Black Powder Posse:

Black Powder Posse Eric Allen, 1985 **Heroes and Villains of New Mexico** Bud Russo, 2019-09-07 Some of these tales are about genuine heroes Some are about dastardly villains Others you ll have to decide for yourself hero or villain You ll recognize these people even if you don t remember their names They are Spanish colonials Mexicans and Anglos all the way to the present They are even aboriginal Americans predating the arrival of Europeans These are personal tales gossip you might say and when you finish a story if you re like me you ll be able to say I didn t know that Now don t you think knowing the quirks and grit of those who peopled the pages of your history textbooks rather than all those dates and places is more interesting The author always thought so After a dozen years writing travel stories about New Mexico he undertook writing yarns of adventure intrigue failure and even death Open the book to Elfego Baca s story and learn why one Mexican had no fear of American cowboys Or how Navajo Chester Nez who was denied the right to speak his native language used Navajo words to help win World War II Or even how the haughty wife of a colonial governor was falsely denounced to the Inquisition as a Crypto Jew Fact or imagination Sometimes it s hard to know which it is but these at least are true life episodes Includes Readers Guide **Jackalope Dreams** Mary Clearman Blew, 2008-01-01 The departed men in her life still have plenty to say to Corey Her father a legendary rodeo cowboy who punctuated his lifelong pronouncements with a bullet to his head may be the loudest But in this story of Montana a story in which the old West meets the new and tradition has its way with just about everyone it is Corey s voice we listen to In this tour de force of voices big and small sure and faltering hers comes across resonant and clear directing us to the heart of the matter *Books in Print* , 1994 **Oklahombres, : Particularly the wilder ones** Evett Dumas Nix, Gordon Hines, 2026-02-22 Step into the blood soaked badlands of territorial Oklahoma where lawmen walked a razor s edge between justice and vengeance and outlaws carved their names into legend with smoking guns and stolen gold Oklahombres delivers a visceral journey through America s most violent frontier where Evett Dumas Nix the legendary U S Marshal who tamed the Indian Territory teams with Gordon Hines to chronicle the savage battles that forged a state from chaos This is no sanitized Western romance it s the raw unvarnished truth about the men who lived fast died young and left bloody trails across the prairie From the notorious Doolin Gang s bank robbing sprees to the desperate manhunts through Cherokee hills Nix reveals the psychological toll of frontier justice with unflinching honesty These pages pulse with the thunder of galloping horses the crack of Winchester rifles and the dying gasps of men who chose the outlaw path The authors paint a haunting portrait of a land where civilization hung by a thread where a badge meant little without the courage to back it up and where the line between hero and villain blurred in gunsmoke and shadow Each chapter thrums with the tension of life or death confrontations that decided the fate of communities and the souls of the men who protected them This gripping account offers modern readers an authentic window into the making of the American West stripped of Hollywood glamour and presented with documentary precision Nix s firsthand experiences as the man who

brought order to Oklahoma Territory provide invaluable insights into the psychology of both lawmen and outlaws revealing how ordinary men became legends through extraordinary circumstances For anyone fascinated by true crime frontier history or the complex moral landscape of America s expansion Okehombres stands as an essential testament to the wild men who shaped a nation through violence courage and unwavering determination *Paperbound Books in Print* ,1992 **Shooters** Abigail A. Kohn,2004-06-10 Frequenting gun shops and shooting ranges and devoting particular attention to those whose interest in weaponry extends beyond the casual Abigail A Kohn captures in finegrained and often entertaining yet always humane detail how gun owners actually think and feel about their guns Through her conversations with cowboy action shooters at a regional match sport shooters hunters with shooters of all ages and races we hear of the savage beauty of a beautifully crafted long gun of the powerful historical import owners attach to their guns of the sense of empowerment that comes with shooting skill and the visceral thrill of discharging a dangerous weapon Cutting through the cliches that link gun ownership with violent criminal subcultures and portray shooters as gun nuts or potential terrorists Kohn provides us with a lively and untainted portrait of American gun enthusiasts **Read My Shorts!** Swift Smith,2006-11 Although Swift Montana Smith s book entitled READ MY SHORTS is mostly about Cowboy Action Shooting and his personal experiences within the sport there are also stories about the Wild West included within The book is split into two parts with the first part being short stories that can be read in less than an hour having said that the eighteen stories listed in Part One will take several hours to read The addition of the longer short story in Part Two of the book about a Wild West character called Edgar Windfal is a pleasant narrative and very interesting While some of the stories appear to be actual experiences many of them are fictional in nature and have a comedic tone and are meant to be amusing A few of the stories are serious and emotional including the last one entitled Edgar Windfal The Lucky Stone Overall the book is easy to read and very enjoyable Think Like a Terrorist to Combat Terrorism and Radicalization in Prison William P. Sturgeon,Francesca Spina,2022-07-20 Think Like a Terrorist to Combat Terrorism and Radicalization in Prison provides guidelines for hardening facilities training staff preparing for radicalized terrorist inmates incarceration and monitoring these inmates after their release The book combines practitioner experience with scholarly insights to offer practical suggestions bolstered by research The authors offer suggestions for housing programming security and staff training with the ultimate goal of keeping correctional facilities staff and other inmates safe from radicalization and spreading terrorist doctrines and terrorist acts which requires examining and potentially changing prison and correctional officer policies and procedures hiring and training suitable staff and ensuring technology is available Correctional facilities can curtail the recruitment and radicalization of inmates by developing staff training de radicalization programs management methods techniques and practices that address the recruitment issues associated with this threat The need for understanding and the role line correctional officers and first line supervisors play in preventing radicalization is critical in this process It is also vital to connect with and maintain communication with

appropriate security and intelligence agencies as needed Key Features Outlines common terrorist and extremist activities in prison using relevant real world examples Instructs on how to detect and recognize such efforts as recruitment and radicalization and how to curtail and prevent such activity Provides guidance on establishing de radicalization programs within prison facilities Presents recommendations on collecting analyzing and disseminating intelligence to correctional law enforcement and intelligence agencies on potential terrorist activities and recruitment efforts **Weapons of Mass**

Destruction Steven C. Drielak, Thomas R. Brandon, 2000 In addition investigative techniques are provided that will assist the criminal investigator in identifying and entering a facility suspected of manufacturing a weapon of mass destruction Remote sampling techniques are provided to assist in gathering the probable cause for a search warrant Also helpful to readers are the many illustrations and a glossary It will be clear to the reader that this unique book represents the epitome of authoritativeness and comprehensiveness in the field of WMD response and investigation BOOK JACKET **The Scalp-lock**

Dane Coolidge, 1924 Recreation , 1900 **Oklahombres** Evett Dumas Nix, 1929 **AB Bookman's Weekly** , 1993

Little Towns of Texas Kathleen E. St. Clair, Clifton R. St. Clair, 1982 Histories of little towns in Texas Information about them in the area the townspeople how they got to be named and just lots of interesting information **Adventure** , 1919

The Last of the California Rangers Jill Cossley Batt, 1928 **When the West was Young** Frederick Ritchie Bechdolt, 1922 **On the Rustler Trail** Robert Ames Bennet, 1927 *Forest and Stream* , 1888
