page-turner of Teruzzi's chaotic life while providing a scholarly and engrossing portrait of the two decades of Fascist rule. Caroline Moorhead, *Wall Street Journal* Original and important. A probing analysis of the fascist strong man. De Grazia's attention to Teruzzi's private life, his behavior

as suitor and husband deepens and enriches our understanding of the nature of leadership in Mussolini's regime and of masculinity virility and honor in Italian fascist culture Robert O Paxton author of *The Anatomy of Fascism* This is a perfect book Its two entwined narratives one political and public the other personal and private help us understand why the personal is political for those who insist on reshaping people and society Azar Nafisi author of *Reading Lolita in Tehran*

**Water Into Wine** Tom Harpur,2008-11-06 Following the extraordinary and ongoing success of his 2004 book *The Pagan Christ* scholar and author Tom Harpur was deluged with readers requests to go more deeply into the mythological allegorical approach to the story of Jesus he took in that bestselling book *In Water Into Wine* Harpur sets out the powerful and transforming message that emerges when the Gospels are finally read as they were originally intended to be and as they were understood by the first Christians such as Origen and Clement Seen in their true mythological and symbolical meaning the stories in the drama of Jesus life come alive in a totally fresh way not as the account of a single distant god man working strange miracle like Superman or some other fictional magician but as a description of the evolution of the soul in everyone of us The theme of the Gospels parallels exactly the theme of the Old Testament as well as every ancient sacred text which is that a spark of the divine spirit incarnates in each and every human being Tom Harpur shows how the old old story is at the heart of every religion and how it is really our own personal story too *Water Into Wine* is a tour de force written by a skilled and learned communicator that should excite and nourish every true seeker after spiritual fulfillment As well it has the enormous potential for furthering the goal of global understanding and peace
