Cafe Society:

The Rebel Café Stephen R. Duncan, 2018-11-01 Subterranean nightspots in 1950s New York and San Francisco were social cultural and political hothouses for left wing bohemians The art and antics of rebellious figures in 1950s American nightlife from the Beat Generation to eccentric jazz musicians and comedians have long fascinated fans and scholars alike In *The Rebel Caf* Stephen R Duncan flips the frame focusing on the New York and San Francisco bars nightclubs and coffeehouses from which these cultural icons emerged Duncan shows that the sexy smoky sites of bohemian Greenwich Village and North Beach offered not just entertainment but doorways to a new sociopolitical consciousness This book is a collective biography of the places that harbored beatniks blabbermouths hipsters playboys and partisans who altered the shape of postwar liberal politics and culture Throughout this period Duncan argues nightspots were crucial albeit informal institutions of the American democratic public sphere Amid the Red Scare s repressive politics the urban underground of New York and San Francisco acted as both a fallout shelter for left wingers and a laboratory for social experimentation Touching on literary figures from Norman Mailer and Amiri Baraka to Susan Sontag as well as performers ranging from Dave Brubeck to Maya Angelou to Lenny Bruce *The Rebel Caf* profiles hot spots such as the Village Vanguard the hungry i the Black Cat Cafe and the White Horse Tavern Ultimately the book provides a deeper view of 1950s America not simply as the black and white precursor to the Technicolor flamboyance of the sixties but as a rich period of artistic expression and identity formation that blended cultural production and politics

Cafe Society Barney Josephson, Terry Trilling-Josephson, 2009-03-12 Set against the drama of the Great Depression the conflict of American race relations and the inquisitions of the House Un American Activities Committee *Cafe Society* tells the personal history of Barney Josephson proprietor of the legendary interracial New York City night clubs *Cafe Society Downtown* and *Cafe Society Uptown* and their successor *The Cookery* Famously known as the wrong place for the Right people *Cafe Society* featured the cream of jazz and blues performers among whom were Billie Holiday boogie woogie pianists Big Joe Turner Lester Young Buck Clayton Big Sid Catlett and Mary Lou Williams as well as comedy stars Imogene Coca Zero Mostel and Jack Gilford and also gospel and folk singers A trailblazer in many ways Josephson welcomed black and white artists alike to perform for mixed audiences in a venue whose walls were festooned with artistic and satiric murals lampooning what was then called high society Featuring scores of photographs that illustrate the vibrant cast of characters in Josephson s life this exceptional book speaks richly about *Cafe Society* s revolutionary innovations and creativity inspired by the vision of one remarkable man [Focus On: 100 Most Popular American Romantic Drama Films](#) Wikipedia contributors, **LIFE**, 1939-03-06 *LIFE Magazine* is the treasured photographic magazine that chronicled the 20th Century It now lives on at LIFE com the largest most amazing collection of professional photography on the internet Users can browse search and view photos of today s people and events They have free access to share print and post images for personal use *New York Cafe Society* Anthony Young, 2015-05-13 In the

midst of the Great Depression an elite group of New Yorkers lived seemingly unaffected by the economic calamity They were writers playwrights journalists artists composers singers actors adventurers and socialites Newspaperman Maury Paul dubbed them the Cafe Society It was the time of Prohibition speakeasies and exclusive nightclubs for the smart set to see and be seen Their lives were the stuff of newspaper columns and magazine articles eagerly read by millions of Americans who wanted to forget the Depression This book describes the emergence of Cafe Society from New York s old society families and the rise of the new creative class

Jews and Jazz Charles B Hersch,2016-10-14 Jews and Jazz Improvising Ethnicity explores the meaning of Jewish involvement in the world of American jazz It focuses on the ways prominent jazz musicians like Stan Getz Benny Goodman Artie Shaw Lee Konitz Dave Liebman Michael Brecker and Red Rodney have engaged with jazz in order to explore and construct ethnic identities The author looks at Jewish identity through jazz in the context of the surrounding American culture believing that American Jews have used jazz to construct three kinds of identities to become more American to emphasize their minority outsider status and to become more Jewish From the beginning Jewish musicians have used jazz for all three of these purposes but the emphasis has shifted over time In the 1920s and 1930s when Jews were seen as foreign Jews used jazz to make a more inclusive America for themselves and for blacks establishing their American identity Beginning in the 1940s as Jews became more accepted into the mainstream they used jazz to re minoritize and avoid over assimilation through identification with African Americans Finally starting in the 1960s as ethnic assertion became more predominant in America Jews have used jazz to explore and advance their identities as Jews in a multicultural society

The Hornes Gail Lumet Buckley,2002-02-02 Recounts the story of the Horne family spanning eight generations and describing America s developing black middle class by Lena Horne s daughter
