Look Away Dixieland James B. Twitchell,2011-03-18 As a boy James Twitchell heard stories about his ancestors in Louisiana and even played with his great grandfather s Civil War sword but he never appreciated the state and the events that influenced a pivotal chapter in his family history His great grandfather Marshall Harvey Twitchell a carpetbagger from Vermont had settled in upstate Louisiana during Reconstruction married a local girl and encountered much success until a fateful day in August 1874 The dramatic story of the elder Twitchell s life and near assassination fuels the author s pursuit of his family s history and a true understanding of the South In Look Away Dixieland Vermont native Twitchell sets out from his current home in Florida on the inauguration day of America s first black president to find the real South and to try to understand the truth about his illustrious ancestor He travels in an RV from Georgia s Okefenokee Swamp across Alabama and Mississippi to Coushatta Louisiana As he drives through the heart of Dixie Twitchell sorts through the prejudices he learned from his northern rearing In searching for the culture he had held at arm s length for so long he tours small town southern life in campgrounds cotton gins churches country fairs and squirrel dog kennels and uncovers some fundamental truths along the way Notably he discovers that prejudices of race class and ideology are not limited by geography As one man from Georgia mockingly summed up North versus South stereotypes Y all are rude and we re stupid Unexpectedly Twitchell also uncovers facts about his great grandfather and sheds new light on his family s past An enlightening humorous and refreshingly honest search Look Away Dixieland reveals some of the differences and similarities that ultimately define us as a nation
