inability to answer this question creates great doubt as to the accuracy of the Bible More and more Christians are giving up on defending the Bible It is vitally important for Christians to be able to answer this question because it relates to defending the fact that all humans are descendants of Adam and Eve and only their descendants can be saved Cain s wife has been talked about in countries all over the world for hundreds of years Skeptics of the Bible have used Cain s wife time and again to try to discredit the book of Genesis as a true historical record This story of Cain s Wife is my initial attempt to reconcile the Bible with the undisputable scientific evidence for creative evolution I have combined 4 sets of information The current Bible the old Bible before the major changes in late BC and early AD other Ancient Literature and the scientific facts of creation evolution I try to clarify why the Bible gives 2 accounts of the creation of Adam and Eve The Bible actually describes the creation of 2 women for him The first was Lilith Genesis 1 27 but her name was removed from the current Bible However her name can be seen in the older version of the Bible that existed before later day changes were made The creation of Eve Adam s second mate was created from Adam s rib and is described in Genesis 2 18 Lilith has been systematically removed from the Bible except for one reference in Isaiah 34 14 Not only was Lilith removed from the Bible but she was demonized The facts remain that she did exist and she did have children that are mentioned throughout the ancient literature At least one of her daughters was called Lilim Lilim became Cain s wife Metropolitan Pulpit and Homiletic Monthly ,1888 The Spirit World Clarence Larkin,1921 In this day of the revival of Spiritism when so many through the loss of loved ones in the Great World War are longing to communicate with the dead and are resorting to forbidden means to that end a day in which science is trying to discover whether there is another world than this and whether men live after death and if so can they communicate with the living it seems timely that a book should be written to show what the Holy Scriptures have revealed of the World of Spirits The Bible has much to say about the Spirit World and if we will carefully search its pages we shall know all there is to be known in this life of the World to Come For if men will not listen to Moses and the Prophets they will not be persuaded though one rose or came back from the dead Luke 16 31 Foreword *One Hundred and Ten Miracles of Our Lady Mary* Sir Ernest Alfred Wallis Budge,1923
