**Cajun Poet Reminisces** Fred Goudeau,1998      Cajun Poet Fred Goudeau,1994      **The Heart of Vick Vickers, the Cajun Poet** Vick Vickers,1978      Cajun Moon Kenneth Cowle,2005-12 Cajun Moon A Journey Through Time is an expression of the poet s being The selections for this premiere edition from Kenneth Cowle are a glimpse at the emotions scars and life experiences that over time shaped who he is today Ranging from deep passion to the baring of a tormented heart many of these poems evoke feelings and imagery that will touch a romantic soul There are many pieces that affirm Kenneth Cowle s belief in a loving God the essential goodness of us all and the responsibility we have to care for each other and for Mother Nature For the young at heart you will find playful poems about childish things Several of the poems are complimented by original illustrations drawn by the poet s mother Jean Cowle As a keen admirer of various structures of poetry Kenneth includes short poems in alternative styles such as Senryu and Lantern For the most part though the poems have received a minimum of editing and may seem raw to readers looking for a collection of safe and traditional poems Line breaks and punctuation are sometimes intentionally off kilter to move the reader s eyes through a poem with changes in pace to enhance the mere reading of words You may find some of yourself in Cajun Moon or feel off balance for a moment or two as you read of a tempestuous journey that has come to a place of peace and acceptance The wish of Kenneth Cowle is that however you experience this collection you feel A Soul Asylum Poetry Production      **The Cajuns** Shane K. Bernard,2009-09-28 The past sixty years have shaped and reshaped the group of French speaking Louisiana people known as the Cajuns During this period they have become much like other Americans and yet have remained strikingly distinct The Cajuns Americanization of a People explores these six decades and analyzes the forces that had an impact on Louisiana s Acadiana In the 1940s when America entered World War II so too did the isolated Cajuns Cajun soldiers fought alongside troops from Brooklyn and Berkeley and absorbed aspects of new cultures In the 1950s as rock n roll and television crackled across Louisiana airwaves Cajun music makers responded with their own distinct versions In the 1960s empowerment and liberation movements turned the South upside down During the 1980s as things Cajun became an absorbing national fad Cajun became a kind of brand identity used for selling everything from swamp tours to boxed rice dinners At the dawn of the twenty first century the advent of a new information age launched Cyber Cajuns onto a worldwide web All these forces have pushed and pulled at the fabric of Cajun life but have not destroyed it A Cajun himself the author of this book has an intense personal fascination in his people By linking seemingly local events in the Cajuns once isolated south Louisiana homeland to national and even global events Bernard demonstrates that by the middle of the twentieth century the Cajuns for the first time in their ethnic story were engulfed in the currents of mainstream American life and yet continued to make outstandingly distinct contributions      **Franco-America in the Making** Jonathan K. Gosnell,2018-07-01 Every June the city of Lowell Massachusetts celebrates Franco American Day raising the Franco American flag and hosting events designed to

commemorate French culture in the Americas Though there are twenty million French speakers and people of French or francophone descent in North America making them the fifth largest ethnic group in the United States their cultural legacy has remained nearly invisible Events like Franco American Day however attest to French ethnic permanence on the American topography In *Franco America in the Making* Jonathan K Gosnell examines the manifestation and persistence of hybrid Franco American literary musical culinary and media cultures in North America especially New England and southern Louisiana To shed light on the French cultural legacy in North America long after the formal end of the French empire in the mid eighteenth century Gosnell seeks out hidden French or Franco identities and sites of memory in the United States and Canada that quietly proclaim an intercontinental French presence examining institutions of higher learning literature folklore newspapers women s organizations and churches This study situates Franco American cultures within the new and evolving field of postcolonial Francophone studies by exploring the story of the peoples and ideas contributing to the evolution and articulation of a Franco American cultural identity in the New World Gosnell asks what it means to be French not simply in America but of America
