*Indebted* Yonatan Sagiv, 2016-12-31 *Indebted Capitalism and Religion in the Writings of S Y Agnon* is the first book to examine the oeuvre of Shmuel Yosef Agnon 1966 Nobel laureate in literature through a reading that combines perspectives from economic theory semiotics psychoanalysis narrative theory and Jewish and religious studies Sagiv outlines the vital role economy plays in the construction of religion subjectivity language and thought in Agnon s work and accordingly explores his literary use of images of debt money and economy to examine how these themes illuminate other focal points in the canonical author s work excavating the economic infrastructure of discourses that are commonly considered to reside beyond the economic sphere Sagiv s analysis of Agnon s work renowned for its paradoxical articulation of the impact of modernity on traditional Jewish society exposes an overarching distrust regarding the sustainability of any economic structure The concrete and symbolic economies surveyed in this project monetary divine semiotic libidinal and literary are prone to cyclical crises Under what Sagiv terms Agnon s law of permanent debt the stability and profitability of economies are always temporary Agnon s literary economy transgressing traditional closures together with his profound irony make it impossible to determine if these economic crises are indeed the product of the break with tradition or alternatively if this theodicy is but a fantasy marking permanent debt as the inherent economic infrastructure of human existence Many of the author s narrators and characters be they more or less religious distrust money Unlike romantic ideas of art s transcendence the monetary sign

does not enable one to entertain thoughts of an ideal truth Georg Simmel's famous description of the metaphysical quality of money elucidates the moment when money transforms from a means to an end in an all pervasive monetary economy thereby establishing a world of radical exchangeability As such money as exchangeability personified dictates a world devoid of eternal and intrinsic values Sagiv argues that this is precisely what troubles Agnon both as a religious thinker and as a modern writer

**Generation Multiplex** Timothy Shary, 2014-03-07 *Generation Multiplex* 2002 was the first comprehensive study of the representation of teenagers in American cinema since David Considine's *Cinema of Adolescence* in 1985 This updated and expanded edition reaffirms the idea that films about youth constitute a legitimate genre worthy of study on its own terms Identifying four distinct subgenres school delinquency horror and romance Timothy Shary explores hundreds of representative films while offering in depth discussion of movies that constitute key moments in the genre including *Fast Times at Ridgemoor High* *A Nightmare on Elm Street* *The Breakfast Club* *Say Anything* *Boyz n the Hood* *Scream* *American Pie* *Napoleon Dynamite* *Superbad* *The Twilight Saga* and *The Hunger Games* Analyzing developments in teen films since 2002 Shary covers such topics as the increasing availability of movies on demand which has given teens greater access to both popular and lesser seen films the recent dominance of supernatural and fantasy films as a category within the genre and how the ongoing commodification of teen images in media affects real life issues such as school bullying athletic development sexual identity and teenage pregnancy
