Caesar The Man:

Julius Caesar J. F. C. Fuller, 1965 Since the Renaissance Julius Caesar has been idolized as a superman Classical sources however present a far less exalted being As General Fuller writes Caesar was an unscrupulous demagogue whose one aim was power and a general who could not only win brilliant victories but also commit dismal blunders It is reasonable to suspect that at times Caesar was not responsible for his actions and toward the end of his life not altogether sane There is no doubt that Caesar was an extraordinary man But Fuller points out that he was extraordinary for his reckless ambition matchless daring and ruthless tyranny rather than for his skills as a military commander Caesar continually had to extricate himself from results of mistakes of judgement His unnecessary Alexandrian War his close call at Thapsus and his seemingly unpremeditated Gallic conquest are just a few of Fuller's many examples And in telling Caesar's history Fuller illuminates a century of Roman history as well Aided by maps of Caesar's principal battles and diagrams of many of his weapons Fuller brings to life Caesar's wars his armies his equipment and his methods Brilliant in design and impressive in scope Julius Caesar clarifies how the military political and economic aspects of the Roman Republic worked together to produce a man whose name has come down to us as a synonym for absolute authority
